1 48.02 938.02 (15m), correctional institutions governed by the department of  
2 corrections under s. 301.02 and the offices and clinics of persons licensed to treat the  
3 sick under chs. 446, 447 and 448 are exempt from ss. 50.32 to 50.39. Sections 50.32  
4 to 50.39 do not abridge the rights of the medical examining board, physical therapists  
5 affiliated credentialing board, dentistry examining board, pharmacy examining  
6 board, chiropractic examining board and board of nursing in carrying out their  
7 statutory duties and responsibilities.

8 **SECTION 405.** 51.05 (2) of the statutes is amended to read:

9 51.05 (2) The department may not accept for admission to a mental health  
10 institute any resident person, except in an emergency, unless the county department  
11 under s. 51.42 in the county where the person has legal residency authorizes the care,  
12 as provided in s. 51.42 (3) (as). Patients who are committed to the department under  
13 s. 975.01, 1977 stats., or s. 975.02, 1977 stats., or s. 971.14, 971.17, 975.06 or 980.06,

18 **SECTION 406.** 51.13 (1) (c) of the statutes is amended to read:

19 51.13 (1) (c) If a minor 14 years of age or older wishes to be admitted to an  
20 approved inpatient treatment facility but a parent with legal custody or the guardian  
21 refuses to execute the application for admission or cannot be found, or if there is no  
22 parent with legal custody, the minor or a person acting on the minor's behalf may  
23 petition the court assigned to exercise jurisdiction under ~~ch.~~ chs. 48 and 938 in the  
24 county of residence of the parent or guardian for approval of the admission. A copy  
25 of the petition and a notice of hearing shall be served upon the parent or guardian

1 at his or her last-known address. If, after hearing, the court determines that the  
2 parent or guardian's consent is unreasonably withheld or that the parent or guardian  
3 cannot be found or that there is no parent with legal custody, and that the admission  
4 is proper under the standards prescribed in sub. (4) (d), it shall approve the minor's  
5 admission without the parent or guardian's consent. The court may, at the minor's  
6 request, temporarily approve the admission pending hearing on the petition. If a  
7 hearing is held under this subsection, no review or hearing under sub. (4) is required.

8 **SECTION 407.** 51.13 (4) (a) of the statutes is amended to read:

9 51.13 (4) (a) Within 3 days of the admission of a minor under sub. (1), or within  
10 3 days of application for such admission, whichever occurs first, the treatment  
11 director of the facility to which the minor is admitted or, in the case of a center for  
12 the developmentally disabled, the director of the center, shall file a verified petition  
13 for review of the admission in the court assigned to exercise jurisdiction under ~~ch.~~  
14 chs. 48 and 938 in the county in which the facility is located. The petition shall  
15 contain: 1) the name, address and date of birth of the minor; 2) the names and  
16 addresses of the parents or guardian; 3) the facts substantiating the petitioner's  
17 belief in the minor's need for psychiatric services, or services for developmental  
18 disability, alcoholism or drug abuse; 4) the facts substantiating the appropriateness  
19 of inpatient treatment in the inpatient treatment facility; 5) the basis for the  
20 petitioner's opinion that inpatient care in the facility is the least restrictive  
21 treatment consistent with the needs of the minor; and 6) notation of any statement  
22 made or conduct demonstrated by the minor in the presence of the director or staff  
23 of the facility indicating that inpatient treatment is against the wishes of the minor.  
24 A copy of the application for admission and of any relevant professional evaluations  
25 shall be attached to the petition.

1           **SECTION 408.** 51.13 (4) (b) of the statutes is amended to read:

2           51.13 (4) (b) If hardship would otherwise occur and if the best interests of the  
3 minor would be served thereby, the court may, on its own motion or on the motion of  
4 any interested party, remove the petition to the court assigned to exercise  
5 jurisdiction under ~~ch. chs.~~ chs. 48 and 938 of the county of residence of the parent or  
6 guardian.

7           **SECTION 409.** 51.13 (4) (d) of the statutes is amended to read:

8           51.13 (4) (d) Within 5 days of the filing of the petition, the court assigned to  
9 exercise jurisdiction under ~~ch. chs.~~ chs. 48 and 938 shall determine, based on the  
10 allegations of the petition and accompanying documents, whether the admission is  
11 voluntary on the part of the minor if the minor is 14 years of age or older and whether  
12 there is a prima facie showing that the minor is in need of psychiatric services, or  
13 services for developmental disability, alcoholism or drug abuse, that the treatment  
14 facility offers inpatient therapy or treatment which is appropriate to the minor's  
15 needs, and that inpatient care in the treatment facility is the least restrictive therapy  
16 or treatment consistent with the needs of the minor. If such a showing is made, the  
17 court shall permit voluntary admission. If the court is unable to make such  
18 determinations based on the petition and accompanying documents, it shall dismiss  
19 the petition as provided in par. (h); or order additional information to be produced  
20 as it deems necessary to make such review, and make such determinations within  
21 14 days of admission or application for admission, whichever is sooner; or it may hold  
22 a hearing within 14 days of admission or application for admission, whichever is  
23 sooner. If a notation of the minor's unwillingness appears on the face of the petition,  
24 or if a hearing has been requested by the minor, the minor's counsel, parent or  
25 guardian, the court shall hold a hearing to review the admission within 14 days of

1 admission or application for admission, whichever is sooner, and shall appoint  
2 counsel to represent the minor if the minor is unrepresented. If the court deems it  
3 necessary, it shall also appoint a guardian ad litem to represent the minor.

4 **SECTION 410.** 51.13 (4) (h) 2. of the statutes is amended to read:

5 51.13 (4) (h) 2. Order the petition to be treated as a petition for involuntary  
6 commitment and refer it to the court where the review under this section was held,  
7 or if it was not held in the county of legal residence of the subject individual's parent  
8 or guardian and hardship would otherwise occur and if the best interests of the  
9 subject individual would be served thereby, to the court assigned to exercise  
10 jurisdiction under ~~ch~~ chs. 48 and 938 in such county for a hearing under s. 51.20 or  
11 51.45 (13).

12 **SECTION 411.** 51.13 (4) (h) 4. of the statutes is amended to read:

13 51.13 (4) (h) 4. If there is a reason to believe the minor is in need of protection  
14 or services under s. 48.13 or 938.13, dismiss the petition and authorize the filing of  
15 a petition under s. 48.25 (3) or 938.25 (3). The court may release the minor or may  
16 order that the minor be taken and held in custody under s. 48.19 (1) (c) or 938.19 (1)  
17 (c).

18 **SECTION 412.** 51.14 (2) of the statutes is amended to read:

19 51.14 (2) MENTAL HEALTH REVIEW OFFICER. Each court assigned to exercise  
20 jurisdiction under ~~ch~~ chs. 48 and 938 shall designate a mental health review officer  
21 to review petitions filed under sub. (3).

22 **SECTION 413.** 51.15 (1) (a) (intro.), 3. and 4. of the statutes are amended to read:

23 51.15 (1) (a) (intro.) A law enforcement officer or other person authorized to  
24 take a child into custody under ch. 48 or 938 may take an individual into custody if  
25 the officer or person has cause to believe that such individual is mentally ill, drug

1 dependent or developmentally disabled, and that the individual evidences any of the  
2 following:

3 3. A substantial probability of physical impairment or injury to himself or  
4 herself due to impaired judgment, as manifested by evidence of a recent act or  
5 omission. The probability of physical impairment or injury is not substantial under  
6 this subdivision if reasonable provision for the individual's protection is available in  
7 the community and there is a reasonable probability that the individual will avail  
8 himself or herself of these services or, in the case of a minor, if the individual is  
9 appropriate for services or placement under s. 48.13 (4) or (11) or 938.13 (4). Food,  
10 shelter or other care provided to an individual who is substantially incapable of  
11 obtaining the care for himself or herself, by any person other than a treatment  
12 facility, does not constitute reasonable provision for the individual's protection  
13 available in the community under this subdivision.

14 4. Behavior manifested by a recent act or omission that, due to mental illness  
15 or drug dependency, he or she is unable to satisfy basic needs for nourishment,  
16 medical care, shelter or safety without prompt and adequate treatment so that a  
17 substantial probability exists that death, serious physical injury, serious physical  
18 debilitation or serious physical disease will imminently ensue unless the individual  
19 receives prompt and adequate treatment for this mental illness or drug dependency.  
20 No substantial probability of harm under this subdivision exists if reasonable  
21 provision for the individual's treatment and protection is available in the community  
22 and there is a reasonable probability that the individual will avail himself or herself  
23 of these services, if the individual can receive protective placement under s. 55.06 or,  
24 in the case of a minor, if the individual is appropriate for services or placement under  
25 s. 48.13 (4) or (11) or 938.13 (4). The individual's status as a minor does not

1 automatically establish a substantial probability of death, serious physical injury,  
2 serious physical debilitation or serious disease under this subdivision. Food, shelter  
3 or other care provided to an individual who is substantially incapable of providing  
4 the care for himself or herself, by any person other than a treatment facility, does not  
5 constitute reasonable provision for the individual's treatment or protection available  
6 in the community under this subdivision.

7 **SECTION 414.** 51.20 (1) (a) 2. b., c. and d. of the statutes are amended to read:

8 51.20 (1) (a) 2. b. Evidences a substantial probability of physical harm to other  
9 individuals as manifested by evidence of recent homicidal or other violent behavior,  
10 or by evidence that others are placed in reasonable fear of violent behavior and  
11 serious physical harm to them, as evidenced by a recent overt act, attempt or threat  
12 to do serious physical harm. In this subd. 2. b., if the petition is filed under a court  
13 order under s. ~~48.30~~ 938.30 (5) (c) 1. or (d) 1., a finding by the court exercising  
14 jurisdiction under ~~ch. 48 and 938~~ that the child committed the act or acts alleged  
15 in the petition under s. ~~48.12 or 48.13~~ 938.12 or 938.13 (12) may be used to prove that  
16 the child exhibited recent homicidal or other violent behavior or committed a recent  
17 overt act, attempt or threat to do serious physical harm.

18 c. Evidences such impaired judgment, manifested by evidence of a pattern of  
19 recent acts or omissions, that there is a substantial probability of physical  
20 impairment or injury to himself or herself. The probability of physical impairment  
21 or injury is not substantial under this subd. 2. c. if reasonable provision for the  
22 subject individual's protection is available in the community and there is a  
23 reasonable probability that the individual will avail himself or herself of these  
24 services, if the individual is appropriate for protective placement under s. 55.06 or,  
25 in the case of a minor, if the individual is appropriate for services or placement under

1 s. 48.13 (4) or (11) or 938.13 (4). The subject individual's status as a minor does not  
2 automatically establish a substantial probability of physical impairment or injury  
3 under this subd. 2. c. Food, shelter or other care provided to an individual who is  
4 substantially incapable of obtaining the care for himself or herself, by a person other  
5 than a treatment facility, does not constitute reasonable provision for the subject  
6 individual's protection available in the community under this subd. 2. c.

7 d. Evidences behavior manifested by recent acts or omissions that, due to  
8 mental illness, he or she is unable to satisfy basic needs for nourishment, medical  
9 care, shelter or safety without prompt and adequate treatment so that a substantial  
10 probability exists that death, serious physical injury, serious physical debilitation or  
11 serious physical disease will imminently ensue unless the individual receives  
12 prompt and adequate treatment for this mental illness. No substantial probability  
13 of harm under this subd. 2. d. exists if reasonable provision for the individual's  
14 treatment and protection is available in the community and there is a reasonable  
15 probability that the individual will avail himself or herself of these services, if the  
16 individual is appropriate for protective placement under s. 55.06 or, in the case of a  
17 minor, if the individual is appropriate for services or placement under s. 48.13 (4) or  
18 (11) or 938.13 (4). The individual's status as a minor does not automatically establish  
19 a substantial probability of death, serious physical injury, serious physical  
20 debilitation or serious disease under this subd. 2. d. Food, shelter or other care  
21 provided to an individual who is substantially incapable of obtaining the care for  
22 himself or herself, by any person other than a treatment facility, does not constitute  
23 reasonable provision for the individual's treatment or protection available in the  
24 community under this subd. 2. d.

25 **SECTION 415.** 51.20 (1) (b) of the statutes is amended to read:

1           51.20 (1) (b) Each petition for examination shall be signed by 3 adult persons,  
2           at least one of whom has personal knowledge of the conduct of the subject individual,  
3           except that this requirement does not apply if the petition is filed pursuant to a court  
4           order under s. ~~48.30~~ 938.30 (5) (c) 1. or (d) 1.

5           **SECTION 416.** 51.20 (6) of the statutes is amended to read:

6           51.20 (6) JUVENILES. For minors, the hearings held under this section shall be  
7           before the court assigned to exercise jurisdiction under ~~chs. 48 and 938~~.

8           **SECTION 417.** 51.20 (13) (cr) of the statutes is amended to read:

9           51.20 (13) (cr) If the subject individual is before the court on a petition filed  
10          under a court order under s. ~~48.30~~ 938.30 (5) (c) 1. and is found to have committed  
11          a violation of s. 940.225 (1) or (2), 948.02 (1) or (2) or 948.025, the court shall require  
12          the individual to provide a biological specimen to the state crime laboratories for  
13          deoxyribonucleic acid analysis and to comply with the reporting and testing  
14          requirements of s. 175.45.

15          **SECTION 418.** 51.35 (3) (title) of the statutes is amended to read:

16          51.35 (3) (title) TRANSFER OF CERTAIN CHILDREN FROM JUVENILE CORRECTIONAL  
17          FACILITIES AND SECURED CHILD CARING INSTITUTIONS.

18          **SECTION 419.** 51.35 (3) (a) of the statutes, as affected by 1995 Wisconsin Act 27,  
19          is amended to read:

20          51.35 (3) (a) A licensed psychologist of a juvenile correctional facility ~~under s.~~  
21          ~~48.557~~ or a secured child caring institution, as defined in s. 938.02 (15g), or a licensed  
22          physician of the department of corrections, who has reason to believe that any  
23          individual confined in the facility or institution is, in his or her opinion, in need of  
24          services for developmental disability, alcoholism or drug dependency or in need of  
25          psychiatric services, and who has obtained voluntary consent to make a transfer for

1 treatment, shall make a report, in writing, to the superintendent of the facility or  
2 institution, stating the nature and basis of the belief and verifying the consent. In  
3 the case of a minor age 14 and over, the minor and the minor's parent or guardian  
4 shall consent unless the minor is admitted under s. 51.13 (1) (c); and in the case of  
5 a minor under the age of 14, only the minor's parent or guardian need consent. The  
6 superintendent shall inform, orally and in writing, the minor and the minor's parent  
7 or guardian, that transfer is being considered and shall inform them of the basis for  
8 the request and their rights as provided in s. 51.13 (3). If the department of  
9 corrections, upon review of a request for transfer, determines that transfer is  
10 appropriate, that department shall immediately notify the department of health and  
11 social services and, if the department of health and social services consents, the  
12 department of corrections may immediately transfer the individual. The  
13 department of corrections shall file a petition under s. 51.13 (4) (a) in the court  
14 assigned to exercise jurisdiction under ~~ch. 48~~ chs. 48 and 938 of the county where the  
15 treatment facility is located.

16 **SECTION 420.** 51.35 (3) (b) of the statutes is amended to read:

17 51.35 (3) (b) The court assigned to exercise jurisdiction under ~~ch. 48~~ chs. 48 and  
18 938 shall determine, based on the allegations of the petition and accompanying  
19 documents, whether the transfer is voluntary on the part of the minor if he or she is  
20 aged 14 or over, and whether the transfer of the minor to an inpatient facility is  
21 appropriate and consistent with the needs of the minor. In the event that the court  
22 is unable to make such determinations based on the petition and accompanying  
23 documents, it shall order additional information to be produced as it deems  
24 necessary to make such review, and make such determinations within 14 days of  
25 admission, or it may hold a hearing within 14 days of admission. If a notation of the

1 minor's unwillingness appears on the face of the petition, or that a hearing has been  
2 requested by the minor, the minor's counsel, guardian ad litem, parent or guardian,  
3 the court shall hold a hearing and appoint counsel or a guardian ad litem for the  
4 minor as provided in s. 51.13 (4) (d). At the conclusion of the hearing, the court shall  
5 approve or disapprove the request for transfer. If the minor is under the continuing  
6 jurisdiction of the court of another county, the court may order the case transferred  
7 together with all appropriate records to that court.

8 **SECTION 421.** 51.35 (3) (c) of the statutes is amended to read:

9 51.35 (3) (c) A licensed psychologist of a juvenile correctional facility or a  
10 secured child caring institution, as defined in s. 938.02 (15g), or a licensed physician  
11 of the department of ~~corrections~~, who has reason to believe that any individual  
12 confined in the facility or institution is, in his or her opinion, mentally ill, drug  
13 dependent or developmentally disabled, and is dangerous as defined in s. 51.20 (1)  
14 (a) 2., or is an alcoholic and is dangerous as defined in s. 51.45 (13) (a), shall file a  
15 written report with the superintendent of the facility or institution, stating the  
16 nature and basis of the belief. If the superintendent, upon review of the allegations  
17 in the report, determines that transfer is appropriate, he or she shall file a petition  
18 according to s. 51.20 or 51.45 in the court assigned to exercise jurisdiction under ~~ch~~  
19 chs. 48 and 938 of the county where the correctional facility or secured child caring  
20 institution is located. The court shall hold a hearing according to procedures  
21 provided in s. 51.20 or 51.45 (13).

22 **SECTION 422.** 51.35 (3) (e) of the statutes, as affected by 1995 Wisconsin Act 27,  
23 is amended to read:

25 of an individual from a juvenile correctional facility or a secured child caring

1 institution, as defined in s. 938.02 (15g), to a state treatment facility if there is cause  
2 to believe that the individual is mentally ill, drug dependent or developmentally  
3 disabled and exhibits conduct which constitutes a danger as defined in s. 51.20 (1)  
4 (a) 2. to the individual or to others, or is an alcoholic and is dangerous as provided  
5 in s. 51.45 (13) (a) 1. and 2. The ~~correctional~~ custodian of the sending facility or  
6 institution shall execute a statement of emergency detention or petition for  
7 emergency commitment for the individual and deliver it to the receiving state  
8 treatment facility. The department of health and social services shall file the  
9 statement or petition with the court within 24 hours after the subject individual is  
10 received for detention or commitment. The statement or petition shall conform to s.  
11 51.15 (4) or (5) or 51.45 (12) (b). After an emergency transfer is made, the director  
12 of the receiving facility may file a petition for continued commitment under s. 51.20  
13 (1) or 51.45 (13) or may return the individual to the facility or institution from which  
14 the transfer was made. As an alternative to this procedure, the procedure provided  
15 in s. 51.15 or 51.45 (12) may be used, except that no prisoner may be released without  
16 the approval of the court which directed confinement in the correctional facility or  
17 secured child caring institution.

18 **SECTION 423.** 51.35 (3) (g) of the statutes is amended to read:

19 51.35 (3) (g) A minor 14 years of age or older who is transferred to a treatment  
20 facility under par. (a) may request in writing a return to the juvenile correctional  
21 facility or secured child caring institution, as defined in s. 938.02 (15g). In the case  
22 of a minor under 14 years of age, the parent or guardian may make the request. Upon  
23 receipt of a request for return from a minor 14 years of age or over, the director shall  
24 immediately notify the minor's parent or guardian. The minor shall be returned to  
25 the juvenile correctional facility or secured child caring institution within 48 hours

1 after submission of the request unless a petition or statement is filed for emergency  
2 detention, emergency commitment, involuntary commitment or protective  
3 placement.

4 **SECTION 424.** 51.42 (3) (ar) 4. b. of the statutes is amended to read:

5 51.42 (3) (ar) 4. b. Comprehensive diagnostic and evaluation services,  
6 including assessment as specified under ss. 343.30 (1q) and 343.305 (10) and  
7 assessments under s. ss. 48.295 (1) and 938.295 (1).

8 **SECTION 425.** 51.42 (3) (as) 1. of the statutes is amended to read:

9 51.42 (3) (as) 1. A county department of community programs shall authorize  
10 all care of any patient in a state, local or private facility under a contractual  
11 agreement between the county department of community programs and the facility,  
12 unless the county department of community programs governs the facility. The need  
13 for inpatient care shall be determined by the program director or designee in  
14 consultation with and upon the recommendation of a licensed physician trained in  
15 psychiatry and employed by the county department of community programs or its  
16 contract agency. In cases of emergency, a facility under contract with any county  
17 department of community programs shall charge the county department of  
18 community programs having jurisdiction in the county where the patient is found.  
19 The county department of community programs shall reimburse the facility for the  
20 actual cost of all authorized care and services less applicable collections under s.  
21 46.036, unless the department of health and social services determines that a charge  
22 is administratively infeasible, or unless the department of health and social services,  
23 after individual review, determines that the charge is not attributable to the cost of

8 (6) Who is habitually truant from school, if evidence is provided by the school  
9 attendance officer that the activities under s. 118.16 (5) have been completed or were  
10 not completed due to the child's absence from school as provided in s. 118.16 (5m),  
11 except as provided under s. 938.17 (2).

12 (6m) Who is a school dropout, as defined in s. 118.153 (1) (b).

13 (7) Who is habitually truant from home and either the juvenile or a parent,  
14 guardian or a relative in whose home the juvenile resides signs the petition  
15 requesting jurisdiction and attests in court that reconciliation efforts have been  
16 attempted and have failed.

17 (12) Who, being under 10 years of age, has committed a delinquent act as  
18 defined in s. 938.12.

19 (14) Who has been determined, under s. 938.30 (5) (c), to be not responsible for  
20 a delinquent act by reason of mental disease or defect or who has been determined,  
21 under s. 938.30 (5) (d), to be not competent to proceed.

22 **938.135 Referral of juveniles to proceedings under ch. 51 or 55.** (1) If  
23 a juvenile alleged to be delinquent or in need of protection or services is before the  
24 court and it appears that the juvenile is developmentally disabled, mentally ill or  
25 drug dependent or suffers from alcoholism, the court may proceed under ch. 51 or 55.

1           **(2)** Any voluntary or involuntary admissions, placements or commitments of  
2 a juvenile made in or to an inpatient facility, as defined in s. 51.01 (10), other than  
3 a commitment under s. 938.34 (6) (am) shall be governed by ch. 51 or 55.

4           **938.14 Jurisdiction over interstate compact proceedings.** The court has  
5 exclusive jurisdiction over proceedings under the interstate compact for juveniles  
6 under s. 938.991.

7           **938.15 Jurisdiction of other courts to determine legal custody.** Nothing  
8 contained in s. 938.12, 938.13 or 938.14 deprives other courts of the right to  
9 determine the legal custody of juveniles by habeas corpus or to determine the legal  
10 custody or guardianship of juveniles if the legal custody or guardianship is incidental  
11 to the determination of causes pending in the other courts. But the jurisdiction of  
12 the court assigned to exercise jurisdiction under this chapter and ch. 48 is paramount  
13 in all cases involving juveniles alleged to come within the provisions of ss. 938.12 to  
14 938.14.

15           **938.17 Jurisdiction over traffic, boating, snowmobile and all-terrain**  
16 **vehicle violations and over civil law and ordinance violations.** (1) TRAFFIC,  
17 BOATING, SNOWMOBILE AND ALL-TERRAIN VEHICLE VIOLATIONS. Except for ss. 342.06 (2)  
18 and 344.48 (1), and ss. 30.67 (1) and 346.67 when death or injury occurs, courts of  
19 criminal and civil jurisdiction shall have exclusive jurisdiction in proceedings  
20 against juveniles 16 or older for violations of s. 23.33, of ss. 30.50 to 30.80, of chs. 341  
21 to 351, and of traffic regulations as defined in s. 345.20 and nonmoving traffic  
22 violations as defined in s. 345.28 (1). A juvenile charged with a traffic, boating,  
23 snowmobile or all-terrain vehicle offense in a court of criminal or civil jurisdiction  
24 shall be treated as an adult before the trial of the proceeding except that the juvenile  
25 may be held in secure custody only in a secure detention facility. A juvenile convicted

1 of a traffic, boating, snowmobile or all-terrain vehicle offense in a court of criminal  
2 or civil jurisdiction shall be treated as an adult for sentencing purposes except as  
3 follows:

4 (a) The court may disregard any minimum period of incarceration specified for  
5 the offense.

6 (b) If the court orders the juvenile to serve a period of incarceration of less than  
7 6 months, the juvenile may serve that period of incarceration only in a secure  
8 detention facility.

9 (c) If the court of civil or criminal jurisdiction orders the juvenile to serve a  
10 period of incarceration of 6 months or more, that court shall petition the court  
11 assigned to exercise jurisdiction under this chapter and ch. 48 to order one or more  
12 of the dispositions provided in s. 938.34, including placement of the juvenile in a  
13 secured correctional facility under s. 938.34 (4m), if appropriate.

14 **(2) CIVIL LAW AND ORDINANCE VIOLATIONS.** (a) 1. Except as provided in sub. (1),  
15 municipal courts have concurrent jurisdiction with the court assigned to exercise  
16 jurisdiction under this chapter and ch. 48 in proceedings against juveniles aged 10  
17 or older for violations of county, town or other municipal ordinances. If evidence is  
18 provided by the school attendance officer that the activities under s. 118.16 (5) have  
19 been completed or were not completed due to the juvenile's absence from school as  
20 provided in s. 118.16 (5m), the municipal court specified in subd. 2. may exercise  
21 jurisdiction in proceedings against a juvenile for a violation of an ordinance enacted  
22 under s. 118.163 (2) regardless of the juvenile's age and regardless of whether the  
23 court assigned to exercise jurisdiction under this chapter and ch. 48 has jurisdiction  
24 under s. 938.13 (6).

1           2. a. In this subdivision, “administrative center” means the main  
2 administrative offices of a school district.

3           b. The municipal court that may exercise jurisdiction under subd. 1. is the  
4 municipal court that is located in the same municipality as the administrative center  
5 of the school district in which the juvenile is enrolled, if that municipality has  
6 adopted an ordinance under s. 118.163.

7           c. If the municipality specified under subd. 2. b. has not adopted an ordinance  
8 under s. 118.163, the municipal court that may exercise jurisdiction under subd. 1.  
9 is the municipal court that is located in the municipality where the school in which  
10 the juvenile is enrolled is located, if that municipality has adopted an ordinance  
11 under s. 118.163.

12           d. If the municipality specified under subd. 2. c. has not adopted an ordinance  
13 under s. 118.163, the municipal court that may exercise jurisdiction under subd. 1.  
14 is the municipal court that is located in the municipality where the juvenile resides,  
15 if that municipality has adopted an ordinance under s. 118.163.

16           3. When a juvenile is alleged to have violated a municipal ordinance, the  
17 juvenile may be:

18           a. Issued a citation directing the juvenile to appear in municipal court or make  
19 a deposit or stipulation and deposit in lieu of appearance;

20           b. Issued a citation directing the juvenile to appear in the court assigned to  
21 exercise jurisdiction under this chapter and ch. 48 or make a deposit or stipulation  
22 and deposit in lieu of appearance as provided in s. 938.237; or

23           c. Referred to intake for a determination whether a petition should be filed in  
24 the court assigned to exercise jurisdiction under this chapter and ch. 48 pursuant to  
25 s. 938.125.

1 (b) When a juvenile 10 years of age or older is alleged to have violated a civil  
2 law punishable by a forfeiture or where a juvenile is alleged to have violated a  
3 municipal ordinance but there is no municipal court in the municipality, the juvenile  
4 may be:

5 1. Issued a citation directing the juvenile to appear in the court assigned to  
6 exercise jurisdiction under this chapter and ch. 48 or make a deposit or stipulation  
7 and deposit in lieu of appearance as provided in s. 938.237; or

8 2. Referred to intake for a determination whether a petition should be filed in  
9 the court assigned to exercise jurisdiction under this chapter and ch. 48 pursuant to  
10 s. 938.125.

11 (c) The citation procedures described in ch. 800 shall govern proceedings  
12 involving juveniles in municipal court, except that this chapter shall govern the  
13 taking and holding of a juvenile in custody and par. (cg) shall govern the issuing of  
14 a summons to the juvenile's parent, guardian or legal custodian. When a juvenile is  
15 before the court assigned to exercise jurisdiction under this chapter and ch. 48 upon  
16 a citation alleging the juvenile to have violated a civil law or municipal ordinance,  
17 the procedures specified in s. 938.237 shall apply. If a citation is issued to a juvenile,  
18 the issuing agency shall notify the juvenile's parent, guardian and legal custodian  
19 within 7 days. The agency issuing a citation to a juvenile who is 10 to 15 years of age  
20 for a violation of s. 125.07 (4) (a) or (b), 125.085 (3) (b), 125.09 (2), 161.573 (2), 161.574  
21 (2) or 161.575 (2) or an ordinance conforming to one of those statutes shall send a copy  
22 to an intake worker under s. 938.24 for informational purposes only.

23 (cg) After a citation is issued, unless the juvenile and his or her parent,  
24 guardian and legal custodian voluntarily appear, the municipal court may issue a  
25 summons requiring the parent, guardian and legal custodian of the juvenile to

1 appear personally at any hearing involving the juvenile and, if the court so orders,  
2 to bring the juvenile before the court at a time and place stated. Section 938.273 shall  
3 govern the service of a summons under this paragraph, except that the expense of  
4 service or publication of a summons and of the travelling expenses and fees as  
5 allowed in ch. 885 of a person summoned shall be a charge on the municipality of the  
6 court issuing the summons when approved by the court. If any person summoned  
7 under this paragraph fails without reasonable cause to appear, he or she may be  
8 proceeded against for contempt of court under s. 785.06. If a summons cannot be  
9 served or if the person served fails to obey the summons or if it appears to the court  
10 that the service will be ineffectual, a *capias* may be issued for the juvenile and for the  
11 parent, guardian and legal custodian.

12 (cm) A city, village or town may adopt an ordinance or bylaw specifying which  
13 of the dispositions under ss. 938.343 and 938.344 and sanctions under s. 938.355 (6)  
14 (d) 2. or 4. the municipal court of that city, village or town is authorized to impose.  
15 The use by the court of those dispositions and sanctions is subject to any ordinance  
16 or bylaw adopted under this paragraph.

17 (d) If a municipal court finds that the juvenile violated a municipal ordinance  
18 other than an ordinance enacted under s. 118.163 or an ordinance that conforms to  
19 s. 125.07 (4) (a) or (b), 125.085 (3) (b), 125.09 (2), 161.573 (2), 161.574 (2) or 161.575  
20 (2), the court shall enter any of the dispositional orders permitted under s. 938.343  
21 that are authorized under par. (cm). If a juvenile fails to pay the forfeiture imposed  
22 by the municipal court, the court may not impose a jail sentence but may suspend  
23 any license issued under ch. 29 for not less than 30 days nor more than 5 years, or  
24 suspend the juvenile's operating privilege, as defined in s. 340.01 (40), for not less  
25 than 30 days nor more than 5 years. If a court suspends a license or privilege under

1 this section, the court shall immediately take possession of the applicable license and  
2 forward it to the department that issued the license, together with the notice of  
3 suspension clearly stating that the suspension is for failure to pay a forfeiture  
4 imposed by the court. If the forfeiture is paid during the period of suspension, the  
5 court shall immediately notify the department, which shall thereupon return the  
6 license to the person.

7 (e) If a municipal court finds that a juvenile violated a municipal ordinance that  
8 conforms to s. 125.07 (4) (a) or (b), 125.085 (3) (b), 125.09 (2), 161.573 (2), 161.574 (2)  
9 or 161.575 (2), the court shall enter a dispositional order under s. 938.344 that is  
10 authorized under par. (cm).

11 (f) If the act the juvenile committed resulted in personal injury or damage to  
12 or loss of the property of another, the municipal court shall, to the extent possible,  
13 provide each known victim of the act with the information contained in the notice  
14 required under s. 938.346.

15 (g) If a municipal court finds that a juvenile violated a municipal ordinance  
16 enacted under s. 118.163 (2), it shall enter a dispositional order under s. 938.342 (1)  
17 that is consistent with the municipal ordinance.

18 (h) 1. If a juvenile who has violated a municipal ordinance violates a condition  
19 of his or her dispositional order, the municipal court may impose on the juvenile any  
20 of the sanctions specified in s. 938.355 (6) (d) 2. or 4. that are authorized under par.  
21 (cm) or may petition the court assigned to exercise jurisdiction under this chapter  
22 and ch. 48 to impose on the juvenile the sanctions specified in s. 938.355 (6) (d) 1. or  
23 3. that are authorized under par. (cm) if at the time of judgment the court explained  
24 the conditions to the juvenile and informed the juvenile of the possible sanctions  
25 under s. 938.355 (6) (d) that are authorized under par. (cm) for a violation or if before

1 the violation the juvenile has acknowledged in writing that he or she has read, or has  
2 had read to him or her, those conditions and possible sanctions and that he or she  
3 understands those conditions and possible sanctions.

4 2. A motion requesting the municipal court to impose or petition for a sanction  
5 may be brought by the person or agency primarily responsible for the provision of  
6 dispositional services, the municipal attorney or the court that entered the  
7 dispositional order. Notice of the motion shall be given to the juvenile and the  
8 juvenile's parent, guardian or legal custodian.

9 3. Before imposing any sanction, the court shall hold a hearing, at which the  
10 juvenile may present evidence.

11 **(3) SAFETY AT SPORTING EVENTS.** Notwithstanding sub. (2), courts of criminal or  
12 civil jurisdiction have exclusive jurisdiction in proceedings against juveniles under  
13 s. 167.32 or under a local ordinance strictly conforming to s. 167.32. A juvenile  
14 convicted of a violation under s. 167.32 or under a local ordinance strictly conforming  
15 to s. 167.32 shall be treated as an adult for sentencing purposes.

16 **938.18 Jurisdiction for criminal proceedings for juveniles 14 or older;**  
17 **waiver hearing.** **(1)** (a) Subject to s. 938.183, a juvenile or district attorney may  
18 apply to the court to waive its jurisdiction under this chapter in any of the following  
19 situations:

20 1. If the juvenile is alleged to have violated s. 161.41 (1), 940.03, 940.06, 940.225  
21 (1) or (2), 940.305, 940.31, 943.10 (2) or 943.32 (2) on or after the juvenile's 14th  
22 birthday.

23 2. If the juvenile is alleged to have committed, on or after the juvenile's 14th  
24 birthday, a violation, at the request of or for the benefit of a criminal gang, as defined

1 in s. 939.22 (9), that would constitute a felony under ch. 161 or under chs. 939 to 948  
2 if committed by an adult.

3 3. If the juvenile is alleged to have violated any state criminal law on or after  
4 the juvenile's 15th birthday.

5 (b) The judge may also initiate a petition for waiver in any of the situations  
6 described in par. (a) if the judge disqualifies himself or herself from any future  
7 proceedings on the case.

8 **(2)** The waiver hearing shall be brought on by filing a petition alleging  
9 delinquency drafted under s. 938.255 and a petition for waiver of jurisdiction which  
10 shall contain a brief statement of the facts supporting the request for waiver. The  
11 petition for waiver of jurisdiction shall be filed prior to the plea hearing, except that  
12 if the juvenile denies the facts of the petition and becomes 17 years of age before an  
13 adjudication, the petition for waiver of jurisdiction may be filed at any time prior to  
14 the adjudication.

15 **(2r)** If it appears that the juvenile may be suitable for participation in the  
16 serious juvenile offender program under s. 938.538 or the adult intensive sanctions  
17 program under s. 301.048, the judge shall order the department to submit a written  
18 report analyzing the juvenile's suitability for participation in those programs and  
19 recommending whether the juvenile should be placed in either of those programs.

20 **(3)** (a) The juvenile shall be represented by counsel at the waiver hearing.  
21 Written notice of the time, place and purpose of the hearing shall be given to the  
22 juvenile, any parent, guardian or legal custodian, and counsel at least 3 days prior  
23 to the hearing. The notice shall contain a statement of the requirements of s. 938.29  
24 (2) with regard to substitution of the judge. Where parents entitled to notice have  
25 the same address, notice to one constitutes notice to the other. Counsel for the

1 juvenile shall have access to the social records and other reports consistent with s.  
2 938.293.

3 (b) The juvenile has the right to present testimony on his or her own behalf  
4 including expert testimony and has the right to cross-examine witnesses at the  
5 hearing.

6 (c) The juvenile does not have the right to a jury at a hearing under this section.

7 **(4)** (a) The court shall determine whether the matter has prosecutive merit  
8 before proceeding to determine if it should waive jurisdiction.

9 (b) If a petition for waiver of jurisdiction is contested, the court, after taking  
10 relevant testimony which the district attorney shall present and considering other  
11 relevant evidence, shall base its decision whether to waive jurisdiction on the criteria  
12 specified in sub. (5).

13 (c) If a petition for waiver of jurisdiction is uncontested, the court shall inquire  
14 into the capacity of the juvenile to knowingly, intelligently and voluntarily decide not  
15 to contest the waiver of jurisdiction. If the court is satisfied that the decision not to  
16 contest the waiver of jurisdiction is knowingly, intelligently and voluntarily made,  
17 no testimony need be taken and the court, after considering the petition for waiver  
18 of jurisdiction and other relevant evidence in the record before the court, shall base  
19 its decision whether to waive jurisdiction on the criteria specified in sub. (5).

20 **(5)** If prosecutive merit is found, the court shall base its decision whether to  
21 waive jurisdiction on the following criteria:

22 (a) The personality and prior record of the juvenile, including whether the  
23 juvenile is mentally ill or developmentally disabled, whether the court has  
24 previously waived its jurisdiction over the juvenile, whether the juvenile has been  
25 previously convicted following a waiver of the court's jurisdiction or has been

1 previously found delinquent, whether such conviction or delinquency involved the  
2 infliction of serious bodily injury, the juvenile's motives and attitudes, the juvenile's  
3 physical and mental maturity, the juvenile's pattern of living, prior offenses, prior  
4 treatment history and apparent potential for responding to future treatment.

5 (b) The type and seriousness of the offense, including whether it was against  
6 persons or property, the extent to which it was committed in a violent, aggressive,  
7 premeditated or wilful manner, and its prosecutive merit.

8 (c) The adequacy and suitability of facilities, services and procedures available  
9 for treatment of the juvenile and protection of the public within the juvenile justice  
10 system, and, where applicable, the mental health system and the suitability of the  
11 juvenile for placement in the serious juvenile offender program under s. 938.538 or  
12 the adult intensive sanctions program under s. 301.048.

13 (d) The desirability of trial and disposition of the entire offense in one court if  
14 the juvenile was allegedly associated in the offense with persons who will be charged  
15 with a crime in circuit court.

16 **(6)** After considering the criteria under sub. (5), the court shall state its finding  
17 with respect to the criteria on the record, and, if the court determines on the record  
18 that it is established by clear and convincing evidence that it would be contrary to  
19 the best interests of the juvenile or of the public to hear the case, the court shall enter  
20 an order waiving jurisdiction and referring the matter to the district attorney for  
21 appropriate proceedings in the court of criminal jurisdiction, and the court of  
22 criminal jurisdiction thereafter has exclusive jurisdiction.

23 **(7)** If the juvenile absconds and does not appear at the waiver hearing, the court  
24 may proceed with the waiver hearing as provided in subs. (4) to (6) in the juvenile's

1 absence. If the waiver is granted, the juvenile may contest that waiver when the  
2 juvenile is apprehended.

3 (8) When waiver is granted, the juvenile, if held in secure custody, shall be  
4 transferred to an appropriate officer or adult facility and shall be eligible for bail in  
5 accordance with chs. 968 and 969.

6 (9) If waiver is granted, sub. (1) does not restrict the authority of the district  
7 attorney to charge the offense he or she deems is appropriate and does not restrict  
8 the authority of any court or jury to convict the juvenile in regard to any offense.

9 **938.183 Original adult court jurisdiction for criminal proceedings. (1)**  
10 Notwithstanding ss. 938.12 (1) and 938.18, courts of criminal jurisdiction have  
11 exclusive original jurisdiction over all of the following:

12 (a) A juvenile who has been adjudicated delinquent and who is alleged to have  
13 violated s. 940.20 (1) or 946.43 while placed in a secured correctional facility, a secure  
14 detention facility, a secured child caring institution or a secured adolescent  
15 treatment unit under s. 46.043 or who has been adjudicated delinquent and has  
16 committed a violation of s. 940.20 (2m).

17 (am) A juvenile who is alleged to have attempted or committed a violation of  
18 s. 940.01 or to have committed a violation of s. 940.02 or 940.05 on or after the  
19 juvenile's 10th birthday, but before the juvenile's 15th birthday.

20 (b) A juvenile who is alleged to have violated any state criminal law if the  
21 juvenile has been convicted of a previous violation following waiver of jurisdiction  
22 under s. 938.18 by the court assigned to exercise jurisdiction under this chapter and  
23 ch. 48 or if the court assigned to exercise jurisdiction under this chapter and ch. 48  
24 has waived its jurisdiction over the juvenile for a previous violation and criminal  
25 proceedings on that previous violation are still pending.

1 (c) A juvenile who is alleged to have violated any state criminal law if the  
2 juvenile has been convicted of a previous violation over which the court of criminal  
3 jurisdiction had original jurisdiction under this section or if proceedings on a  
4 previous violation over which the court of criminal jurisdiction has original  
5 jurisdiction under this section are still pending.

6 **(1m)** Notwithstanding subchs. IV to VI, a juvenile described in sub. (1) is  
7 subject to the procedures specified in chs. 967 to 979 and the criminal penalties  
8 provided for the crime that the juvenile is alleged to have committed, unless a court  
9 of criminal jurisdiction transfers jurisdiction under s. 970.032 to a court assigned to  
10 exercise jurisdiction under this chapter and ch. 48.

11 **(2)** (a) Notwithstanding ss. 938.12 (1) and 938.18, courts of criminal  
12 jurisdiction have exclusive original jurisdiction over a juvenile who is alleged to have  
13 attempted or committed a violation of s. 940.01 or to have committed a violation of  
14 s. 940.02 or 940.05 on or after the juvenile's 15th birthday. Notwithstanding subchs.  
15 IV to VI, a juvenile who is alleged to have attempted or committed a violation of s.  
16 940.01 or to have committed a violation of s. 940.02 or 940.05 on or after the juvenile's  
17 15th birthday is subject to the procedures specified in chs. 967 to 979 and the  
18 criminal penalties provided for the crime that the juvenile is alleged to have  
19 committed, except that the court of criminal jurisdiction shall impose a disposition  
20 specified in s. 938.34 if any of the following conditions applies:

21 1. The court of criminal jurisdiction convicts the juvenile of a lesser offense that  
22 is not an offense for which the court assigned to exercise jurisdiction under this  
23 chapter and ch. 48 may waive its jurisdiction over the juvenile under s. 938.18.

24 2. The court of criminal jurisdiction convicts the juvenile of a lesser offense that  
25 is an offense for which the court assigned to exercise jurisdiction under this chapter

1 and ch. 48 may waive its jurisdiction over the juvenile under s. 938.18 and the court  
2 of criminal jurisdiction, after considering the criteria specified in s. 938.18 (5),  
3 determines by clear and convincing evidence that it would be in the best interests of  
4 the juvenile and of the public to impose a disposition specified in s. 938.34.

5 (b) When a juvenile who is subject to a criminal penalty under par. (a) attains  
6 the age of 17 years, the department may place the juvenile in a state prison named  
7 in s. 302.01. A juvenile who is subject to a criminal penalty under par. (a) is eligible  
8 for parole under s. 304.06.

9 (c) If the juvenile is placed outside the juvenile's home under this subsection,  
10 the order shall contain, a designation of the amount of support, if any, to be paid by  
11 the juvenile's parent, guardian or trustee, specifying that the support obligation  
12 begins on the date of the placement, or a referral to the county designee under s. 59.07  
13 (97) for establishment of child support.

14 **938.185 Venue.** (1) Subject to sub. (3), venue for any proceeding under ss.  
15 938.12, 938.125, 938.13, 938.135 and 938.18 may be in any of the following:

16 (a) The county where the juvenile resides.

17 (b) The county where the juvenile is present.

18 (c) In the case of a violation of a state law, the county where the violation  
19 occurred, except that in that case the court of the county where the violation occurred  
20 may, after the juvenile is adjudged delinquent, transfer the proceeding to the county  
21 where the juvenile resides for disposition, if the court of the county of residence  
22 agrees to that transfer and the transferring court agrees to that disposition.

12 to inflict such physical harm unless committed, or is incapacitated by alcohol, the  
13 person taking the juvenile into physical custody, the intake worker or other  
14 appropriate person shall proceed under s. 51.45 (11).

14 parent, guardian and legal custodian of the reasons for holding the juvenile in  
15 custody and of the juvenile's whereabouts unless there is reason to believe that notice  
16 would present imminent danger to the juvenile. If a juvenile who has violated the  
17 terms of aftercare supervision administered by the department or a county  
18 department is held in custody, the intake worker shall also notify the department or  
19 county department, whichever has supervision over the juvenile, of the reasons for

1 (e) If the parent, guardian or legal custodian or the juvenile is not represented  
2 by counsel at the hearing and the juvenile is continued in custody as a result of the  
3 hearing, the parent, guardian, legal custodian or juvenile may request through  
4 counsel subsequently appointed or retained or through a guardian ad litem that the  
5 order to hold the juvenile in custody be reheard. If the request is made, a rehearing  
6 shall take place as soon as may be possible. Any order to hold the juvenile in custody  
7 shall be subject to rehearing for good cause, whether or not counsel was present.

8 **(3m) PARENTAL NOTICE REQUIRED.** If the juvenile has been taken into custody  
9 because he or she committed an act which resulted in personal injury or damage to  
10 or loss of the property of another, the court, prior to the commencement of any  
11 hearing under this section, shall attempt to notify the juvenile's parents of the  
12 possibility of disclosure of the identity of the juvenile and the parents, of the  
13 juvenile's police records and of the outcome of proceedings against the juvenile for  
14 use in civil actions for damages against the juvenile or the parents and of the parents'  
15 potential liability for acts of their juveniles. If the court is unable to provide the  
16 notice before commencement of the hearing, it shall provide the juvenile's parents  
17 with the specified information in writing as soon as possible after the hearing.

18 **(4) CONTINUATION OF CUSTODY.** If the judge or juvenile court commissioner finds  
19 that the juvenile should be continued in custody under the criteria of s. 938.205, he  
20 or she shall enter one of the following orders:

21 (a) Place the juvenile with a parent, guardian, legal custodian or other  
22 responsible person and may impose reasonable restrictions on the juvenile's travel,  
23 association with other persons or places of abode during the period of placement,  
24 including a condition requiring the juvenile to return to other custody as requested;  
25 or subject the juvenile to the supervision of an agency agreeing to supervise the

1 juvenile. Reasonable restrictions may be placed upon the conduct of the parent,  
2 guardian, legal custodian or other responsible person which may be necessary to  
3 ensure the safety of the juvenile.

4 (b) Order the juvenile held in an appropriate manner under s. 938.207, 938.208  
5 or 938.209.

6 **(4m) ELECTRONIC MONITORING.** The judge or juvenile court commissioner may  
7 include in an order under sub. (4) (a) or (b) a condition that the juvenile be monitored  
8 by an electronic monitoring system.

9 **(5) ORDERS IN WRITING.** (a) All orders to hold in custody shall be in writing,  
10 listing the reasons and criteria forming the basis for the decision.

11 (b) An order relating to a juvenile held in custody outside of his or her home  
12 shall also describe any efforts that were made to permit the juvenile to remain at  
13 home and the services that are needed to ensure the juvenile's well-being, to enable  
14 the juvenile to return to his or her home and to involve the parents in planning for  
15 the juvenile.

16 **(6) AMENDMENT OF ORDER.** An order placing a juvenile under sub. (4) (a) on  
17 conditions specified in this section may at any time be amended, with notice, so as  
18 to return the juvenile to another form of custody for failure to conform to the  
19 conditions originally imposed. A juvenile may be transferred to secure custody if he  
20 or she meets the criteria of s. 938.208.

21 **(7) DEFERRED PROSECUTION.** If the judge or juvenile court commissioner  
22 determines that the best interests of the juvenile and the public are served, he or she  
23 may enter a consent decree under s. 938.32 or order the petition dismissed and refer  
24 the matter to the intake worker for deferred prosecution in accordance with s.  
25 938.245.

1           **938.22 Establishment of secure detention facilities and shelter care**  
2 **facilities. (1)** (a) The county board of supervisors may establish a secure detention  
3 facility or a shelter care facility or both or the county boards of supervisors for 2 or  
4 more counties may jointly establish a secure detention facility or a shelter care  
5 facility or both in accordance with ss. 46.16, 46.20 and 301.36.

6           (b) Subject to sub. (3) (ar), in counties having a population of less than 500,000,  
7 the policies of the secure detention facility or shelter care facility shall be determined  
8 by the judge of the court assigned to exercise jurisdiction under this chapter and ch.  
9 48 with the approval of the chief judge of the judicial administrative district or, in the  
10 case of a secure detention facility or shelter care facility established by 2 or more  
11 counties, by a committee of the judges of the courts in the participating counties  
12 assigned to exercise jurisdiction under this chapter and ch. 48 with the approval of  
13 the chief judge of the judicial administrative district.

14           (c) In counties having a population of 500,000 or more, the nonjudicial  
15 operational policies of the secure detention facility and the detention section of the  
16 juvenile delinquency court center shall be established by the county board of  
17 supervisors, and the execution thereof shall be the responsibility of the director of  
18 the children's court center.

19           **(2)** (a) Counties shall submit plans for the secure detention facility or juvenile  
20 portion of the county jail to the department of corrections and submit plans for the  
21 shelter care facility to the department of health and social services. The applicable  
22 department shall review the submitted plans. The counties may not implement any  
23 such plan unless the applicable department has approved the plan. The department  
24 of corrections shall promulgate rules establishing minimum requirements for the  
25 approval of the operation of secure detention facilities and the juvenile portion of

1 county jails. The plans and rules shall be designed to protect the health, safety and  
2 welfare of the juveniles in these facilities.

3 (b) If the department approves, a secure detention facility or a holdover room  
4 may be a part of a public building in which there is a jail or other facility for the  
5 detention of adults if the secure detention facility or holdover room is so physically  
6 segregated from the jail or other facility that the secure detention facility or holdover  
7 room may be entered without passing through areas where adults are confined and  
8 that juveniles detained in the secure detention facility or holdover room cannot  
9 communicate with or view adults confined therein.

10 (c) A shelter care facility shall be used for the temporary care of juveniles. A  
11 shelter care facility, other than a holdover room, may not be in the same building as  
12 a facility for the detention of adults.

13 **(3)** (a) In counties having a population of less than 500,000, public secure  
14 detention facilities and public shelter care facilities shall be in the charge of a  
15 superintendent. The judge of the court assigned to exercise jurisdiction under this  
16 chapter and ch. 48 with the approval of the chief judge of the judicial administrative  
17 district or, where 2 or more counties operate joint public secure detention facilities  
18 or public shelter care facilities, the committee of judges of the courts assigned to  
19 exercise jurisdiction under this chapter and ch. 48 with the approval of the chief  
20 judge of the judicial administrative district shall appoint the superintendent and  
21 other necessary personnel for the care and education of the juveniles in secure  
22 detention or shelter care facilities, subject to par. (am) and to civil service regulations  
23 in counties having civil service.

24 (am) If a secure detention facility or holdover room is part of a public building  
25 in which there is a jail or other facility for the detention of adults, the sheriff or other

1 keeper of the jail or other facility for the detention of adults may nominate persons  
2 to be considered under par. (a) for the position of superintendent of the secure  
3 detention facility or holdover room. Nominees under this paragraph shall have  
4 demonstrated administrative abilities and a demonstrated interest in the problems  
5 of juvenile justice and the welfare of juveniles.

6 (ar) Notwithstanding sub. (1) (b), if a secure detention facility or holdover room  
7 is part of a public building in which there is a jail or other facility for the detention  
8 of adults, the sheriff or other keeper of the jail or other facility for the detention of  
9 adults shall determine the policies of that secure detention facility or holdover room  
10 relating to security and emergency response and shall determine the procedures for  
11 implementing those policies.

12 (b) In counties having a population of 500,000 or more, the director of the  
13 children's court center shall be in charge of and responsible for public secure  
14 detention facilities, the secure detention section of the center and the personnel  
15 assigned to this section, including a detention supervisor or superintendent. The  
16 director of the children's court center may also serve as superintendent of detention  
17 if the county board of supervisors so determines.

18 (c) All superintendents appointed under par. (a) or (b) after May 1, 1992, shall,  
19 within one year after that appointment, successfully complete an administrative  
20 training program approved or provided by the department of justice.

21 (5) A county board of supervisors, or 2 or more county boards of supervisors  
22 jointly, may contract with privately operated shelter care facilities or home detention  
23 programs for purchase of services. A county board of supervisors may delegate this  
24 authority to its county department.

1           (7) (a) No person may establish a shelter care facility without first obtaining  
2 a license under s. 48.66 (1). To obtain a license under s. 48.66 (1) to operate a shelter  
3 care facility, a person must meet the minimum requirements for a license established  
4 by the department of health and social services under s. 48.67 and pay the license  
5 fee under par. (b). A license issued under s. 48.66 (1) to operate a shelter care facility  
6 is valid for 2 years after the date of issuance, unless sooner revoked or suspended.

7           (b) Before the department of health and social services may issue a license  
8 under s. 48.66 (1) to operate a shelter care facility, the shelter care facility must pay  
9 to that department a biennial fee of \$50, plus a biennial fee of \$15 per juvenile, based  
10 on the number of juveniles that the shelter care facility is licensed to serve. A shelter  
11 care facility that wishes to renew a license issued under s. 48.66 (1) shall pay the fee  
12 under this paragraph by the renewal date of the license. A new shelter care facility  
13 shall pay the fee under this paragraph by no later than 30 days before the opening  
14 of the shelter care facility.

15           (c) A shelter care facility that wishes to renew a license issued under s. 48.66  
16 (1) and that fails to pay the fee under par. (b) by the renewal date of the license or  
17 a new shelter care facility that fails to pay the fee under par. (b) by 30 days before  
18 the opening of the shelter care facility shall pay an additional fee of \$5 per day for  
19 every day after the deadline that the facility fails to pay the fee.

20           **938.225 Statewide plan for secure detention facilities.** The department  
21 shall assist counties in establishing secure detention facilities under s. 938.22 by  
22 developing and promulgating a statewide plan for the establishment and  
23 maintenance of suitable secure detention facilities reasonably accessible to each  
24 court.

1           **938.23 Right to counsel. (1) RIGHT OF JUVENILES TO LEGAL REPRESENTATION.**

2           Juveniles subject to proceedings under this chapter shall be afforded legal  
3           representation as follows:

4           (a) Any juvenile alleged to be delinquent under s. 938.12 or held in a secure  
5           detention facility shall be represented by counsel at all stages of the proceedings, but  
6           a juvenile 15 years of age or older may waive counsel if the court is satisfied that the  
7           waiver is knowingly and voluntarily made and the court accepts the waiver. If the  
8           waiver is accepted, the court may not place the juvenile in a secured correctional  
9           facility, transfer supervision of the juvenile to the department for participation in the  
10          serious juvenile offender program or transfer jurisdiction over the juvenile to adult  
11          court.

12          (am) A juvenile subject to a sanction under s. 938.355 (6) (a) shall be entitled  
13          to representation by counsel at the hearing under s. 938.355 (6) (c).

14          (ar) A juvenile subject to proceedings under s. 938.357 (3) or (5) shall be  
15          afforded legal representation as provided in those subsections.

16          (b) 1. If a juvenile is alleged to be in need of protection or services under s.  
17          938.13, the juvenile may be represented by counsel at the discretion of the court.  
18          Except as provided in subd. 2., a juvenile 15 years of age or older may waive counsel  
19          if the court is satisfied such waiver is knowingly and voluntarily made and the court  
20          accepts the waiver.

21          2. If the petition is contested, the court may not place the juvenile outside his  
22          or her home unless the juvenile is represented by counsel at the fact-finding hearing  
23          and subsequent proceedings. If the petition is not contested, the court may not place  
24          the juvenile outside his or her home unless the juvenile is represented by counsel at

1 the hearing at which the placement is made. For a juvenile under 12 years of age,  
2 the judge may appoint a guardian ad litem instead of counsel.

3 **(3) POWER OF THE COURT TO APPOINT COUNSEL.** Except in proceedings under s.  
4 938.13, at any time, upon request or on its own motion, the court may appoint counsel  
5 for the juvenile or any party, unless the juvenile or the party has or wishes to retain  
6 counsel of his or her own choosing. The court may not appoint counsel for any party  
7 other than the juvenile in a proceeding under s. 938.13.

8 **(4) PROVIDING COUNSEL.** In any situation under this section in which a person  
9 has a right to be represented by counsel or is provided counsel at the discretion of the  
10 court and counsel is not knowingly and voluntarily waived, the court shall refer the  
11 person to the state public defender and counsel shall be appointed by the state public  
12 defender under s. 977.08 without a determination of indigency. In any other  
13 situation under this section in which a person has a right to be represented by  
14 counsel or is provided counsel at the discretion of the court, competent and  
15 independent counsel shall be provided and reimbursed in any manner suitable to the  
16 court regardless of the person's ability to pay, except that the court may not order a  
17 person who files a petition under s. 813.122 or 813.125 to reimburse counsel for the  
18 juvenile who is named as the respondent in that petition.

19 **(5) COUNSEL OF OWN CHOOSING.** Regardless of any provision of this section, any  
20 party is entitled to retain counsel of his or her own choosing at his or her own expense  
21 in any proceeding under this chapter.

22 **(6) DEFINITION.** For the purposes of this section, "counsel" means an attorney  
23 acting as adversary counsel who shall advance and protect the legal rights of the  
24 party represented, and who may not act as guardian ad litem for any party in the  
25 same proceeding.

1           **938.235 Guardian ad litem. (1) APPOINTMENT.** (a) The court may appoint  
2 a guardian ad litem in any appropriate matter under this chapter.

3           (e) The court shall appoint a guardian ad litem, or extend the appointment of  
4 a guardian ad litem previously appointed under par. (a), for any juvenile alleged or  
5 found to be in need of protection or services, if the court has ordered, or if a request  
6 or recommendation has been made that the court order, the juvenile to be placed out  
7 of his or her home under s. 938.345 or 938.357.

8           **(2) QUALIFICATIONS.** The guardian ad litem shall be an attorney admitted to  
9 practice in this state. No person who is an interested party in a proceeding, who  
10 appears as counsel in a proceeding on behalf of any party or who is a relative or  
11 representative of an interested party may be appointed guardian ad litem in that  
12 proceeding.

13           **(3) RESPONSIBILITIES.** The guardian ad litem shall be an advocate for the best  
14 interests of the person for whom the appointment is made. The guardian ad litem  
15 shall function independently, in the same manner as an attorney for a party to the  
16 action, and shall consider, but shall not be bound by, the wishes of such person or the  
17 positions of others as to the best interests of such person. If the guardian ad litem  
18 determines that the best interests of the person are substantially inconsistent with  
19 the wishes of such person, the guardian ad litem shall so inform the court and the  
20 court may appoint counsel to represent that person. The guardian ad litem has none  
21 of the rights or duties of a general guardian.

22           **(4) MATTERS INVOLVING JUVENILE IN NEED OF PROTECTION OR SERVICES.** (a) In any  
23 matter involving a juvenile found to be in need of protection or services, the guardian  
24 ad litem may, if reappointed or if the appointment is continued under sub. (7), do any  
25 of the following:

1           1. Participate in permanency planning under ss. 48.43 (5) and 938.38.

2           2. Petition for a change in placement under s. 938.357.

3           3. Petition for termination of parental rights or any other matter specified  
4 under s. 48.14 or 938.14.

5           4. Petition for revision of dispositional orders under s. 938.363.

6           5. Petition for extension of dispositional orders under s. 938.365.

7           6. Petition for a temporary restraining order and injunction under s. 813.122  
8 or 813.125.

9           7. Petition for relief from a judgment terminating parental rights under s.  
10 48.46.

11          8. Perform any other duties consistent with this chapter and ch. 48.

12          (b) The court shall order the agency identified under s. 938.355 (2) (b) 1. as  
13 primarily responsible for the provision of services to notify the guardian ad litem, if  
14 any, regarding actions to be taken under par. (a).

15          **(7) TERMINATION AND EXTENSION OF APPOINTMENT.** The appointment of a  
16 guardian ad litem under sub. (1) terminates upon the entry of the court's final order  
17 or upon the termination of any appeal in which the guardian ad litem participates.  
18 The guardian ad litem may appeal, may participate in an appeal or may do neither.  
19 If an appeal is taken by any party and the guardian ad litem chooses not to  
20 participate in that appeal, he or she shall file with the appellate court a statement  
21 of reasons for not participating. Irrespective of the guardian ad litem's decision not  
22 to participate in an appeal, the appellate court may order the guardian ad litem to  
23 participate in the appeal. At any time, the guardian ad litem, any party or the person  
24 for whom the appointment is made may request in writing or on the record that the  
25 court extend or terminate the appointment or reappointment. The court may extend

1 that appointment, or reappoint a guardian ad litem appointed under this section,  
2 after the entry of the final order or after the termination of the appeal, but the court  
3 shall specifically state the scope of the responsibilities of the guardian ad litem  
4 during the period of that extension or reappointment.

5 (8) COMPENSATION. On order of the court, the guardian ad litem appointed  
6 under this chapter shall be allowed reasonable compensation to be paid by the county  
7 of venue. If the court orders a county to pay the compensation of the guardian ad  
8 litem, the amount ordered may not exceed the compensation paid to private  
9 attorneys under s. 977.08 (4m) (b).

10 **938.237 Civil law and ordinance proceedings initiated by citation in**  
11 **the court assigned to exercise jurisdiction under this chapter and ch. 48.**

12 (1) The citation forms under s. 23.54, 66.119, 778.25, 778.26 or 800.02 may be used  
13 to commence an action for a violation of civil laws and ordinances in the court.

14 (2) The procedures for issuance and filing of a citation, and for forfeitures,  
15 stipulations and deposits in ss. 23.50 to 23.67, 23.75 (3) and (4), 66.119, 778.25,  
16 778.26 and 800.01 to 800.04 except s. 800.04 (2) (b), when the citation is issued by  
17 a law enforcement officer, shall be used as appropriate, except that this chapter shall  
18 govern taking and holding a juvenile in custody, s. 938.37 shall govern costs, penalty  
19 assessments and jail assessments, and a *capias* shall be substituted for an arrest  
20 warrant. Sections 66.119 (3) (c) and (d), 66.12 (1) and 778.10 as they relate to  
21 collection of forfeitures do not apply.

22 (3) If a juvenile to whom a citation has been issued does not submit a deposit  
23 or a stipulation and deposit, the juvenile shall appear in the court for a plea hearing  
24 under s. 938.30 at the date, time and place for the court appearance specified on the  
25 citation. If the juvenile does not submit a stipulation and deposit or if the court

1 refuses to accept a deposit unaccompanied by a stipulation, the juvenile may be  
2 summoned to appear and the procedures that govern petitions for civil law or  
3 ordinance violations under s. 938.125 shall govern all proceedings initiated by a  
4 citation, except that the citation shall not be referred to the court intake worker for  
5 an intake inquiry. If the court finds that a juvenile violated a municipal ordinance  
6 or a civil law punishable by a forfeiture under this section, the court shall enter a  
7 dispositional order under s. 938.344, if applicable, or if s. 938.344 does not apply, the  
8 court may enter any of the dispositional orders under s. 938.343.

#### 9 SUBCHAPTER V

#### 10 PROCEDURE

11 **938.24 Receipt of jurisdictional information; intake inquiry.** (1) Except  
12 when a citation has been issued under s. 938.17 (2), information indicating that a  
13 juvenile should be referred to the court as delinquent, in need of protection or  
14 services or in violation of a civil law or a county, town or municipal ordinance shall  
15 be referred to the intake worker, who shall conduct an intake inquiry on behalf of the  
16 court to determine whether the available facts establish prima facie jurisdiction and  
17 to determine the best interests of the juvenile and of the public with regard to any  
18 action to be taken.

19 (1m) As part of the intake inquiry, the intake worker shall inform the juvenile  
20 and the juvenile's parent, guardian and legal custodian that they may request  
21 counseling from a person designated by the court to provide dispositional services  
22 under s. 938.069.

23 (2) (a) As part of the intake inquiry the intake worker may conduct  
24 multidisciplinary screens and intake conferences with notice to the juvenile, parent,  
25 guardian and legal custodian. If sub. (2m) applies, the intake worker shall conduct

1 a multidisciplinary screen under s. 938.547 if the juvenile has not refused to  
2 participate under par. (b).

3 (b) No juvenile or other person may be compelled to appear at any conference,  
4 participate in a multidisciplinary screen, produce any papers or visit any place by an  
5 intake worker.

6 **(2m)** (a) In counties that have a pilot program under s. 938.547, a  
7 multidisciplinary screen shall be conducted for:

8 1. Any juvenile alleged to have committed a violation specified under ch. 161.

9 2. Any juvenile alleged to be delinquent or in need of protection and services  
10 who has at least 2 prior adjudications for a violation of s. 125.07 (4) (a) or (b), 125.085  
11 (3) (b) or 125.09 (2) or a local ordinance that strictly conforms to any of those sections.

12 3. Any juvenile alleged to have committed any offense which appears to the  
13 intake worker to be directly motivated by the juvenile's need to purchase or otherwise  
14 obtain alcohol beverages or controlled substances.

15 4. Any juvenile 12 years of age or older who requests and consents to a  
16 multidisciplinary screen.

17 5. Any juvenile who consents to a multidisciplinary screen requested by his or  
18 her parents.

19 (b) The multidisciplinary screen may be conducted by an intake worker for any  
20 reason other than those specified in the criteria under par. (a).

21 **(3)** If the intake worker determines as a result of the intake inquiry that the  
22 juvenile should be referred to the court, the intake worker shall request that the  
23 district attorney, corporation counsel or other official specified in s. 938.09 file a  
24 petition.

1           (4) If the intake worker determines as a result of the intake inquiry that the  
2 case should be subject to a deferred prosecution agreement, or should be closed, the  
3 intake worker shall so proceed. If a petition has been filed, a deferred prosecution  
4 agreement may not be entered into or a case may not be closed unless the petition  
5 is withdrawn by the district attorney, corporation counsel or other official specified  
6 in s. 938.09, or is dismissed by the judge.

7           (5) The intake worker shall recommend that a petition be filed, enter into a  
8 deferred prosecution agreement or close the case within 40 days or sooner of receipt  
9 of referral information. If the case is closed or a deferred prosecution agreement is  
10 entered into, the district attorney, corporation counsel or other official under s.  
11 938.09 shall receive written notice of such action. In addition, if a deferred  
12 prosecution agreement is entered into placing a juvenile in a youth village program  
13 as described in s. 118.42, the judge or juvenile court commissioner shall receive  
14 written notice of such action and, on receipt of that notice, shall enter an order  
15 requiring compliance with that agreement. A notice of deferred prosecution of an  
16 alleged delinquency case shall include a summary of the facts surrounding the  
17 allegation and a list of prior intake referrals and dispositions. If a law enforcement  
18 officer has made a recommendation concerning the juvenile, the intake worker shall  
19 forward this recommendation to the district attorney under s. 938.09.  
20 Notwithstanding the requirements of this section, the district attorney may initiate  
21 a delinquency petition under s. 938.25 within 20 days after notice that the case has  
22 been closed or that a deferred prosecution agreement has been entered into. The  
23 judge shall grant appropriate relief as provided in s. 938.315 (3) with respect to any  
24 such petition which is not referred or filed within the time limits specified within this  
25 subsection.

1           **(6)** The intake worker shall perform his or her responsibilities under this  
2 section under general written policies which the judge shall promulgate under s.  
3 938.06 (1) or (2).

4           **(7)** If a citation is issued to a juvenile, the citation shall not be the subject of  
5 an intake inquiry or a review by an intake worker for the purpose of recommending  
6 deferred prosecution.

7           **938.243 Basic rights: duty of intake worker.** **(1)** Before conferring with  
8 the parent or juvenile during the intake inquiry, the intake worker shall personally  
9 inform a juvenile alleged to have committed a delinquent act, and parents and  
10 juveniles 10 years of age or over who are the focus of an inquiry regarding the need  
11 for protection or services under s. 938.13 (4), (6), (6m) or (7), of all of the following:

12           (ag) That the referral may result in a petition to the court.

13           (am) What allegations could be in the petition to the court.

14           (b) The nature and possible consequences of the proceedings including the  
15 provisions of ss. 938.17 and 938.18 if applicable.

16           (c) The right to remain silent and the fact that in a delinquency proceeding the  
17 silence of the juvenile shall not be adversely considered by the court although the  
18 silence of any party may be relevant in any nondelinquency proceeding.

19           (d) The right to confront and cross-examine those appearing against them.

20           (e) The right of the juvenile to counsel under s. 938.23.

21           (f) The right to present and subpoena witnesses.

22           (h) The right to have the allegations of the petition proved by clear and  
23 convincing evidence unless the juvenile comes within the court's jurisdiction under  
24 s. 938.12 or 938.13 (12), in which case the standard of proof shall be beyond a  
25 reasonable doubt.

1           **(1m)** If the juvenile who is the subject of the intake inquiry is alleged to have  
2 committed an act which resulted in personal injury or damage to or loss of the  
3 property of another, the intake worker shall inform the juvenile’s parents in writing  
4 of the possibility of disclosure of the identity of the juvenile and the parents, of the  
5 juvenile’s police records and of the outcome of proceedings against the juvenile for  
6 use in civil actions for damages against the juvenile or the parents and of the parents’  
7 potential liability for acts of their juveniles.

8           **(2)** This section does not apply if the juvenile was present at a hearing under  
9 s. 938.21.

10           **(3)** If the juvenile has not had a hearing under s. 938.21 and was not present  
11 at an intake conference under s. 938.24, the intake worker shall inform the juvenile,  
12 parent, guardian and legal custodian as appropriate of their basic rights under this  
13 section. This notice shall be given verbally, either in person or by telephone, and in  
14 writing. This notice shall be given so as to allow the juvenile, parent, guardian or  
15 legal custodian sufficient time to prepare for the plea hearing. This subsection does  
16 not apply to cases of deferred prosecution under s. 938.245.

17           **938.245 Deferred prosecution. (1)** The intake worker may enter into a  
18 written deferred prosecution agreement with all parties as provided in this section  
19 if the intake worker has determined that neither the interests of the juvenile nor of  
20 the public require filing of a petition for circumstances relating to s. 938.12, 938.125,  
21 938.13 or 938.14. Deferred prosecution shall be available only if the facts persuade  
22 the intake worker that the jurisdiction of the court, if sought, would exist and upon  
23 consent of the juvenile, parent, guardian and legal custodian.

24           **(2) (a)** A deferred prosecution agreement may provide for any one or more of  
25 the following:

1           1. That the juvenile and the juvenile's parent, guardian or legal custodian  
2 participate in individual, family or group counseling and that the parent, guardian  
3 or legal custodian participate in parenting skills training.

4           2. That the juvenile and a parent, guardian and legal custodian abide by such  
5 obligations, including supervision, curfews and school attendance requirements, as  
6 will tend to ensure the juvenile's rehabilitation, protection or care.

7           3. That the juvenile submit to an alcohol and other drug abuse assessment that  
8 conforms to the criteria specified under s. 938.547 (4) and that is conducted by an  
9 approved treatment facility for an examination of the juvenile's use of alcohol  
10 beverages or controlled substances and any medical, personal, family or social effects  
11 caused by its use, if the multidisciplinary screen conducted under s. 938.24 (2) shows  
12 that the juvenile is at risk of having needs and problems related to the use of alcohol  
13 beverages or controlled substances and its medical, personal, family or social effects.

14           4. That the juvenile participate in an alcohol and other drug abuse outpatient  
15 treatment program, a court-approved pupil assistance program provided by the  
16 juvenile's school board or a court-approved alcohol or other drug abuse education  
17 program, if an alcohol and other drug abuse assessment conducted under subd. 3.  
18 recommends outpatient treatment, intervention or education. The juvenile's  
19 participation in a court-approved pupil assistance program under this subdivision  
20 is subject to the approval of the juvenile's school board.

21           5. a. That the juvenile participate in a restitution project if the act for which  
22 the deferred prosecution agreement is being entered into has resulted in damage to  
23 the property of another, or in actual physical injury to another excluding pain and  
24 suffering. Subject to subd. 5. c., the deferred prosecution agreement may require the  
25 juvenile to repair the damage to property or to make reasonable restitution for the

1 damage or injury if the intake worker, after taking into consideration the well-being  
2 and needs of the victim, considers it beneficial to the well-being and behavior of the  
3 juvenile. Any such deferred prosecution agreement shall include a determination  
4 that the juvenile alone is financially able to pay and may allow up to the date of the  
5 expiration of the deferred prosecution agreement for the payment.

6 b. In addition to any other employment or duties permitted under ch. 103 or  
7 any rule or order under ch. 103, a juvenile who is under 14 years of age who is  
8 participating in a restitution project provided by the county may, for the purpose of  
9 making restitution, be employed or perform any duties under any circumstances in  
10 which a juvenile 14 or 15 years of age is permitted to be employed or to perform duties  
11 under ch. 103 or any rule or order under ch. 103.

12 c. Under this subdivision, a deferred prosecution agreement may not require  
13 a juvenile who is under 14 years of age to make more than \$250 in restitution.

14 6. That the juvenile participate in a supervised work program or other  
15 community service work in accordance with s. 938.34 (5g).

16 7. That the juvenile be placed with a volunteers in probation program under  
17 such conditions as the intake worker determines are reasonable and appropriate, if  
18 the juvenile is alleged to have committed an act that would constitute a misdemeanor  
19 if committed by an adult, if the chief judge of the judicial administrative district has  
20 approved under s. 973.11 (2) a volunteers in probation program established in the  
21 juvenile's county of residence and if the intake worker determines that volunteer  
22 supervision under that volunteers in probation program will likely benefit the  
23 juvenile and the community. The conditions that the intake worker may establish  
24 under this subdivision may include, but need not be limited to, a request to a  
25 volunteer to provide for the juvenile a role model, informal counseling, general

1 monitoring and monitoring of the conditions established by the intake worker, or any  
2 combination of these functions, and any other deferred prosecution condition that  
3 the intake worker may establish under this paragraph.

4 8. That the juvenile be placed in a teen court program if all of the following  
5 conditions apply:

6 a. The chief judge of the judicial administrative district has approved a teen  
7 court program established in the juvenile's county of residence and the intake worker  
8 determines that participation in the teen court program will likely benefit the  
9 juvenile and the community.

10 b. The juvenile is alleged to have committed a delinquent act that would be a  
11 misdemeanor if committed by an adult or a civil law or ordinance violation.

12 c. The juvenile admits to the intake worker, with the juvenile's parent,  
13 guardian or legal custodian present, that the juvenile committed the alleged  
14 delinquent act or civil law or ordinance violation.

15 d. The juvenile has not successfully completed participation in a teen court  
16 program during the 2 years before the date of the alleged delinquent act or civil law  
17 or ordinance violation.

18 9. That the juvenile be placed in a youth village program as described in s.  
19 118.42. Upon the motion of the court or the application of the juvenile, parent,  
20 guardian, legal custodian, intake worker or any agency supervising the juvenile  
21 under a deferred prosecution agreement under this subdivision, the court may, after  
22 giving notice to the parties to the deferred prosecution agreement and their counsel,  
23 if any, extend the agreement for up to an additional one year in the absence of an  
24 objection to extension by the parties to the initial deferred prosecution agreement.  
25 If the juvenile or the parent, guardian or legal custodian object to the extension, the

1 court shall schedule a hearing and make a determination on the issue of extension.  
2 A deferred prosecution agreement under this subdivision may be extended no more  
3 than twice.

4 (b) A deferred prosecution agreement, other than an agreement under par. (a)  
5 9., may not include any form of out-of-home placement and may not exceed one year.

6 (c) If the deferred prosecution agreement provides for alcohol and other drug  
7 abuse outpatient treatment under par. (a) 4., the juvenile and the juvenile's parent,  
8 guardian or legal custodian shall execute an informed consent form that indicates  
9 that they are voluntarily and knowingly entering into a deferred prosecution  
10 agreement for the provision of alcohol and other drug abuse outpatient treatment.

11 **(2g)** If the informal disposition is based on an allegation that the juvenile  
12 violated s. 943.017 and the juvenile has attained the minimum age at which a  
13 juvenile may be adjudicated delinquent, the informal disposition may require that  
14 the juvenile participate for not less than 10 hours nor more than 100 hours in a  
15 supervised work program under s. 938.34 (5g) or perform not less than 10 hours nor  
16 more than 100 hours of other community service work, except that if the juvenile has  
17 not attained 14 years of age the maximum number of hours is 40.

18 **(3)** The obligations imposed under a deferred prosecution agreement and its  
19 effective date shall be set forth in writing. If the deferred prosecution agreement  
20 places the juvenile in a youth village program under sub. (2) (a) 9., the judge or  
21 juvenile court commissioner shall receive written notice that a deferred prosecution  
22 agreement has been entered into and, on receipt of that notice, shall enter an order  
23 requiring compliance with that agreement. The juvenile and a parent, guardian and  
24 legal custodian shall receive a copy of the agreement and order, as shall any agency  
25 providing services under the agreement.

1           (4) The intake worker shall inform the juvenile and the juvenile's parent,  
2 guardian and legal custodian in writing of their right to request the court to  
3 terminate the deferred prosecution agreement at any time or object at any time to  
4 the fact or terms of the deferred prosecution agreement. If an objection arises the  
5 intake worker may alter the terms of the agreement or recommend to the district  
6 attorney or corporation counsel that a petition be filed. If the deferred prosecution  
7 agreement is terminated the intake worker may recommend to the district attorney  
8 or corporation counsel that a petition be filed.

9           (5) A deferred prosecution agreement may be terminated by the court upon the  
10 request of the juvenile, parent, guardian or legal custodian.

11           (6) A deferred prosecution agreement arising out of an alleged delinquent act  
12 is terminated if the district attorney files a delinquency petition within 20 days after  
13 receipt of notice of the deferred prosecution agreement under s. 938.24 (5). In such  
14 case statements made to the intake worker during the intake inquiry are  
15 inadmissible.

16           (7) (a) If at any time during the period of a deferred prosecution agreement the  
17 intake worker determines that the obligations imposed under it are not being met,  
18 the intake worker may cancel the deferred prosecution agreement. Within 10 days  
19 after the cancellation of the deferred prosecution agreement, the intake worker shall  
20 notify the district attorney, corporation counsel or other official under s. 938.09 of the  
21 cancellation and recommend whether or not a petition should be filed. In  
22 delinquency cases, the district attorney may initiate a petition within 20 days after  
23 the date of the notice regardless of whether the intake worker has recommended that  
24 a petition be filed. The judge shall grant appropriate relief as provided in s. 938.315

1 (3) with respect to any petition which is not filed within the time limit specified in  
2 this subsection.

3 (b) In addition to the action taken under par. (a), if the intake worker cancels  
4 a deferred prosecution agreement based on a determination that the juvenile's  
5 parent, guardian or legal custodian is not meeting the obligations imposed under the  
6 agreement, the intake worker shall recommend to the district attorney, corporation  
7 counsel or other official under s. 938.09 whether or not a petition should be filed  
8 requesting the court to order the juvenile's parent, guardian or legal custodian to  
9 show good cause for not meeting the obligations imposed under the agreement. If the  
10 district attorney, corporation counsel or other official under s. 938.09 files a petition  
11 under this paragraph and if the court finds prosecutive merit for the petition, the  
12 court shall grant an order directing the parent, guardian or legal custodian to show  
13 good cause, at a time and place fixed by the court, for not meeting the obligations  
14 imposed under the agreement. If the parent, guardian or legal custodian does not  
15 show good cause for not meeting the obligations imposed under the agreement, the  
16 court may impose a forfeiture not to exceed \$1,000.

17 (8) If the obligations imposed under the deferred prosecution agreement are  
18 met, the intake worker shall so inform the juvenile and a parent, guardian and legal  
19 custodian in writing, and no petition may be filed or citation issued on the charges  
20 that brought about the deferred prosecution agreement nor may the charges be the  
21 sole basis for a petition under s. 48.13, 48.14, 938.13 or 938.14.

22 (9) The intake worker shall perform his or her responsibilities under this  
23 section under general written policies which the judge shall promulgate under s.  
24 938.06 (1) or (2).

1           **938.25 Petition: authorization to file. (1)** A petition initiating proceedings  
2 under this chapter shall be signed by a person who has knowledge of the facts alleged  
3 or is informed of them and believes them to be true. If a petition under s. 938.12 is  
4 to be filed, it shall be prepared, signed and filed by the district attorney. The district  
5 attorney, corporation counsel or other appropriate official specified under s. 938.09  
6 may file the petition if the proceeding is under s. 938.125 or 938.13. The counsel or  
7 guardian ad litem for a parent, relative, guardian or juvenile may file a petition  
8 under s. 938.13 or 938.14. The district attorney, corporation counsel or other  
9 appropriate person designated by the court may initiate proceedings under s. 938.14  
10 in a manner specified by the court.

11           **(2) (a)** The district attorney, corporation counsel or other appropriate official  
12 shall file the petition, close the case, or refer the case back to intake within 20 days  
13 after the date that the intake worker's recommendation was filed. A referral back  
14 to intake may be made only when the district attorney, corporation counsel or other  
15 appropriate official decides not to file a petition or determines that further  
16 investigation is necessary. If the case is referred back to intake upon a decision not  
17 to file a petition, the intake worker shall close the case or enter into a deferred  
18 prosecution agreement within 20 days. If the case is referred back to intake for  
19 further investigation, the appropriate agency or person shall complete the  
20 investigation within 20 days. If another referral is made to the district attorney,  
21 corporation counsel or other appropriate official, it shall be considered a new referral  
22 to which the time limits of this subsection shall apply. The time limits in this  
23 subsection may only be extended by a judge upon a showing of good cause under s.  
24 938.315. If a petition is not filed within the time limitations set forth in this  
25 subsection and the court has not granted an extension, the petition shall be

1 accompanied by a statement of reasons for the delay. The court shall grant  
2 appropriate relief as provided in s. 938.315 (3) with respect to a petition which is not  
3 filed within the time limits specified in this paragraph.

4 (b) In delinquency cases where there has been a case closure or deferred  
5 prosecution agreement, the petition shall be filed within 20 days of receipt of the  
6 notice of closure or deferred prosecution. Failure to file within 20 days invalidates  
7 the petition and affirms the case closure or deferred prosecution agreement, except  
8 that the court shall grant appropriate relief as provided in s. 938.315 (3) with respect  
9 to a petition that is not filed within the time limit specified in this paragraph. If a  
10 petition is filed within 20 days or the time permitted by the court under s. 938.315  
11 (3), whichever is later, the district attorney shall notify the parties to the agreement  
12 and the intake worker as soon as possible.

13 (3) If the district attorney, corporation counsel or other appropriate official  
14 under s. 938.09 refuses to file a petition, any person may request the judge to order  
15 that the petition be filed and a hearing shall be held on the request. The judge may  
16 order the filing of the petition on his or her own motion. The matter may not be heard  
17 by the judge who orders the filing of a petition.

18 (4) Section 939.74 applies to delinquency petitions filed under this subchapter.

19 (5) A citation issued under s. 938.17 (2) may serve as the initial pleading and  
20 is sufficient to confer the court with jurisdiction over the juvenile when the citation  
21 is filed with the court.

22 (6) If a proceeding is brought under s. 938.13, any party to or any governmental  
23 or social agency involved in the proceeding may petition the court to issue a  
24 temporary restraining order and injunction as provided in s. 813.122 or 813.125. The  
25 court shall follow the procedure under s. 813.122 or 813.125 except that the court

1 may combine hearings authorized under s. 813.122 or 813.125 and this chapter, the  
2 petitioner for the temporary restraining order and injunction is not subject to the  
3 limitations under s. 813.122 (2) or 813.125 (2) and no fee is required regarding the  
4 filing of the petition under s. 813.122 or 813.125.

5 **938.255 Petition; form and content.** (1) A petition initiating proceedings  
6 under this chapter, other than a petition initiating proceedings under s. 938.12,  
7 938.125 or 938.13 (12), shall be entitled, "In the interest of (juvenile's name), a person  
8 under the age of 18". A petition initiating proceedings under s. 938.12, 938.125 or  
9 938.13 (12) shall be entitled, "In the interest of (juvenile's name), a person under the  
10 age of 17". A petition initiating proceedings under this chapter shall set forth with  
11 specificity all of the following:

12 (a) The name, birth date and address of the juvenile.

13 (b) The names and addresses of the juvenile's parent, guardian, legal custodian  
14 or spouse, if any; or if no such person can be identified, the name and address of the  
15 nearest relative.

16 (c) Whether the juvenile is in custody, and, if so, the place where the juvenile  
17 is being held and the time he or she was taken into custody unless there is reasonable  
18 cause to believe that such disclosure would result in imminent danger to the juvenile  
19 or physical custodian.

20 (d) If violation of a criminal statute, an ordinance or another law is alleged, the  
21 citation to the appropriate law or ordinance as well as facts sufficient to establish  
22 probable cause that an offense has been committed and that the juvenile named in  
23 the petition committed the offense.

24 (e) If the juvenile is alleged to come within the provisions of s. 938.13 (4), (6),  
25 (6m), (7) or (14) or 938.14, reliable and credible information which forms the basis

1 of the allegations necessary to invoke the jurisdiction of the court and to provide  
2 reasonable notice of the conduct or circumstances to be considered by the court  
3 together with a statement that the juvenile is in need of supervision, services, care  
4 or rehabilitation.

5 (2) If any of the facts in sub. (1) (a), (b) or (c) are not known or cannot be  
6 ascertained by the petitioner, the petition shall so state.

7 (3) If the information required under sub. (1) (d) or (e) is not stated the petition  
8 shall be dismissed or amended under s. 938.263 (2).

9 (4) A copy of the petition shall be given to the juvenile and to the parents,  
10 guardian, legal custodian and physical custodian.

11 **938.263 Amendment of petition.** (1) Except as provided in s. 938.255 (3),  
12 no petition, process or other proceeding may be dismissed or reversed for any error  
13 or mistake if the case and the identity of the juvenile named in the petition may be  
14 readily understood by the court; and the court may order an amendment curing the  
15 defects.

16 (2) With reasonable notification to the interested parties and prior to the  
17 taking of a plea under s. 938.30, the petition may be amended at the discretion of the  
18 court or person who filed the petition. After the taking of a plea, the court may allow  
19 amendment of the petition to conform to the proof if the amendment is not prejudicial  
20 to the juvenile.

21 **938.27 Notice; summons.** (1) After a citation is issued or a petition has been  
22 filed relating to facts concerning a situation specified under s. 938.12, 938.125 or  
23 938.13, unless the parties under sub. (3) voluntarily appear, the court may issue a  
24 summons requiring the parent, guardian and legal custodian of the juvenile to

1 appear personally at any hearing involving the juvenile, and, if the court so orders,  
2 to bring the juvenile before the court at a time and place stated.

3 (2) Summons may be issued requiring the appearance of any other person  
4 whose presence, in the opinion of the court, is necessary.

5 (3) (a) The court shall also notify, under s. 938.273, the juvenile and any parent,  
6 guardian and legal custodian of the juvenile of all hearings involving the juvenile  
7 under this subchapter, except hearings on motions for which notice need only be  
8 provided to the juvenile and his or her counsel. Where parents entitled to notice have  
9 the same place of residence, notice to one shall constitute notice to the other. The first  
10 notice to any interested party shall be written and have a copy of the petition  
11 attached to it. Thereafter, notice of hearings may be given by telephone at least 72  
12 hours before the time of the hearing. The person giving telephone notice shall place  
13 in the case file a signed statement of the time notice was given and the person to  
14 whom he or she spoke.

15 (b) 1. Except as provided in subd. 2., if the petition that was filed relates to facts  
16 concerning a situation under s. 938.13 and if the juvenile is a nonmarital child who  
17 is not adopted or whose parents do not subsequently intermarry as provided under  
18 s. 767.60 and if paternity has not been established, the court shall notify, under s.  
19 938.273, all of the following persons:

20 a. A person who has filed a declaration of interest under s. 48.025.

21 b. A person alleged to the court to be the father of the juvenile or who may, based  
22 on the statements of the mother or other information presented to the court, be the  
23 father of the juvenile.

24 2. A court is not required to provide notice, under subd. 1., to any person who  
25 may be the father of a juvenile conceived as a result of a sexual assault if a physician

1 attests to his or her belief that there was a sexual assault of the juvenile's mother that  
2 may have resulted in the juvenile's conception.

3 (4) The notice shall:

4 (a) Contain the name of the juvenile, and the nature, location, date and time  
5 of the hearing.

6 (b) Advise the juvenile of his or her right to legal counsel regardless of ability  
7 to pay.

8 (4m) The district attorney or corporation counsel shall attempt to contact any  
9 known victim or alleged victim of a juvenile's act or alleged act and any known family  
10 member of a homicide victim or alleged homicide victim to inform them of the right  
11 to receive notice of any hearing under this chapter involving the juvenile. If a victim,  
12 alleged victim or family member of a homicide victim or of an alleged homicide victim  
13 indicates that he or she wishes to receive notice of any hearing under this chapter  
14 involving the juvenile, the district attorney or corporation counsel shall notify, under  
15 s. 938.273, that victim, alleged victim or family member of any hearing under this  
16 chapter involving the juvenile. Any failure to comply with this subsection is not a  
17 ground for an appeal of a judgment or dispositional order or for any court to reverse  
18 or modify a judgment or dispositional order.

19 (5) The court shall make every reasonable effort to identify and notify any  
20 person who has filed a declaration of interest under s. 48.025 and any person who has  
21 been adjudged to be the biological father of the juvenile in a judicial proceeding  
22 unless the biological father's rights have been terminated.

23 (6) When a proceeding is initiated under s. 938.14, all interested parties shall  
24 receive notice and appropriate summons shall be issued in a manner specified by the  
25 court, consistent with applicable governing statutes.

1           (7) When a citation has been issued under s. 938.17 (2) and the juvenile's  
2 parent, guardian and legal custodian have been notified of the citation, subs. (3) and  
3 (4) do not apply.

4           (8) When a petition is filed under s. 938.12 or 938.13, the court shall notify, in  
5 writing, the juvenile's parents or guardian that they may be ordered to reimburse  
6 this state or the county for the costs of legal counsel provided for the juvenile, as  
7 provided under s. 938.275 (2).

8           **938.273 Service of summons or notice; expense.** (1) Service of summons  
9 or notice required by s. 938.27 may be made by mailing a copy thereof to the persons  
10 summoned or notified. If the persons, other than a person specified in s. 938.27 (4m),  
11 fail to appear at the hearing or otherwise to acknowledge service, a continuance shall  
12 be granted, except where the court determines otherwise because the juvenile is in  
13 secure custody, and service shall be made personally by delivering to the persons a  
14 copy of the summons or notice; except that if the court is satisfied that it is  
15 impracticable to serve the summons or notice personally, it may make an order  
16 providing for the service of the summons or notice by certified mail addressed to the  
17 last-known addresses of the persons. The court may refuse to grant a continuance  
18 when the juvenile is being held in secure custody, but in such a case the court shall  
19 order that service of notice of the next hearing be made personally or by certified mail  
20 to the last-known address of the person who failed to appear at the hearing.  
21 Personal service shall be made at least 72 hours before the time of the hearing. Mail  
22 shall be sent at least 7 days before the time of the hearing, except where the petition  
23 is filed under s. 938.13 and the person to be notified lives outside the state, in which  
24 case the mail shall be sent at least 14 days before the time of the hearing.

1           (2) Service of summons or notice required by this subchapter may be made by  
2 any suitable person under the direction of the court. Notification of the victim or  
3 alleged victim of a juvenile's act or of a family member of a homicide victim or of an  
4 alleged homicide victim under s. 938.27 (4m) shall be made by the district attorney  
5 or corporation counsel.

6           (3) The expenses of service of summons or notice or of the publication of  
7 summons or notice and the traveling expenses and fees as allowed in ch. 885 incurred  
8 by any person summoned or required to appear at the hearing of any case coming  
9 within the jurisdiction of the court under s. 938.12, 938.125, 938.13 or 938.14 shall  
10 be a charge on the county when approved by the court.

11           **938.275 Parents' contribution to cost of court and legal services. (1)**

12 If the court finds a juvenile to be delinquent under s. 938.12, in violation of a civil law  
13 or ordinance under s. 938.125 or in need of protection or services under s. 938.13, the  
14 court shall order the parents of the juvenile to contribute toward the expense of  
15 post-adjudication services to the juvenile the proportion of the total amount which  
16 the court finds the parents are able to pay.

17           (2) (a) If this state or a county provides legal counsel to a juvenile subject to a  
18 proceeding under s. 938.12 or 938.13, the court shall order the juvenile's parent to  
19 reimburse the state or county in accordance with par. (b) or (c). The court may not  
20 order reimbursement if a parent is the complaining or petitioning party or if the court  
21 finds that the interests of the parent and the interests of the juvenile in the  
22 proceeding are substantially and directly adverse and that reimbursement would be  
23 unfair to the parent. The court may not order reimbursement until the completion  
24 of the proceeding or until the state or county is no longer providing the juvenile with  
25 legal counsel in the proceeding.

1 (b) If this state provides the juvenile with legal counsel and the court orders  
2 reimbursement under par. (a), the juvenile's parent may request the state public  
3 defender to determine whether the parent is indigent as provided under s. 977.07  
4 and to determine the amount of reimbursement. If the parent is found not to be  
5 indigent, the amount of reimbursement shall be the maximum amount established  
6 by the public defender board. If the parent is found to be indigent in part, the amount  
7 of reimbursement shall be the amount of partial payment determined in accordance  
8 with the rules of the public defender board under s. 977.02 (3).

9 (c) If the county provides the juvenile with legal counsel and the court orders  
10 reimbursement under par. (a), the court shall either make a determination of  
11 indigency or shall appoint the county department to make the determination. If the  
12 court or the county department finds that the parent is not indigent or is indigent  
13 in part, the court shall establish the amount of reimbursement and shall order the  
14 parent to pay it.

15 (cg) The court shall, upon motion by a parent, hold a hearing to review any of  
16 the following:

- 17 1. An indigency determination made under par. (b) or (c).
- 18 2. The amount of reimbursement ordered.
- 19 3. The court's finding, under par. (a), that the interests of the parent and the  
20 juvenile are not substantially and directly adverse and that ordering the payment  
21 of reimbursement would not be unfair to the parent.

22 (cr) Following a hearing under par. (cg), the court may affirm, rescind or modify  
23 the reimbursement order.

24 (d) Reimbursement payments shall be made to the clerk of courts of the county  
25 where the proceedings took place. Each payment shall be transmitted to the county

1 treasurer, who shall deposit 25% of the amount paid for state-provided counsel in the  
2 county treasury and transmit the remainder to the state treasurer. Payments  
3 transmitted to the state treasurer shall be deposited in the general fund and credited  
4 to the appropriation account under s. 20.550 (1) (L). The county treasurer shall  
5 deposit 100% of the amount paid for county-provided counsel in the county treasury.

6 (dm) Within 30 days after each calendar quarter, the clerk of court for each  
7 county shall report to the state public defender all of the following:

8 1. The total amount of reimbursement determined or ordered under par. (b) or  
9 (cr) for state-provided counsel during the previous calendar quarter.

10 2. The total amount collected under par. (d) for state-provided counsel during  
11 the previous calendar quarter.

12 (e) A person who fails to comply with an order under par. (b) or (c) may be  
13 proceeded against for contempt of court under ch. 785.

14 **938.28 Failure to obey summons; capias.** If any person summoned under  
15 this subchapter fails without reasonable cause to appear, he or she may be proceeded  
16 against for contempt of court. In case the summons cannot be served or the parties  
17 served fail to obey the same, or in any case when it appears to the court that the  
18 service will be ineffectual a capias may be issued for the parent, guardian and legal  
19 custodian or for the juvenile. Subchapter IV governs the taking and holding of a  
20 juvenile in custody.

21 **938.29 Substitution of judge.** (1) Except as provided in sub. (1g), the  
22 juvenile, either before or during the plea hearing, may file a written request with the  
23 clerk of the court or other person acting as the clerk for a substitution of the judge  
24 assigned to the proceeding. Upon filing the written request, the juvenile shall  
25 immediately mail or deliver a copy of the request to the judge named therein. In a

1 proceeding under s. 938.12 or 938.13 (12), only the juvenile may request a  
2 substitution of the judge. Whenever the juvenile has the right to request a  
3 substitution of judge, the juvenile's counsel or guardian ad litem may file the request.  
4 Not more than one such written request may be filed in any one proceeding, nor may  
5 any single request name more than one judge. This section shall not apply to  
6 proceedings under s. 938.21.

7 **(1g)** The juvenile may not request the substitution of a judge in a proceeding  
8 under s. 938.12 or 938.13 (12), and the juvenile and the juvenile's parent, guardian  
9 or legal custodian may not request the substitution of a judge in a proceeding under  
10 s. 938.13 (4), (6), (6m) or (7), if the judge assigned to the proceeding has entered a  
11 dispositional order with respect to the juvenile in a previous proceeding under s.  
12 938.12 or 938.13 (4), (6), (6m), (7) or (12) or the juvenile or the juvenile's parent,  
13 guardian or legal custodian has requested the substitution of a judge in a previous  
14 proceeding under s. 938.12 or 938.13 (4), (6), (6m), (7) or (12).

15 **(1m)** When the clerk receives a request for substitution, the clerk shall  
16 immediately contact the judge whose substitution has been requested for a  
17 determination of whether the request was made timely and in proper form. Except  
18 as provided in sub. (2), if the request is found to be timely and in proper form, the  
19 judge named in the request has no further jurisdiction and the clerk shall request  
20 the assignment of another judge under s. 751.03. If no determination is made within  
21 7 days, the clerk shall refer the matter to the chief judge of the judicial administrative  
22 district for determination of whether the request was made timely and in proper form  
23 and reassignment as necessary.

24 **(2)** If the request for substitution of a judge is made for the judge scheduled to  
25 conduct a waiver hearing under s. 938.18, the request shall be filed before the close

1 of the working day preceding the day that the waiver hearing is scheduled. Except  
2 as provided in sub. (1g), the judge may allow an authorized party to make a request  
3 for substitution on the day of the waiver hearing. If the request for substitution is  
4 made subsequent to the waiver hearing, the judge who conducted the waiver hearing  
5 may also conduct the plea hearing.

6 **938.293 Discovery.** (1) Copies of all law enforcement officer reports,  
7 including but not limited to the officer's memorandum and witnesses' statements,  
8 shall be made available upon request to counsel or guardian ad litem prior to a plea  
9 hearing. The reports shall be available through the representative of the public  
10 designated under s. 938.09. The juvenile, through counsel or guardian ad litem, is  
11 the only party who shall have access to the reports in proceedings under s. 938.12,  
12 938.125 or 938.13 (12). The identity of a confidential informant may be withheld  
13 pursuant to s. 905.10.

14 (2) All records relating to a juvenile which are relevant to the subject matter  
15 of a proceeding under this subchapter shall be open to inspection by a guardian ad  
16 litem or counsel for any party, upon demand and upon presentation of releases where  
17 necessary, at least 48 hours before the proceeding. Persons entitled to inspect the  
18 records may obtain copies of the records with the permission of the custodian of the  
19 records or with the permission of the court. The court may instruct counsel not to  
20 disclose specified items in the materials to the juvenile or the parent if the court  
21 reasonably believes that the disclosure would be harmful to the interests of the  
22 juvenile. Sections 971.23 to 971.25 and 972.11 (5) shall be applicable in all  
23 delinquency proceedings under this subchapter, except that the court shall establish  
24 the timetable for ss. 971.23 (3), (8) and (9) and 972.11 (5).

1           **(3)** Upon request prior to the fact-finding hearing, the district attorney shall  
2 disclose to the juvenile, and to the juvenile's counsel or guardian ad litem, the  
3 existence of any videotaped oral statement of a juvenile under s. 908.08 which is  
4 within the possession, custody or control of the state and shall make reasonable  
5 arrangements for the requesting person to view the videotaped oral statement. If,  
6 subsequent to compliance with this subsection, the state obtains possession, custody  
7 or control of such a videotaped statement, the district attorney shall promptly notify  
8 the requesting person of that fact and make reasonable arrangements for the  
9 requesting person to view the videotaped oral statement.

10           **938.295      Physical, psychological, mental or developmental**  
11 **examination.** **(1)** After the filing of a petition and upon a finding by the court that  
12 reasonable cause exists to warrant an examination or an alcohol and other drug  
13 abuse assessment that conforms to the criteria specified under s. 938.547 (4), the  
14 court may order any juvenile coming within its jurisdiction to be examined as an  
15 outpatient by personnel in an approved treatment facility for alcohol and other drug  
16 abuse, by a physician, psychiatrist or licensed psychologist, or by another expert  
17 appointed by the court holding at least a master's degree in social work or another  
18 related field of child development, in order that the juvenile's physical, psychological,  
19 alcohol or other drug dependency, mental or developmental condition may be  
20 considered. The court may also order an examination or an alcohol and other drug  
21 abuse assessment that conforms to the criteria specified under s. 938.547 (4) of a  
22 parent, guardian or legal custodian whose ability to care for a juvenile is at issue  
23 before the court. The court shall hear any objections by the juvenile and the juvenile's  
24 parents, guardian or legal custodian to the request for such an examination or  
25 assessment before ordering the examination or assessment. The expenses of an

1 examination, if approved by the court, shall be paid by the county of the court  
2 ordering the examination. The payment for an alcohol and other drug abuse  
3 assessment shall be in accordance with s. 938.361.

4 **(1c)** Reasonable cause is considered to exist to warrant an alcohol and other  
5 drug abuse assessment under sub. (1) if any of the following applies:

6 (a) The multidisciplinary screen procedure conducted under s. 938.24 (2)  
7 indicates that the juvenile is at risk of having needs and problems related to alcohol  
8 or other drug abuse.

9 (b) The juvenile was adjudicated delinquent on the basis of an offense specified  
10 in ch. 161.

11 (c) The greater weight of the evidence at the fact-finding hearing indicates that  
12 any offense which formed the basis for the adjudication was motivated by the  
13 juvenile's need to purchase or otherwise obtain alcohol beverages or controlled  
14 substances.

15 **(1g)** If the court orders an alcohol or other drug abuse assessment under sub.  
16 (1), the approved treatment facility shall, within 14 days after the court order, report  
17 the results of the assessment to the court, except that, upon request by the approved  
18 treatment facility and if the juvenile is not held in secure or nonsecure custody, the  
19 court may extend the period for assessment for not more than 20 additional working  
20 days. The report shall include a recommendation as to whether the juvenile is in  
21 need of treatment, intervention or education relating to the use or abuse of alcohol  
22 beverages or controlled substances and, if so, shall recommend a service plan and  
23 appropriate treatment from an approved treatment facility, intervention from a  
24 court-approved pupil assistance program or education from a court-approved  
25 alcohol or other drug abuse education program.

1           **(2)** (a) If there is probable cause to believe that the juvenile has committed the  
2 alleged offense and if there is reason to doubt the juvenile's competency to proceed,  
3 or upon entry of a plea under s. 938.30 (4) (c) the court shall order the juvenile to be  
4 examined by a psychiatrist or licensed psychologist. The expenses of an  
5 examination, if approved by the court, shall be paid by the county of the court  
6 ordering the examination. Evaluation shall be made on an outpatient basis unless  
7 the juvenile presents a substantial risk of physical harm to the juvenile or others; or  
8 the juvenile, parent or guardian, and legal counsel or guardian ad litem consent to  
9 an inpatient evaluation. Any inpatient evaluation shall be for a specified period that  
10 is no longer than is necessary to complete the evaluation.

11           (b) The examiner shall file a report of the examination with the court by the  
12 date specified in the order. The court shall cause copies to be transmitted to the  
13 district attorney or corporation counsel and to the juvenile's counsel or guardian ad  
14 litem. The report shall describe the nature of the examination and identify the  
15 persons interviewed, the particular records reviewed and any tests administered to  
16 the juvenile. If the examination is ordered following a plea under s. 938.30 (4) (c),  
17 the report shall also contain an opinion regarding whether the juvenile suffered from  
18 mental disease or defect at the time of the commission of the act alleged in the  
19 petition and, if so, whether this caused the juvenile to lack substantial capacity to  
20 appreciate the wrongfulness of his or her conduct or to conform his or her conduct to  
21 the requirements of the law. If the examination is ordered following a finding that  
22 there is probable cause to believe that the juvenile has committed the alleged offense  
23 and that there is reason to doubt the juvenile's competency to proceed, the report  
24 shall also contain an opinion regarding the juvenile's present mental capacity to  
25 understand the proceedings and assist in his or her defense and, if the examiner

1 reports that the juvenile lacks competency to proceed, the examiner’s opinion  
2 regarding the likelihood that the juvenile, if provided treatment, may be restored to  
3 competency within the time specified in s. 938.30 (5) (e) 1. The report shall also state  
4 in reasonable detail the facts and reasoning upon which the examiner’s opinions are  
5 based.

6 (3) If the juvenile or a parent objects to a particular physician, psychiatrist,  
7 licensed psychologist or other expert as required under this section, the court shall  
8 appoint a different physician, psychiatrist, psychologist or other expert as required  
9 under this section.

10 (4) Motions or objections under this section may be heard under s. 807.13.

11 **938.296 Testing for HIV infection and certain diseases.** (1) In this  
12 section:

13 (a) “Health care professional” has the meaning given in s. 252.15 (1) (am).

14 (b) “HIV” has the meaning given in s. 252.01 (1m).

15 (c) “Sexually transmitted disease” has the meaning given in s. 252.11 (1).

16 (d) “Significantly exposed” has the meaning given in s. 252.15 (1) (em).

17 (2) In a proceeding under s. 938.12 or 938.13 (12) in which the juvenile is  
18 alleged to have violated s. 940.225, 948.02, 948.025, 948.05 or 948.06, the district  
19 attorney or corporation counsel shall apply to the court for an order requiring the  
20 juvenile to submit to a test or a series of tests administered by a health care  
21 professional to detect the presence of HIV, antigen or nonantigenic products of HIV,  
22 an antibody to HIV or a sexually transmitted disease and to disclose the results of  
23 that test or series of tests as specified in sub. (4) (a) to (e), if all of the following apply:

1 (a) The victim or alleged victim, if an adult, or the parent, guardian or legal  
2 custodian of the victim or alleged victim, if the victim or alleged victim is a child,  
3 requests the district attorney or corporation counsel to apply for that order.

4 (b) The district attorney or corporation counsel has probable cause to believe  
5 that the juvenile has significantly exposed the victim or alleged victim. If the  
6 juvenile is adjudicated delinquent or found to be in need of protection or services, this  
7 paragraph does not apply.

8 **(3)** The district attorney or corporation counsel may apply for an order under  
9 sub. (2) at any of the following times:

10 (a) At or after the plea hearing and before a dispositional order is entered.

11 (b) At any time after the juvenile is adjudicated delinquent or found to be in  
12 need of protection or services.

13 **(4)** On receipt of an application for an order under sub. (2), the court shall set  
14 a time for a hearing on the application. If, after hearing, the court finds probable  
15 cause to believe that the juvenile has significantly exposed the victim or alleged  
16 victim, the court shall order the juvenile to submit to a test or a series of tests  
17 administered by a health care professional to detect the presence of HIV, antigen or  
18 nonantigenic products of HIV, an antibody to HIV or a sexually transmitted disease.  
19 The court shall require the health care professional who performs the test or series  
20 of tests to refrain, notwithstanding s. 252.15 (4) (c), from making the test results part  
21 of the juvenile's permanent medical record and to disclose the results of the test to  
22 any of the following:

23 (a) The parent, guardian or legal custodian of the juvenile.

24 (b) The victim or alleged victim, if the victim or alleged victim is an adult.

1 (c) The parent, guardian or legal custodian of the victim or alleged victim, if the  
2 victim or alleged victim is a child.

3 (d) The health care professional that provides care for the juvenile, upon  
4 request by the parent, guardian or legal custodian of the juvenile.

5 (e) The health care professional that provides care for the victim or alleged  
6 victim, upon request by the victim or alleged victim or, if the victim or alleged victim  
7 is a child, upon request by the parent, guardian or legal custodian of the victim or  
8 alleged victim.

9 (6) The court may order the county to pay for the cost of a test or series of tests  
10 ordered under sub. (4). This subsection does not prevent recovery of reasonable  
11 contribution toward the cost of that test or series of tests from the parent or guardian  
12 of the juvenile as the court may order based on the ability of the parent or guardian  
13 to pay. This subsection is subject to s. 46.03 (18).

14 **938.297 Motions before trial.** (1) Any motion which is capable of  
15 determination without trial of the general issue may be made before trial.

16 (2) Defenses and objections based on defects in the institution of proceedings,  
17 lack of probable cause on the face of the petition or citation, insufficiency of the  
18 petition or citation or invalidity in whole or in part of the statute on which the  
19 petition or citation is founded shall be raised not later than 10 days after the plea  
20 hearing or be deemed waived. Other motions capable of determination without trial  
21 may be brought any time before trial.

22 (3) Motions to suppress evidence as having been illegally seized or statements  
23 illegally obtained shall be made before fact-finding on the issues. The court may  
24 entertain the motion at the fact-finding hearing if it appears that a party is surprised

1 by the attempt to introduce such evidence and that party waives jeopardy. Only the  
2 juvenile may waive jeopardy in cases under s. 938.12, 938.125 or 938.13 (12).

3 (4) Although the taking of a juvenile into custody is not an arrest, it shall be  
4 considered an arrest for the purpose of deciding motions which require a decision  
5 about the propriety of the taking into custody, including but not limited to motions  
6 to suppress evidence as illegally seized, motions to suppress statements as illegally  
7 obtained and motions challenging the lawfulness of the taking into custody.

8 (5) If the juvenile is in custody and the court grants a motion to dismiss based  
9 upon a defect in the petition or citation or in the institution of the proceedings, the  
10 court may order the juvenile continued in custody for not more than 48 hours pending  
11 the filing of a new petition or citation.

12 (6) A motion required to be served on a juvenile may be served upon his or her  
13 attorney of record.

14 (7) Oral argument permitted on motions under this section may be heard by  
15 telephone under s. 807.13 (1).

16 **938.299 Procedures at hearings.** (1) (a) Except as provided in par. (ar), the  
17 general public shall be excluded from hearings under this chapter unless a public  
18 fact-finding hearing is demanded by a juvenile through his or her counsel. The court  
19 shall refuse to grant the public hearing, however, if the victim of an alleged sexual  
20 assault objects or, in a nondelinquency proceeding, if a parent or guardian objects.  
21 If a public hearing is not held, only the parties, their counsel, witnesses, a  
22 representative of the news media who wishes to attend the hearing for the purpose  
23 of reporting news without revealing the identity of the child involved and other  
24 persons requested by a party and approved by the court may be present. Any other

1 person the court finds to have a proper interest in the case or in the work of the court,  
2 including a member of the bar, may be admitted by the court.

3 (am) Subject to s. 906.15, if a public hearing is not held, in addition to persons  
4 permitted to attend under par. (a), a victim of a juvenile's act or alleged act may  
5 attend any hearing under this chapter based upon the act or alleged act, except that  
6 a judge may exclude a victim from any portion of a hearing which deals with sensitive  
7 personal matters of the juvenile or the juvenile's family and which does not directly  
8 relate to the act or alleged act committed against the victim. A member of the victim's  
9 family and, at the request of the victim, a representative of an organization providing  
10 support services to the victim, may attend the hearing under this subsection.

11 (ar) Notwithstanding par. (a), the general public may attend any hearing under  
12 this chapter relating to a juvenile who has been alleged to be delinquent for  
13 committing a violation that would be a felony if committed by an adult if the juvenile  
14 has been adjudicated delinquent previously and that previous adjudication remains  
15 of record and unreversed or relating to a juvenile who has been alleged to be  
16 delinquent for committing a violation specified in s. 939.62 (2m) (a) 1., 2. or 3. or a  
17 violation of s. 948.30 (1) or for conspiracy under s. 939.31 to commit any violation,  
18 except that the court shall exclude the general public from a hearing if the victim of  
19 a sexual assault objects and may, in its discretion, exclude the general public from  
20 any portion of a hearing which deals with sensitive personal matters of the juvenile  
21 or the juvenile's family and which does not relate to the act or alleged act committed  
22 by the juvenile or from any other hearing described in this paragraph. If the court  
23 excludes the general public from a hearing described in this paragraph, only those  
24 persons who are permitted under par. (a) or (am) to attend a hearing from which the  
25 general public is excluded may attend.

1 (b) Except as provided in s. 938.396, any person who divulges any information  
2 which would identify the juvenile or the family involved in any proceeding under this  
3 subchapter is subject to ch. 785. This paragraph does not preclude a victim of the  
4 juvenile's act from commencing a civil action based upon the juvenile's act.

5 (4) (a) Chapters 901 to 911 govern the presentation of evidence at the  
6 fact-finding hearing under s. 938.31. Section 972.11 (5) applies at fact-finding  
7 proceedings in all delinquency proceedings under this chapter.

8 (b) Except as provided in s. 901.05, neither common law nor statutory rules of  
9 evidence are binding at a waiver hearing under s. 938.18, a hearing for a juvenile  
10 held in custody under s. 938.21, a hearing under s. 938.296 (4) for a juvenile who is  
11 alleged to have violated s. 940.225, 948.02, 948.025, 948.05 or 948.06, a dispositional  
12 hearing, or a hearing about changes in placement, revision of dispositional orders or  
13 extension of dispositional orders. At those hearings, the court shall admit all  
14 testimony having reasonable probative value, but shall exclude immaterial,  
15 irrelevant or unduly repetitious testimony or evidence that is inadmissible under s.  
16 901.05. Hearsay evidence may be admitted if it has demonstrable circumstantial  
17 guarantees of trustworthiness. The court shall give effect to the rules of privilege  
18 recognized by law. The court shall apply the basic principles of relevancy, materiality  
19 and probative value to proof of all questions of fact. Objections to evidentiary offers  
20 and offers of proof of evidence not admitted may be made and shall be noted in the  
21 record.

22 (5) On request of any party, unless good cause to the contrary is shown, any  
23 hearing under s. 938.209 (1) (e) or 938.21 (1) may be held on the record by telephone  
24 or live audio-visual means or testimony may be received by telephone or live  
25 audio-visual means as prescribed in s. 807.13 (2). The request and the showing of

1 good cause for not conducting the hearing or admitting testimony by telephone or live  
2 audio-visual means may be made by telephone.

3 (6) If a man who has been given notice under s. 938.27 (3) (b) 1. appears at any  
4 hearing for which he received the notice, alleges that he is the father of the juvenile  
5 and states that he wishes to establish the paternity of the juvenile, the court shall  
6 refer the matter to the state or to the attorney responsible for support enforcement  
7 under s. 59.458 (1) for a determination, under s. 767.45, of whether an action should  
8 be brought for the purpose of determining the paternity of the juvenile. The court  
9 may stay the proceedings under this chapter pending the outcome of the paternity  
10 proceedings under ss. 767.45 to 767.60 if the court determines that the paternity  
11 proceedings will not unduly delay the proceedings under this chapter and the  
12 determination of paternity is necessary to the court's disposition of the juvenile if the  
13 juvenile is found to be in need of protection or services. As part of the proceedings  
14 under this chapter, the court may order that a record be made of any testimony of the  
15 juvenile's mother relating to the juvenile's paternity. A record made under this  
16 subsection is admissible in a proceeding to determine the juvenile's paternity under  
17 ss. 767.45 to 767.60.

18 **938.30 Plea hearing.** (1) Except as provided in this subsection, the hearing  
19 to determine the juvenile's plea to a citation or a petition under s. 938.12, 938.125  
20 or 938.13 (12), or to determine whether any party wishes to contest an allegation that  
21 the child is in need of protection or services under s. 938.13 (4), (6), (6m), (7) or (14)  
22 shall take place on a date which allows reasonable time for the parties to prepare but  
23 is within 30 days after the filing of a petition or issuance of a citation for a juvenile  
24 who is not being held in secure custody or within 10 days after the filing of a petition  
25 or issuance of a citation for a juvenile who is being held in secure custody. In a

1 municipal court operated jointly by 2 or more cities, towns or villages under s. 755.01  
2 (4), the hearing to determine the juvenile's plea shall take place within 45 days after  
3 the filing of a petition or issuance of a citation for a juvenile who is not being held in  
4 secure custody.

5 (2) At or before the commencement of the hearing under this section the  
6 juvenile and the parent, guardian or legal custodian shall be advised of their rights  
7 as specified in s. 938.243 and shall be informed that the hearing shall be to the court  
8 and that a request for a substitution of judge under s. 938.29 must be made before  
9 the end of the plea hearing or be waived. Nonpetitioning parties, including the  
10 juvenile, shall be granted a continuance of the plea hearing if they wish to consult  
11 with an attorney on the request for a substitution of a judge.

12 (3) If a petition alleges that a juvenile is in need of protection or services under  
13 s. 938.13 (4), (6), (6m), (7) or (14), the nonpetitioning parties and the juvenile, if he  
14 or she is 12 years of age or older or is otherwise competent to do so, shall state  
15 whether they desire to contest the petition.

16 (4) If a delinquency petition under s. 938.12, a civil law or ordinance violation  
17 petition or citation under s. 938.125, or a petition alleging that the juvenile is in need  
18 of protection or services under s. 938.13 (12) is filed, the juvenile may submit any of  
19 the following pleas:

20 (a) Admit some or all of the facts alleged in the petition or citation, however,  
21 such a plea is an admission only of the commission of the acts and does not constitute  
22 an admission of delinquency.

23 (b) Deny the facts alleged in the petition or citation. If the juvenile stands mute  
24 or refuses to plead, the court shall direct entry of a denial of the facts alleged in the  
25 petition or citation on the juvenile's behalf.

1 (bm) Plead no contest to the allegations, but only if the court permits the  
2 juvenile to enter that plea.

3 (c) Except pursuant to a petition or citation under s. 938.125, state that he or  
4 she is not responsible for the acts alleged in the petition by reason of mental disease  
5 or defect. This plea shall be joined with an admission under par. (a), a denial under  
6 par. (b) or a plea of no contest under par. (bm).

7 **(5)** (a) If there is probable cause to believe that the juvenile has committed the  
8 alleged offense and if there is reason to doubt the juvenile’s competency to proceed,  
9 or if the juvenile enters a plea of not responsible by reason of mental disease or defect,  
10 the court shall order an examination under s. 938.295 and shall specify the date by  
11 which the report must be filed in order to give the district attorney or corporation  
12 counsel and the juvenile’s counsel a reasonable opportunity to review the report. The  
13 court shall set a date for hearing as follows:

14 1. If the juvenile admits or pleads no contest to the allegations in the petition,  
15 the hearing to determine whether the juvenile was not responsible by reason of  
16 mental disease or defect shall be held no more than 10 days from the plea hearing  
17 for a juvenile held in secure custody and no more than 30 days from the plea hearing  
18 for a juvenile who is not held in secure custody.

19 2. If the juvenile denies the allegations in the petition or citation, the court shall  
20 hold a fact-finding hearing on the allegations in the petition or citation as provided  
21 under s. 938.31. If, at the end of the fact-finding hearing, the court finds that the  
22 allegations in the petition have been proven, the court shall immediately hold a  
23 hearing to determine whether the juvenile was not responsible by reason of mental  
24 disease or defect.

1           3. If the court has found probable cause to believe that the juvenile has  
2 committed the alleged offense and reason to doubt the juvenile's competency to  
3 proceed, the hearing to determine whether the juvenile is competent to proceed shall  
4 be held no more than 10 days after the plea hearing for a juvenile who is held in  
5 secure custody and no more than 30 days after the plea hearing for a juvenile who  
6 is not held in secure custody.

7           (b) If the court, after a hearing under par. (a) 1. or 2., finds that the juvenile was  
8 responsible, the court shall proceed to a dispositional hearing.

9           (bm) If the court, after a hearing under par. (a) 3., finds that the juvenile is  
10 competent to proceed, the court shall resume the delinquency proceeding.

11           (c) If the court finds that the juvenile was not responsible by reason of mental  
12 disease or defect, as described under s. 971.15 (1) and (2), the court shall dismiss the  
13 petition with prejudice and shall also do one of the following:

14           1. If the court finds that there is probable cause to believe that the juvenile  
15 meets the conditions specified under s. 51.20 (1) (a) 1. and 2., order the county  
16 department under s. 46.22, 46.23 or 46.215 in the county of the juvenile's residence  
17 or the district attorney or corporation counsel who filed the petition under s. 938.12  
18 or 938.13 (12) to file a petition under s. 51.20 (1).

19           2. Order the district attorney or corporation counsel who filed the petition  
20 under s. 938.12 or 938.13 (12) to file a petition alleging that the juvenile is in need  
21 of protection or services under s. 938.13 (14).

22           (d) If the court finds that the juvenile is not competent to proceed, as described  
23 in s. 971.13 (1) and (2), the court shall suspend proceedings on the petition and shall  
24 also do one of the following:

1           1. If the court finds that there is probable cause to believe that the juvenile  
2 meets the conditions specified under s. 51.20 (1) (a) 1. and 2., order the county  
3 department under s. 46.22, 46.23 or 46.215 in the county of the juvenile's residence  
4 or the district attorney or corporation counsel who filed the petition under s. 938.12  
5 or 938.13 (12) to file a petition under s. 51.20 (1).

6           2. Order the district attorney or corporation counsel who filed the petition  
7 under s. 938.12 or 938.13 (12) to file a petition alleging that the juvenile is in need  
8 of protection or services under s. 938.13 (14).

9           (e) 1. A juvenile who is not competent to proceed, as described in s. 971.13 (1)  
10 and (2), but who is likely to become competent to proceed within 12 months or the  
11 maximum sentence that may be imposed on an adult for the most serious delinquent  
12 act with which the juvenile is charged, whichever is less, and who is committed under  
13 s. 51.20 following an order under par. (d) 1. or who is placed under a dispositional  
14 order following an order under par. (d) 2., shall be periodically reexamined with  
15 written reports of those reexaminations to be submitted to the court every 3 months  
16 and within 30 days before the expiration of the juvenile's commitment or  
17 dispositional order. Each report shall indicate either that the juvenile has become  
18 competent, that the juvenile remains incompetent but that attainment of  
19 competence is likely within the remaining period of the commitment or dispositional  
20 order or that the juvenile has not made such progress that attainment of competency  
21 is likely within the remaining period of the commitment or dispositional order.

22           2. The court shall cause copies of the reports under subd. 1. to be transmitted  
23 to the district attorney or corporation counsel and the juvenile's counsel. If a report  
24 under subd. 1. indicates that the juvenile has become competent, the court shall hold  
25 a hearing within 10 days after the court receives the report to determine whether the

1 juvenile is competent. If the court determines that the juvenile is competent, the  
2 court shall terminate the juvenile's commitment or dispositional order and resume  
3 the delinquency proceeding.

4 3. If the juvenile is receiving psychotropic medication, the court may make  
5 appropriate orders for the continued administration of the psychotropic medication  
6 in order to maintain the competence of the juvenile for the duration of the proceeding.

7 **(6)** If a petition is not contested, the court shall set a date for the dispositional  
8 hearing which allows reasonable time for the parties to prepare but is no more than  
9 10 days from the plea hearing for a juvenile who is held in secure custody and no more  
10 than 30 days from the plea hearing for a juvenile who is not held in secure custody.  
11 If it appears to the court that disposition of the case may include placement of the  
12 juvenile outside the juvenile's home, the court shall order the juvenile's parent to  
13 provide a statement of income, assets, debts and living expenses to the court or the  
14 designated agency under s. 938.33 (1) at least 5 days before the scheduled date of the  
15 dispositional hearing or as otherwise ordered by the court. The clerk of court shall  
16 provide, without charge, to any parent ordered to provide a statement of income,  
17 assets, debts and living expenses a document setting forth the percentage standard  
18 established by the department of health and social services under s. 46.25 (9) and  
19 listing the factors that a court may consider under s. 46.10 (14) (c). If all parties  
20 consent the court may proceed immediately with the dispositional hearing. If a  
21 citation is not contested, the court may proceed immediately to enter a dispositional  
22 order.

23 **(7)** If the petition or citation is contested, the court shall set a date for the  
24 fact-finding hearing which allows a reasonable time for the parties to prepare but  
25 is no more than 20 days from the plea hearing for a juvenile who is held in secure

1 custody and no more than 30 days from the plea hearing for a juvenile who is not held  
2 in secure custody.

3 (8) Except when a juvenile fails to appear in response or stipulates to a citation  
4 before accepting an admission or plea of no contest of the alleged facts in a petition  
5 or citation, the court shall do all of the following:

6 (a) Address the parties present including the juvenile personally and  
7 determine that the plea or admission is made voluntarily with understanding of the  
8 nature of the acts alleged in the petition or citation and the potential dispositions.

9 (b) Establish whether any promises or threats were made to elicit a plea and  
10 alert unrepresented parties to the possibility that a lawyer may discover defenses or  
11 mitigating circumstances which would not be apparent to them.

12 (c) Make such inquiries as satisfactorily establish that there is a factual basis  
13 for the juvenile's plea or the parent's and juvenile's admission.

14 (9) If a court commissioner conducts the plea hearing and accepts an admission  
15 of the alleged facts in a petition brought under s. 938.12 or 938.13, the judge shall  
16 review the admission at the beginning of the dispositional hearing by addressing the  
17 parties and making the inquiries set forth in sub. (8).

18 (10) The court may permit any party to participate in hearings under this  
19 section by telephone or live audio-visual means except a juvenile who intends to  
20 admit the facts of the delinquency petition.

21 **938.305 Hearing upon the involuntary removal of a juvenile.**  
22 Notwithstanding other time periods for hearings under this chapter, if a juvenile is  
23 removed from the physical custody of the juvenile's parent or guardian under s.  
24 938.19 (1) (c) or (d) 5. without the consent of the parent or guardian, the court shall  
25 schedule a plea hearing and fact-finding hearing within 30 days after a request from

1 the parent or guardian from whom custody was removed. The plea hearing and  
2 fact-finding hearing may be combined. This time period may be extended only with  
3 the consent of the requesting parent or guardian.

4 **938.31 Fact-finding hearing.** (1) In this section, "fact-finding hearing"  
5 means a hearing to determine if the allegations of a petition under s. 938.12 or 938.13  
6 (12) are supported beyond a reasonable doubt or a hearing to determine if the  
7 allegations in a petition or citation under s. 938.125 or 938.13 (4), (6), (6m), (7) or (14)  
8 are proved by clear and convincing evidence.

9 (2) The hearing shall be to the court. If the hearing involves a child victim or  
10 witness, as defined in s. 950.02, the court may order the taking and allow the use of  
11 a videotaped deposition under s. 967.04 (7) to (10) and, with the district attorney,  
12 shall comply with s. 971.105. At the conclusion of the hearing, the court shall make  
13 a determination of the facts. If the court finds that the juvenile is not within the  
14 jurisdiction of the court or the court finds that the facts alleged in the petition or  
15 citation have not been proved, the court shall dismiss the petition or citation with  
16 prejudice.

17 (4) The court shall make findings of fact and conclusions of law relating to the  
18 allegations of a petition under s. 938.12, 938.125 or 938.13. In cases alleging a  
19 juvenile to be delinquent or in need of protection or services under s. 938.13 (12), the  
20 court shall make findings relating to the proof of the violation of law and to the proof  
21 that the juvenile named in the petition committed the violation alleged.

22 (7) At the close of the fact-finding hearing, the court shall set a date for the  
23 dispositional hearing which allows a reasonable time for the parties to prepare but  
24 is no more than 10 days after the fact-finding hearing for a juvenile in secure custody  
25 and no more than 30 days after the fact-finding hearing for a juvenile not held in

1 secure custody. If it appears to the court that disposition of the case may include  
2 placement of the juvenile outside the juvenile's home, the court shall order the  
3 juvenile's parent to provide a statement of income, assets, debts and living expenses  
4 to the court or the designated agency under s. 938.33 (1) at least 5 days before the  
5 scheduled date of the dispositional hearing or as otherwise ordered by the court. The  
6 clerk of court shall provide, without charge, to any parent ordered to provide a  
7 statement of income, assets, debts and living expenses a document setting forth the  
8 percentage standard established by the department of health and social services  
9 under s. 46.25 (9) and listing the factors that a court may consider under s. 46.10 (14)  
10 (c). If all parties consent, the court may immediately proceed with a dispositional  
11 hearing.

12 **938.315 Delays, continuances and extensions.** (1) The following time  
13 periods shall be excluded in computing time requirements within this chapter:

14 (a) Any period of delay resulting from other legal actions concerning the  
15 juvenile, including an examination under s. 938.295 or a hearing related to the  
16 juvenile's mental condition, prehearing motions, waiver motions and hearings on  
17 other matters.

18 (b) Any period of delay resulting from a continuance granted at the request of  
19 or with the consent of the juvenile and counsel.

20 (c) Any period of delay caused by the disqualification or substitution of a judge  
21 or by any other transfer of the case or intake inquiry to a different judge, intake  
22 worker or county.

23 (d) Any period of delay resulting from a continuance granted at the request of  
24 the representative of the public under s. 938.09 if the continuance is granted because  
25 of the unavailability of evidence material to the case when he or she has exercised

1 due diligence to obtain the evidence and there are reasonable grounds to believe that  
2 the evidence will be available at the later date, or to allow him or her additional time  
3 to prepare the case and additional time is justified because of the exceptional  
4 circumstances of the case.

5 (e) Any period of delay resulting from the imposition of a consent decree.

6 (f) Any period of delay resulting from the absence or unavailability of the  
7 juvenile.

8 (fm) Any period of delay resulting from the inability of the court to provide the  
9 juvenile with notice of an extension hearing under s. 938.365 due to the juvenile  
10 having run away or otherwise having made himself or herself unavailable to receive  
11 that notice.

12 (g) A reasonable period of delay when the juvenile is joined in a hearing with  
13 another juvenile as to whom the time for a hearing has not expired under this section  
14 if there is good cause for not hearing the cases separately.

15 **(2)** A continuance may be granted by the court only upon a showing of good  
16 cause in open court or during a telephone conference under s. 807.13 on the record  
17 and only for so long as is necessary, taking into account the request or consent of the  
18 representative of the public under s. 938.09 or the parties and the interest of the  
19 public in the prompt disposition of cases.

20 **(3)** Failure to comply with any time limit specified in this chapter does not  
21 deprive the court of personal or subject matter jurisdiction or of competency to  
22 exercise that jurisdiction. If a party does not comply with a time limit specified in  
23 this chapter, the court may grant a continuance under sub. (2), dismiss the petition  
24 with or without prejudice, release the juvenile from secure or nonsecure custody or

1 from the terms of a custody order or grant any other relief that the court considers  
2 appropriate.

3 **938.317 Jeopardy.** Jeopardy attaches when a witness is sworn.

4 **938.32 Consent decree. (1)** (a) At any time after the filing of a petition for  
5 a proceeding relating to s. 938.12 or 938.13 and before the entry of judgment, the  
6 judge or juvenile court commissioner may suspend the proceedings and place the  
7 juvenile under supervision in the juvenile's own home or present placement or in a  
8 youth village program as described in s. 118.42. The court may establish terms and  
9 conditions applicable to the parent, guardian or legal custodian, and to the juvenile,  
10 including any of the conditions specified in subs. (1d), (1g), (1m), (1t) and (1x). The  
11 order under this section shall be known as a consent decree and must be agreed to  
12 by the juvenile; the parent, guardian or legal custodian; and the person filing the  
13 petition under s. 938.25. If the consent decree includes any conditions specified in  
14 sub. (1g), the consent decree shall include provisions for payment of the services as  
15 specified in s. 938.361. The consent decree shall be reduced to writing and given to  
16 the parties.

17 (b) 1. Before entering into a consent decree in a proceeding in which a juvenile  
18 is alleged to be delinquent under s. 938.12 or to be in need of protection or services  
19 under s. 938.13 (12), the court shall allow a victim or a family member of a homicide  
20 victim to make a statement or to submit a written statement to be read to the court.  
21 The court may allow any other person to make or submit a statement under this  
22 subdivision. Any statement made under this subdivision must be relevant to the  
23 consent decree.

24 2. Before entering into a consent decree in a proceeding in which a juvenile is  
25 alleged to be delinquent under s. 938.12 or to be in need of protection or services

1 under s. 938.13 (12), the district attorney or corporation counsel shall attempt to  
2 contact any known victim or family member of a homicide victim to inform that  
3 person of the right to make a statement under subd. 1. Any failure to comply with  
4 this subdivision is not a ground for discharge of the juvenile, parent, guardian or  
5 legal custodian from fulfilling the terms and conditions of the consent decree.

6 **(1d)** If the petition alleges that the juvenile has committed an act that would  
7 constitute a misdemeanor if committed by an adult, if the chief judge of the judicial  
8 administrative district has approved under s. 973.11 (2) a volunteers in probation  
9 program established in the juvenile's county of residence and if the judge or juvenile  
10 court commissioner determines that volunteer supervision under that volunteers in  
11 probation program will likely benefit the juvenile and the community, the judge or  
12 juvenile court commissioner may establish as a condition under sub. (1) that the  
13 juvenile be placed with that volunteers in probation program under such conditions  
14 as the judge or juvenile court commissioner determines are reasonable and  
15 appropriate. These conditions may include, but need not be limited to, any of the  
16 following:

17 (a) A directive to a volunteer to provide for the juvenile a role model, informal  
18 counseling, general monitoring and monitoring of the conditions established by the  
19 judge or juvenile court commissioner, or any combination of these functions.

20 (b) Any other conditions that the judge or juvenile court commissioner may  
21 establish under this section.

22 **(1g)** If the petition alleges that the juvenile committed a violation specified  
23 under ch. 161 and if the multidisciplinary screen conducted under s. 938.24 (2) shows  
24 that the juvenile is at risk of having needs and problems related to the use of alcohol  
25 beverages or controlled substances and its medical, personal, family and social

1 effects, the judge or juvenile court commissioner may establish as a condition under  
2 sub. (1) any of the following:

3 (a) That the juvenile participate in outpatient treatment from an approved  
4 treatment facility for alcohol and other drug abuse, if an alcohol and other drug abuse  
5 assessment that conforms to the criteria specified under s. 938.547 (4) was completed  
6 under s. 938.295 (1).

7 (b) That the juvenile participate in a court-approved pupil assistance program  
8 provided by the juvenile's school board or a court-approved alcohol or other drug  
9 abuse education program. The juvenile's participation in a court-approved pupil  
10 assistance program under this paragraph is subject to the approval of the juvenile's  
11 school board.

12 **(1m)** The judge or juvenile court commissioner may establish as a condition  
13 under sub. (1) that the juvenile be placed in a teen court program if all of the following  
14 conditions apply:

15 (a) The chief judge of the judicial administrative district has approved a teen  
16 court program established in the juvenile's county of residence and the judge or  
17 juvenile court commissioner determines that participation in the teen court program  
18 will likely benefit the juvenile and the community.

19 (b) The juvenile is alleged to have committed a delinquent act that would be  
20 a misdemeanor if committed by an adult.

21 (c) The juvenile admits or pleads no contest in open court, with the juvenile's  
22 parent, guardian or legal custodian present, to the allegations that the juvenile  
23 committed the delinquent act.

24 (d) The juvenile has not successfully completed participation in a teen court  
25 program during the 2 years before the date of the alleged delinquent act.

1           **(1r)** If the conditions of the consent decree provide for an alcohol and other drug  
2 abuse outpatient treatment program under sub. (1g) (a), the juvenile or, if the  
3 juvenile has not attained the age of 12, the juvenile's parent, guardian or legal  
4 custodian shall execute an informed consent form that indicates that they are  
5 voluntarily and knowingly entering into a consent decree for the provision of alcohol  
6 and other drug abuse outpatient treatment.

7           **(1t)** (a) 1. Subject to subd. 3., if the petition alleges that the juvenile committed  
8 a delinquent act that has resulted in damage to the property of another, or in actual  
9 physical injury to another excluding pain and suffering, the judge or juvenile court  
10 commissioner may require the juvenile as a condition of the consent decree, to repair  
11 the damage to property or to make reasonable restitution for the damage or injury  
12 if the judge or juvenile court commissioner, after taking into consideration the  
13 well-being and needs of the victim, considers it beneficial to the well-being and  
14 behavior of the juvenile. Any consent decree that includes a condition of restitution  
15 shall include a finding that the juvenile alone is financially able to pay and may allow  
16 up to the date of the expiration of the consent decree for the payment. Objection by  
17 the juvenile to the amount of damages claimed shall entitle the juvenile to a hearing  
18 on the question of damages before the amount of restitution is made part of the  
19 consent decree.

20           2. In addition to any other employment or duties permitted under ch. 103 or  
21 any rule or order under ch. 103, a juvenile who is under 14 years of age who is  
22 participating in a restitution project provided by the county may, for the purpose of  
23 making restitution under the consent decree, be employed or perform any duties  
24 under any circumstances in which a juvenile 14 or 15 years of age is permitted to be  
25 employed or to perform duties under ch. 103 or any rule or order under ch. 103.

1           3. Under this paragraph, a judge or juvenile court commissioner may not order  
2 a juvenile who is under 14 years of age to make more than \$250 in restitution.

3           (b) The judge may require the juvenile to participate in a supervised work  
4 program or other community service work under s. 938.34 (5g) as a condition of the  
5 consent decree.

6           **(1x)** If the petition alleges that the juvenile violated s. 943.017 and the juvenile  
7 has attained the minimum age at which a juvenile may be adjudicated delinquent,  
8 the judge or juvenile court commissioner may require, as a condition of the consent  
9 decree, that the juvenile participate for not less than 10 hours nor more than 100  
10 hours in a supervised work program under s. 938.34 (5g) or perform not less than 10  
11 hours nor more than 100 hours of other community service work, except that if the  
12 juvenile has not attained 14 years of age the maximum number of hours is 40.

13           **(2)** (a) A consent decree shall remain in effect for up to one year unless the  
14 juvenile, parent, guardian or legal custodian is discharged sooner by the judge or  
15 juvenile court commissioner.

16           (c) Upon the motion of the court or the application of the juvenile, parent,  
17 guardian, legal custodian, intake worker or any agency supervising the juvenile  
18 under the consent decree, the court may, after giving notice to the parties to the  
19 consent decree and their counsel, if any, extend the decree for up to an additional 6  
20 months or, if the consent decree places the juvenile in a youth village program as  
21 described in s. 118.42, for up to an additional one year in the absence of objection to  
22 extension by the parties to the initial consent decree. If the parent, guardian or legal  
23 custodian objects to the extension, the court shall schedule a hearing and make a  
24 determination on the issue of extension. A consent decree placing a juvenile in a  
25 youth village program as described in s. 118.42 may be extended no more than twice.

1           **(3)** If, prior to discharge by the court, or the expiration of the consent decree,  
2           the court finds that the juvenile or parent, legal guardian or legal custodian has  
3           failed to fulfill the express terms and conditions of the consent decree or that the  
4           juvenile objects to the continuation of the consent decree, the hearing under which  
5           the juvenile was placed on supervision may be continued to conclusion as if the  
6           consent decree had never been entered.

7           **(4)** No juvenile who is discharged by the court or who completes the period of  
8           supervision without reinstatement of the original petition may again be proceeded  
9           against in any court for the same offense alleged in the petition or an offense based  
10          on the same conduct, and the original petition shall be dismissed with prejudice.  
11          Nothing in this subsection precludes a civil suit against the juvenile or parent for  
12          damages arising from the juvenile's conduct.

13          **(5)** A court which, under this section, elicits or examines information or  
14          material about a juvenile which would be inadmissible in a hearing on the  
15          allegations of the petition may not, over objections of one of the parties, participate  
16          in any subsequent proceedings if any of the following applies:

17                (a) The court refuses to enter into a consent decree and the allegations in the  
18                petition remain to be decided in a hearing where the juvenile denies the allegations  
19                of delinquency.

20                (b) A consent decree is granted but the petition under s. 938.12 or 938.13 is  
21                subsequently reinstated.

22          **(6)** The judge or juvenile court commissioner shall inform the juvenile and the  
23          juvenile's parent, guardian or legal custodian, in writing, of the juvenile's right to  
24          object to the continuation of the consent decree under sub. (3) and of the fact that the

1 hearing under which the juvenile was placed on supervision may be continued to  
2 conclusion as if the consent decree had never been entered.

### 3 SUBCHAPTER VI

### 4 DISPOSITION

5 **938.33 Court reports. (1) REPORT REQUIRED.** Before the disposition of a  
6 juvenile adjudged to be delinquent or in need of protection or services, the court shall  
7 designate an agency, as defined in s. 938.38 (1) (a), to submit a report which shall  
8 contain all of the following:

9 (a) The social history of the juvenile.

10 (b) A recommended plan of rehabilitation or treatment and care for the juvenile  
11 which is based on the investigation conducted by the agency and any report resulting  
12 from an examination or assessment under s. 938.295, which employs the most  
13 effective means available to accomplish the objectives of the plan.

14 (c) A description of the specific services or continuum of services which the  
15 agency is recommending that the court order for the juvenile or family, the persons  
16 or agencies that would be primarily responsible for providing those services, and the  
17 identity of the person or agency that would provide case management or coordination  
18 of services if any or whether or not the juvenile should receive an integrated service  
19 plan.

20 (d) A statement of the objectives of the plan, including any desired behavior  
21 changes and the academic, social and vocational skills needed by the juvenile.

22 (e) A plan for the provision of educational services to the juvenile, prepared  
23 after consultation with the staff of the school in which the juvenile is enrolled or the  
24 last school in which the juvenile was enrolled.

1 (f) If the agency is recommending that the court order the juvenile's parent,  
2 guardian or legal custodian to participate in mental health treatment, anger  
3 management, individual or family counseling or parent training and education, a  
4 statement as to the availability of those services and as to the availability of funding  
5 for those services.

6 **(2) HOME PLACEMENT REPORTS.** A report recommending that the juvenile remain  
7 in his or her home may be presented orally at the dispositional hearing if all parties  
8 consent. A report that is presented orally shall be transcribed and made a part of the  
9 court record.

10 **(3) CORRECTIONAL PLACEMENT REPORTS.** A report recommending placement of a  
11 juvenile in a secured correctional facility under the supervision of the department  
12 or a secured child caring institution shall be in writing, except that the report may  
13 be presented orally at the dispositional hearing if the juvenile and the juvenile's  
14 counsel consent. A report that is presented orally shall be transcribed and made a  
15 part of the court record. In addition to the information specified under sub. (1) (a)  
16 to (d), the report shall include all of the following:

17 (a) A description of any less restrictive alternatives that are available and that  
18 have been considered, and why they have been determined to be inappropriate. If  
19 the judge has found that any of the conditions specified in s. 938.34 (4m) (b) 1., 2. or  
20 3. applies, the report shall indicate that a less restrictive alternative than placement  
21 in a secured correctional facility or a secured child caring institution is not  
22 appropriate.

23 (b) A recommendation for an amount of child support to be paid by either or  
24 both of the juvenile's parents or for referral to the county designee under s. 59.07 (97)  
25 for the establishment of child support.

1           **(3r)** SERIOUS JUVENILE OFFENDER REPORT. If a juvenile has been adjudicated  
2 delinquent for committing a violation for which the juvenile maybe placed in the  
3 serious juvenile offender program under s. 938.34 (4h) (a), the report shall be in  
4 writing and, in addition to the information specified in sub. (1) and in sub. (3) or (4),  
5 if applicable, shall include an analysis of the juvenile's suitability for placement in  
6 the serious juvenile offender program under s. 938.34 (4h) or in a secured  
7 correctional facility under s. 938.34 (4m), a placement specified in s. 938.34 (3) or  
8 placement in the juvenile's home with supervision and community-based  
9 programming and a recommendation as to the type of placement for which the  
10 juvenile is best suited.

11           **(4)** OTHER OUT-OF-HOME PLACEMENTS. A report recommending placement in a  
12 foster home, treatment foster home, group home or nonsecured child caring  
13 institution shall be in writing, except that the report may be presented orally at the  
14 dispositional hearing if all parties consent. A report that is presented orally shall be  
15 transcribed and made a part of the court record. The report shall include all of the  
16 following:

17           (a) A permanency plan prepared under s. 938.38.

18           (b) A recommendation for an amount of child support to be paid by either or  
19 both of the juvenile's parents or for referral to the county designee under s. 59.07 (97)  
20 for the establishment of child support.

21           **(4m)** SUPPORT RECOMMENDATIONS; INFORMATION TO PARENTS. In making a  
22 recommendation for an amount of child support under sub. (3) or (4), the agency shall  
23 consider the factors that the court considers under s. 46.10 (14) (c) for deviation from  
24 the percentage standard. At or before the dispositional hearing under s. 938.335, the  
25 agency shall provide the juvenile's parent with all of the following:

1 (a) Its recommendation for juvenile support.

2 (b) A written explanation of how the parent may request that the court modify  
3 the amount of child support under s. 46.10 (14) (c).

4 (c) A written explanation of how the parent may request a revision under s.  
5 938.363 in the amount of child support ordered by the court under s. 938.335 (2) (b)  
6 4.

7 **(5) IDENTITY OF FOSTER PARENT OR TREATMENT FOSTER PARENT; CONFIDENTIALITY.**

8 If the report recommends placement in a foster home or a treatment foster home, and  
9 the name of the foster parent or treatment foster parent is not available at the time  
10 the report is filed, the agency shall provide the court and the juvenile's parent or  
11 guardian with the name and address of the foster parent or treatment foster parent  
12 within 21 days after the dispositional order is entered, except that the court may  
13 order the information withheld from the juvenile's parent or guardian if the court  
14 finds that disclosure would result in imminent danger to the juvenile or to the foster  
15 parent or treatment foster parent. After notifying the juvenile's parent or guardian,  
16 the court shall hold a hearing prior to ordering the information withheld.

17 **938.331 Court reports; effect on victim.** If the delinquent act would  
18 constitute a felony if committed by an adult, the person preparing the report under  
19 s. 938.33 (1) shall attempt to determine the economic, physical and psychological  
20 effect of the delinquent act on the victim. The person preparing the report may ask  
21 any appropriate person for information. This section does not preclude the person  
22 who prepares the report from including any information for the court concerning the  
23 impact of a delinquent act on the victim. If the delinquent act would not constitute  
24 a felony but a victim has suffered bodily harm or the act involved theft or damage to

1 property, the person preparing the report is encouraged to seek the information  
2 described in this section.

3 **938.335 Dispositional hearings. (1)** The court shall conduct a hearing to  
4 determine the disposition of a case in which a juvenile is adjudged to be delinquent  
5 under s. 938.12, to have violated a civil law or ordinance under s. 938.125 or to be in  
6 need of protection or services under s. 938.13, except that the court shall proceed as  
7 provided in s. 938.237 (2) if a citation is issued and the juvenile fails to contest the  
8 citation.

9 (3) At hearings under this section, any party may present evidence relevant  
10 to the issue of disposition, including expert testimony, and may make alternative  
11 dispositional recommendations.

12 (3m) (a) Before imposing a disposition in a proceeding in which a juvenile is  
13 adjudged to be delinquent under s. 938.12 or is found to be in need of protection or  
14 services under s. 938.13 (12), the court shall allow a victim or a family member of a  
15 homicide victim to make a statement or to submit a written statement to be read to  
16 the court. The court may allow any other person to make or submit a statement  
17 under this paragraph. Any statement made under this paragraph must be relevant  
18 to the disposition.

19 (b) After a finding that a juvenile is delinquent under s. 938.12 or is found to  
20 be in need of protection or services under s. 938.13 (12), the district attorney or  
21 corporation counsel shall attempt to contact any known victim or family member of  
22 a homicide victim to inform that person of the right to make a statement under par.  
23 (a). Any failure to comply with this paragraph is not a ground for an appeal of a  
24 dispositional order or for any court to reverse or modify a dispositional order.

1           **(3r)** At hearings under this section, a parent of the juvenile may present  
2 evidence relevant to the amount of child support to be paid by either or both parents.

3           **(4)** At hearings under this section, s. 938.357, 938.363 or 938.365, on the  
4 request of any party, unless good cause to the contrary is shown, the court may admit  
5 testimony on the record by telephone or live audio-visual means, if available, under  
6 s. 807.13 (2). The request and the showing of good cause may be made by telephone.

7           **(5)** At the conclusion of the hearing, the court shall make a dispositional order  
8 in accordance with s. 938.355.

9           **938.34 Disposition of juvenile adjudged delinquent.** If the court adjudges  
10 a juvenile delinquent, the court shall enter an order deciding one or more of the  
11 dispositions of the case as provided in this section under a care and treatment plan.  
12 A disposition under sub. (4m) must be combined with a disposition under sub. (4n).  
13 In deciding the dispositions for a juvenile who is adjudicated delinquent, the court  
14 shall consider the seriousness of the act for which the juvenile is adjudicated  
15 delinquent and may consider any other delinquent act that is read into the record  
16 and dismissed at the time of the adjudication. The dispositions under this section  
17 are:

18           **(1) COUNSELING.** Counsel the juvenile or the parent, guardian or legal  
19 custodian.

20           **(2) SUPERVISION.** (a) Place the juvenile under the supervision of an agency, the  
21 department, if the department approves, or a suitable adult, including a friend of the  
22 juvenile, under conditions prescribed by the court including reasonable rules for the  
23 juvenile's conduct, designed for the physical, mental and moral well-being and  
24 behavior of the juvenile.

1 (b) If the juvenile is placed in the juvenile's home under the supervision of an  
2 agency or the department, order the agency or department to provide specified  
3 services to the juvenile and the juvenile's family, which may include but are not  
4 limited to individual, family or group counseling, homemaker or parent aide  
5 services, respite care, housing assistance, day care or parent skills training.

6 (c) Order the juvenile to remain at his or her home or other placement for a  
7 period of not more than 30 days under rules of supervision specified in the order.

8 **(2g)** VOLUNTEERS IN PROBATION PROGRAM. If the juvenile is adjudicated  
9 delinquent for the commission of an act that would constitute a misdemeanor if  
10 committed by an adult, if the chief judge of the judicial administrative district has  
11 approved under s. 973.11 (2) a volunteers in probation program established in the  
12 juvenile's county of residence and if the court determines that volunteer supervision  
13 under that volunteers in probation program will likely benefit the juvenile and the  
14 community, placement of the juvenile with that volunteers in probation program  
15 under such conditions as the court determines are reasonable and appropriate.  
16 These conditions may include, but need not be limited to, any of the following:

17 (a) A directive to a volunteer to provide for the juvenile a role model, informal  
18 counseling, general monitoring and monitoring of the conditions established by the  
19 court, or any combination of these functions.

20 (b) Any other disposition that the court may impose under this section.

21 **(2m)** TEEN COURT PROGRAM. Order the juvenile to be placed in a teen court  
22 program if all of the following conditions apply:

23 (a) The chief judge of the judicial administrative district has approved a teen  
24 court program established in the juvenile's county of residence and the judge

1 determines that participation in the teen court program will likely benefit the  
2 juvenile and the community.

3 (b) The juvenile is alleged to have committed a delinquent act that would be  
4 a misdemeanor if committed by an adult.

5 (c) The juvenile admits or pleads no contest in open court, with the juvenile's  
6 parent, guardian or legal custodian present, to the allegations that the juvenile  
7 committed the delinquent act.

8 (d) The juvenile has not successfully completed participation in a teen court  
9 program during the 2 years before the date of the alleged delinquent act.

10 **(2r)** INTENSIVE SUPERVISION. Order the juvenile to participate in an intensive  
11 supervision program under s. 938.534.

12 **(3)** PLACEMENT. Designate one of the following as the placement for the juvenile:

13 (a) The home of a parent or other relative of the juvenile.

14 (b) A home which need not be licensed if placement is for less than 30 days.

15 (c) A foster home or treatment foster home licensed under s. 48.62 or a group  
16 home licensed under s. 48.625.

17 (d) A child caring institution licensed under s. 48.60.

18 (dm) A youth village program as described in s. 118.42, if the juvenile, his or  
19 her parent, guardian or legal custodian and the youth village program agree to that  
20 placement.

21 (e) An independent living situation effective on or after the juvenile's 17th  
22 birthday, either alone or with friends, under such supervision as the court considers  
23 appropriate, but only if the juvenile is of sufficient maturity and judgment to live  
24 independently and only upon proof of a reasonable plan for supervision by an  
25 appropriate person or agency.

1 (f) A secure detention facility or juvenile portion of a county jail that meets the  
2 standards promulgated by the department of corrections by rule, or in a place of  
3 nonsecure custody designated by the court, subject to all of the following:

4 1. The placement may be for any combination of single or consecutive days  
5 totalling not more than 30. The juvenile shall be given credit against the period of  
6 detention or nonsecure custody imposed under this paragraph for all time spent in  
7 secure detention in connection with the course of conduct for which the detention or  
8 nonsecure custody was imposed.

9 2. The order may provide that the juvenile may be released from the secure  
10 detention facility, juvenile portion of the jail or place of nonsecure custody during  
11 specified hours to attend school, to work at the juvenile's place of employment or to  
12 attend or participate in any activity which the court considers beneficial to the  
13 juvenile.

14 3. The use of placement in a secure detention facility or in a juvenile portion  
15 of a county jail as a disposition under this paragraph is subject to the adoption of a  
16 resolution by the county board of supervisors under s. 938.06 (5) authorizing the use  
17 of those placements as a disposition.

18 **(3g) ELECTRONIC MONITORING.** Monitoring by an electronic monitoring system  
19 for a juvenile subject to an order under sub. (2), (2r), (3) (a) to (e), (4h) or (4n) who is  
20 placed in the community.

21 **(4) TRANSFER OF LEGAL CUSTODY.** If it is shown that the rehabilitation or the  
22 treatment and care of the juvenile cannot be accomplished by means of voluntary  
23 consent of the parent or guardian, transfer legal custody to any of the following:

24 (a) A relative of the juvenile.

25 (b) A county department.

1 (c) A licensed child welfare agency.

2 **(4h)** SERIOUS JUVENILE OFFENDER PROGRAM. Place the juvenile in the serious  
3 juvenile offender program under s. 938.538, but only if all of the following apply:

4 (a) The juvenile is 14 years of age or over and has been adjudicated delinquent  
5 for committing a violation of s. 939.31, 939.32 (1) (a), 940.03, 940.21, 940.225 (1),  
6 940.305, 940.31, 941.327 (2) (b) 4., 943.02, 943.10 (2), 943.23 (1g), (1m) or (1r), 943.32  
7 (2), 948.02 (1), 948.025, 948.30, 948.35 (1) (b) or 948.36 or the juvenile is 10 years of  
8 age or over and has been adjudicated delinquent for attempting or committing a  
9 violation of s. 940.01 or for committing a violation of 940.02 or 940.05.

10 (b) The judge finds that the only other disposition that would be appropriate  
11 for the juvenile would be placement of the juvenile in a secured correctional facility  
12 under sub. (4m).

13 **(4m)** CORRECTIONAL PLACEMENT. Place the juvenile in a secured correctional  
14 facility under the supervision of the department if the juvenile is 12 years of age or  
15 over or, if the juvenile is under 12 years of age, in a secured child caring institution  
16 under the supervision of the department, unless the department, after an  
17 examination under s. 938.50, determines that placement in a secured correctional  
18 facility is more appropriate, but only if all of the following apply:

19 (a) The juvenile has been found to be delinquent for the commission of an act  
20 which if committed by an adult would be punishable by a sentence of 6 months or  
21 more.

22 (b) The juvenile has been found to be a danger to the public and to be in need  
23 of restrictive custodial treatment. If the judge determines that any of the following  
24 conditions applies, but that placement in the serious juvenile offender program  
25 under sub. (4h) would not be appropriate, that determination shall be prima facie

1 evidence that the juvenile is a danger to the public and in need of restrictive custodial  
2 treatment under this subsection:

3 1. The juvenile has committed a delinquent act that would be a felony under  
4 s. 940.01, 940.02, 940.03, 940.05, 940.19 (2) to (6), 940.21, 940.225 (1), 940.31, 941.20  
5 (3), 943.02 (1), 943.23 (1g), (1m) or (1r), 943.32 (2), 947.013 (1t), (1v) or (1x), 948.02  
6 (1) or (2), 948.025 or 948.03 if committed by an adult.

7 2. The juvenile has possessed, used or threatened to use a handgun, as defined  
8 in s. 175.35 (1) (b), short-barreled rifle, as defined in s. 941.28 (1) (b), or  
9 short-barreled shotgun, as defined in s. 941.28 (1) (c), while committing a delinquent  
10 act that would be a felony under ch. 940 if committed by an adult.

11 3. The juvenile has possessed or gone armed with a short-barreled rifle or a  
12 short-barreled shotgun in violation of s. 941.28 or has possessed or gone armed with  
13 a handgun in violation of s. 948.60.

14 **(4n) AFTERCARE SUPERVISION.** Subject to s. 938.532 (3) and to any arrangement  
15 between the department and a county department regarding the provision of  
16 aftercare supervision for juveniles who have been released from a secured  
17 correctional facility or a secured child caring institution, designate one of the  
18 following to provide aftercare supervision for the juvenile following the juvenile's  
19 release from the secured correctional facility or secured child caring institution:

20 (a) The department.

21 (b) The county department of the county of the court that placed the juvenile  
22 in the secured correctional facility or secured child caring institution.

23 (c) The county department of the juvenile's county of legal residence.

24 **(5) RESTITUTION.** (a) Subject to par. (c), if the juvenile is found to have  
25 committed a delinquent act which has resulted in damage to the property of another,

1 or actual physical injury to another excluding pain and suffering, order the juvenile  
2 to repair the damage to property or to make reasonable restitution for the damage  
3 or injury if the court, after taking into consideration the well-being and needs of the  
4 victim, considers it beneficial to the well-being and behavior of the juvenile. Any  
5 such order shall include a finding that the juvenile alone is financially able to pay  
6 and may allow up to the date of the expiration of the order for the payment. Objection  
7 by the juvenile to the amount of damages claimed shall entitle the juvenile to a  
8 hearing on the question of damages before the amount of restitution is ordered.

9 (am) Subject to par. (c), order a juvenile who owes restitution under par. (a) and  
10 who is receiving income while placed in a secured correctional facility, residential  
11 treatment center or other out-of-home placement to contribute a stated percentage  
12 of that income towards that restitution.

13 (b) In addition to any other employment or duties permitted under ch. 103 or  
14 any rule or order under ch. 103, a juvenile who is under 14 years of age who is  
15 participating in a restitution project provided by the county may, for the purpose of  
16 making restitution ordered by the court under this subsection, be employed or  
17 perform any duties under any circumstances in which a juvenile 14 or 15 years of age  
18 is permitted to be employed or perform duties under ch. 103 or any rule or order  
19 under ch. 103.

20 (c) Under this subsection, a court may not order a juvenile who is under 14 years  
21 of age to make more than \$250 in restitution.

22 **(5g) SUPERVISED WORK PROGRAM OR OTHER COMMUNITY SERVICE WORK.** (a) Order  
23 the juvenile to participate in a supervised work program administered by the county  
24 department or a community agency approved by the court or other community

1 service work administered by a public agency or nonprofit charitable organization  
2 approved by the court.

3 (am) The court shall set standards for the supervised work program within the  
4 budgetary limits established by the county board of supervisors. The supervised  
5 work program may provide the juvenile reasonable compensation reflecting a  
6 reasonable market value of the work performed or it may consist of uncompensated  
7 community service work. Community service work may be in lieu of restitution only

13 program during the 2 years before the date of the alleged municipal ordinance  
14 violation.

15 **(1m)** (a) If the court finds that the juvenile violated a municipal ordinance  
16 enacted under s. 118.163 (2), the court may, in addition to or instead of the  
17 dispositions under sub. (1), order the juvenile's parent, guardian or legal custodian  
18 to participate in counseling at the parent's, guardian's or legal custodian's own  
19 expense.

20 (b) No order to any person under par. (a) may be entered until the person is  
21 given an opportunity to be heard on the contemplated order of the court. The court  
22 shall cause notice of the time, place and purpose of the hearing to be served on the  
23 person personally at least 10 days before the date of the hearing. The procedure in  
24 these cases shall, as far as practicable, be the same as in other cases to the court. At  
25 the hearing, the person may be represented by counsel and may produce and

1 cross-examine witnesses. Any person who fails to comply with any order issued by  
2 a court under par. (a) may be proceeded against for contempt of court.

3 (2) (a) Except as provided in par. (b), if the court finds that the juvenile is  
4 subject to a municipal ordinance enacted under s. 118.163 (2m), the court shall enter  
5 an order suspending the juvenile's operating privilege, as defined in s. 340.01 (40),  
6 until the juvenile reaches the age of 18.

7 (b) The court may enter an order making any of the dispositions specified under  
8 sub. (1) if the court finds that suspension of the juvenile's operating privilege, as  
9 defined in s. 340.01 (40), until the juvenile reaches the age of 18 would cause an  
10 undue hardship to the juvenile or the juvenile's family.

11 **938.343 Disposition of juvenile adjudged to have violated a civil law or**  
12 **an ordinance.** Except as provided by ss. 938.342 and 938.344, if the court finds that  
13 the juvenile violated a civil law or an ordinance, the court shall enter an order  
14 making one or more of the following dispositions:

15 (1) Counsel the juvenile or the parent or guardian.

16 (2) Impose a forfeiture not to exceed the maximum forfeiture that may be  
17 imposed on an adult for committing that violation or, if the violation is only  
18 applicable to a juvenile, \$50. Any such order shall include a finding that the juvenile  
19 alone is financially able to pay and shall allow up to 12 months for the payment. If  
20 a juvenile fails to pay the forfeiture, the court may suspend any license issued under  
21 ch. 29 or suspend the juvenile's operating privilege as defined in s. 340.01 (40), for  
22 not less than 30 days nor more than 5 years. The court shall immediately take  
23 possession of the suspended license and forward it to the department which issued  
24 the license, together with the notice of suspension clearly stating that the suspension  
25 is for failure to pay a forfeiture imposed by the court. If the forfeiture is paid during

1 the period of suspension, the court shall immediately notify the department, which  
2 will thereupon return the license to the person.

3 **(2m)** Order the juvenile to be placed in a teen court program if all of the  
4 following conditions apply:

5 (a) The chief judge of the judicial administrative district has approved a teen  
6 court program established in the juvenile's county of residence and the judge  
7 determines that participation in the teen court program will likely benefit the  
8 juvenile and the community.

9 (b) The juvenile admits or pleads no contest in open court, with the juvenile's  
10 parent, guardian or legal custodian present, to the allegations that the juvenile  
11 violated the civil law or ordinance.

12 (c) The juvenile has not successfully completed participation in a teen court  
13 program during the 2 years before the date of the alleged civil law or ordinance  
14 violation.

15 **(3)** Order the juvenile to participate in a supervised work program or other  
16 community service work under s. 938.34 (5g).

17 **(4)** If the violation has resulted in damage to the property of another, or in  
18 actual physical injury to another excluding pain and suffering, the court may order  
19 the juvenile to make repairs of the damage to property or reasonable restitution for  
20 the damage or injury if the court, after taking into consideration the well-being and  
21 needs of the victim, considers it beneficial to the well-being and behavior of the  
22 juvenile. Any such order requiring payment for repairs or restitution shall include  
23 a finding that the juvenile alone is financially able to pay and may allow up to the  
24 date of the expiration of the order for the payment. Objection by the juvenile to the

1 amount of damages claimed shall entitle the juvenile to a hearing on the question of  
2 damages before the amount of restitution is ordered.

3 (5) If the violation is related to unsafe use of a boat, order the juvenile to attend  
4 a safety course under s. 30.74 (1).

5 (6) If the violation is of ch. 29, suspension of the license or licenses of the  
6 juvenile issued under that chapter for not more than one year or until the juvenile  
7 is 18 years of age, whichever occurs first.

8 (7) If the violation is related to the unsafe use of firearms, order the juvenile  
9 to attend a course under the hunter education and firearm safety program under s.  
10 29.225.

11 (8) If the violation is one under ch. 350 concerning the use of snowmobiles,  
12 order the juvenile to attend a safety course under s. 350.055.

13 (9) If the violation is one under s. 23.33 or under an ordinance enacted in  
14 conformity with s. 23.33 concerning the use of all-terrain vehicles, order the juvenile  
15 to enroll and participate in an all-terrain vehicle safety course.

16 (10) If the violation is related to the use or abuse of alcohol beverages or  
17 controlled substances, order the juvenile to do any of the following:

18 (a) Submit to an alcohol and other drug abuse assessment that conforms to the  
19 criteria specified under s. 938.547 (4) and that is conducted by an approved  
20 treatment facility. The order shall designate an approved treatment facility to  
21 perform the assessment and shall specify the date by which the assessment must be  
22 completed.

23 (b) Participate in an outpatient alcohol and other drug abuse treatment  
24 program if an assessment conducted under par. (a) or s. 938.295 (1) recommends  
25 treatment.

1 (c) Participate in a court-approved pupil assistance program provided by the  
2 juvenile's school board or in a court-approved alcohol or other drug abuse education  
3 program. The juvenile's participation in a court-approved pupil assistance program  
4 under this paragraph is subject to the approval of the juvenile's school board.

5 **938.344 Disposition; certain intoxicating liquor, beer and drug**  
6 **violations.**

7 (2) If a court finds a juvenile committed a violation under s. 125.07 (4) (b) or  
8 125.09 (2), or a local ordinance that strictly conforms to one of those statutes, the  
9 court shall order one or any combination of the following penalties:

10 (a) For a first violation, a forfeiture of not more than \$50, suspension of the  
11 juvenile's operating privilege as provided under s. 343.30 (6) (b) 1. or the juvenile's  
12 participation in a supervised work program or other community service work under  
13 s. 938.34 (5g).

14 (b) For a violation committed within 12 months of a previous violation, a  
15 forfeiture of not more than \$100, suspension of the juvenile's operating privilege as  
16 provided under s. 343.30 (6) (b) 2. or the juvenile's participation in a supervised work  
17 program or other community service work under s. 938.34 (5g).

18 (c) For a violation committed within 12 months of 2 or more previous violations,  
19 a forfeiture of not more than \$500, revocation of the juvenile's operating privilege as  
20 provided under s. 343.30 (6) (b) 3. or the juvenile's participation in a supervised work  
21 program or other community service work under s. 938.34 (5g).

22 (2b) If a court finds a juvenile committed a violation under s. 125.07 (4) (a), or  
23 a local ordinance which strictly conforms to s. 125.07 (4) (a), the court shall order one  
24 or any combination of the following penalties:

1 (a) For a first violation, a forfeiture of not less than \$250 nor more than \$500,  
2 suspension of the juvenile's operating privilege as provided under s. 343.30 (6) (b) 1.  
3 or the juvenile's participation in a supervised work program or other community  
4 service work under s. 938.34 (5g).

5 (b) For a violation committed within 12 months of a previous violation, a  
6 forfeiture of not less than \$300 nor more than \$500, suspension of the juvenile's  
7 operating privilege as provided under s. 343.30 (6) (b) 2. or the juvenile's  
8 participation in a supervised work program or other community service work under  
9 s. 938.34 (5g).

10 (c) For a violation committed within 12 months of 2 or more previous violations,  
11 a forfeiture of \$500, revocation of the juvenile's operating privilege as provided under  
12 s. 343.30 (6) (b) 3. or the juvenile's participation in a supervised work program or  
13 other community service work under s. 938.34 (5g).

14 **(2d)** If a court finds a juvenile committed a violation under s. 125.085 (3) (b),  
15 or a local ordinance which strictly conforms to s. 125.085 (3) (b), the court shall order  
16 one or any combination of the following penalties:

17 (a) For a first violation, a forfeiture of not less than \$100 nor more than \$500,  
18 suspension of the juvenile's operating privilege as provided under s. 343.30 (6) (b) 1.  
19 or the juvenile's participation in a supervised work program or other community  
20 service work under s. 938.34 (5g).

21 (b) For a violation committed within 12 months of a previous violation, a  
22 forfeiture of not less than \$300 nor more than \$500, suspension of the juvenile's  
23 operating privilege as provided under s. 343.30 (6) (b) 2. or the juvenile's  
24 participation in a supervised work program or other community service work under  
25 s. 938.34 (5g).

1 (c) For a violation committed within 12 months of 2 or more previous violations,  
2 a forfeiture of \$500, revocation of the juvenile's operating privilege as provided under  
3 s. 343.30 (6) (b) 3. or the juvenile's participation in a supervised work program or  
4 other community service work under s. 938.34 (5g).

5 **(2e)** (a) If a court finds a juvenile committed a violation under s. 161.573 (2),  
6 161.574 (2) or 161.575 (2), or a local ordinance that strictly conforms to one of those  
7 statutes, the court shall suspend or revoke the juvenile's operating privilege, as  
8 defined in s. 340.01 (40), for not less than 6 months nor more than 5 years and, in  
9 addition, shall order one of the following penalties:

10 1. For a first violation, a forfeiture of not more than \$50 or the juvenile's  
11 participation in a supervised work program or other community service work under  
12 s. 938.34 (5g) or both.

13 2. For a violation committed within 12 months of a previous violation, a  
14 forfeiture of not more than \$100 or the juvenile's participation in a supervised work  
15 program or other community service work under s. 938.34 (5g) or both.

16 3. For a violation committed within 12 months of 2 or more previous violations,  
17 a forfeiture of not more than \$500 or the juvenile's participation in a supervised work  
18 program or other community service work under s. 938.34 (5g) or both.

19 (b) Whenever a court suspends or revokes a juvenile's operating privilege under  
20 this subsection, the court shall immediately take possession of any suspended or  
21 revoked license and forward it to the department of transportation, together with the  
22 notice of suspension or revocation clearly stating that the suspension or revocation  
23 is for a violation under s. 161.573 (2), 161.574 (2) or 161.575 (2), or a local ordinance  
24 that strictly conforms to one of those statutes.

1 (c) If the juvenile's license or operating privilege is currently suspended or  
2 revoked or the juvenile does not currently possess a valid operator's license issued  
3 under ch. 343, the suspension or revocation under this subsection is effective on the  
4 date on which the juvenile is first eligible and applies for issuance, renewal or  
5 reinstatement of an operator's license under ch. 343.

6 **(2g)** (a) After ordering a penalty under sub. (2), (2b), (2d) or (2e), the court, with  
7 the agreement of the juvenile, may enter an additional order staying the execution  
8 of the penalty order and suspending or modifying the penalty imposed. The order  
9 under this paragraph shall require the juvenile to do any of the following:

10 1. Submit to an alcohol and other drug abuse assessment that conforms to the  
11 criteria specified under s. 938.547 (4) and that is conducted by an approved  
12 treatment facility. The order shall designate an approved treatment facility to  
13 conduct the alcohol and other drug abuse assessment and shall specify the date by  
14 which the assessment must be completed.

15 2. Participate in an outpatient alcohol or other drug abuse treatment program  
16 at an approved treatment facility, if an alcohol or other drug abuse assessment  
17 conducted under subd. 1. or s. 938.295 (1) recommends treatment.

18 3. Participate in a court-approved pupil assistance program provided by the  
19 juvenile's school board or in a court-approved alcohol or other drug abuse education  
20 program. The juvenile's participation in a court-approved pupil assistance program  
21 under this subdivision is subject to the approval of the juvenile's school board.

22 4. Participate in a teen court program if all of the following conditions apply:

23 a. The chief judge of the judicial administrative district has approved a teen  
24 court program established in the juvenile's county of residence and the judge

1 determines that participation in the teen court program will likely benefit the  
2 juvenile and the community.

3 b. The juvenile admits or pleads no contest in open court, with the juvenile's  
4 parent, guardian or legal custodian present, to the allegations that the juvenile  
5 committed the violation specified in sub. (2), (2b), (2d) or (2e).

6 c. The juvenile has not successfully completed participation in a teen court  
7 program during the 2 years before the date of the alleged violation.

8 (b) If the approved treatment facility, with the written informed consent of the  
9 juvenile or, if the juvenile has not attained the age of 12, the written informed consent  
10 of the juvenile's parent, notifies the agency primarily responsible for providing  
11 services to the juvenile that the juvenile has submitted to an assessment under par.  
12 (a) and that the juvenile does not need treatment, intervention or education, the  
13 court shall notify the juvenile of whether or not the penalty will be reinstated.

14 (c) If the juvenile completes the alcohol or other drug abuse treatment program,  
15 court-approved pupil assistance program or court-approved alcohol or other drug  
16 abuse education program, the approved treatment facility, court-approved pupil  
17 assistance program or court-approved alcohol or other drug abuse education  
18 program shall, with the written informed consent of the juvenile or, if the juvenile  
19 has not attained the age of 12, the written informed consent of the juvenile's parent,  
20 notify the agency primarily responsible for providing services to the juvenile that the  
21 juvenile has complied with the order and the court shall notify the juvenile of  
22 whether or not the penalty will be reinstated.

23 (d) If an approved treatment facility, court-approved pupil assistance program  
24 or court-approved alcohol or other drug abuse education program, with the written  
25 informed consent of the juvenile or, if the juvenile has not attained the age of 12, the

1 written informed consent of the juvenile's parent, notifies the agency primarily  
2 responsible for providing services to the juvenile that a juvenile is not participating,  
3 or has not satisfactorily completed, a recommended alcohol or other drug abuse  
4 treatment program, a court-approved pupil assistance program or a court-approved  
5 alcohol or other drug abuse education program, the court shall hold a hearing to  
6 determine whether the penalties under sub. (2), (2b), (2d) or (2e) should be imposed.

7 **(2m)** For purposes of subs. (2) to (2e), all violations arising out of the same  
8 incident or occurrence shall be counted as a single violation.

9 **(3)** If the juvenile alleged to have committed the violation is within 3 months  
10 of his or her 17th birthday, the court assigned to exercise jurisdiction under this  
11 chapter and ch. 48 may, at the request of the district attorney or on its own motion,  
12 dismiss the citation without prejudice and refer the matter to the district attorney  
13 for prosecution under s. 125.07 (4). The juvenile is entitled to a hearing only on the  
14 issue of his or her age. This subsection does not apply to violations under s. 161.573  
15 (2), 161.574 (2) or 161.575 (2) or a local ordinance that strictly conforms to one of  
16 those statutes.

17 **938.345 Disposition of juvenile adjudged in need of protection or**  
18 **services. (1)** If the court finds that the juvenile is in need of protection or services,  
19 the court shall enter an order deciding one or more of the dispositions of the case as  
20 provided in s. 938.34 under a care and treatment plan except that the order may not  
21 do any of the following:

22 (a) Place the juvenile in the serious juvenile offender program, a secured  
23 correctional facility or a secured child caring institution.

24 (c) Order payment of a forfeiture.

1 (d) Restrict, suspend or revoke the driving privileges of the juvenile, except as  
2 provided under sub. (2).

3 (e) Place any juvenile not specifically found under chs. 46, 49, 51, 115 and 880  
4 to be developmentally disabled, mentally ill or to have exceptional educational needs  
5 in facilities which exclusively treat those categories of juveniles.

6 (g) Order the juvenile into detention or nonsecure custody under s. 938.34 (3)  
7 (f).

8 **(2)** If the court finds that a juvenile is in need of protection or services based on  
9 the fact that the juvenile is a school dropout, as defined in s. 118.153 (1) (b), or based  
10 on habitual truancy, and the court also finds that the reason the juvenile has dropped  
11 out of school or is a habitual truant is a result of the juvenile's intentional refusal to  
12 attend school rather than the failure of any other person to comply with s. 118.15 (1)  
13 (a), the court, instead of or in addition to any other disposition imposed under sub.  
14 (1), may enter an order permitted under s. 938.342.

15 **938.346 Notice to victims of juveniles' acts.** (1) Each known victim of a  
16 juvenile's act shall receive timely notice of the following information:

17 (a) The procedure under s. 938.396 (1r) for obtaining the identity of the juvenile  
18 and the juvenile's parents.

19 (b) The procedure under s. 938.396 (1r) for obtaining the juvenile's police  
20 records.

21 (c) The potential liability of the juvenile's parents under s. 895.035.

22 (d) Either of the following:

23 1. Information regarding any deferred prosecution agreement under s.  
24 938.245, any consent decree under s. 938.32 or any dispositional order under ss.  
25 938.34 to 938.345. The information may not include reports under s. 938.295 or

1 938.33 or any other information that deals with sensitive personal matters of the  
2 juvenile and the juvenile's family and that does not directly relate to the act or alleged  
3 act committed against the victim. This subdivision does not affect the right of a  
4 victim to attend any hearing that the victim is permitted to attend under s. 938.299  
5 (1) (am).

6 2. The procedure the victim may follow for obtaining the information in subd.  
7 1.

8 (e) The procedure under s. 938.296 under which the victim, if an adult, or the  
9 parent, guardian or legal custodian of the victim, if the victim is a child, may request  
10 an order requiring a juvenile who is alleged to have violated s. 940.225, 948.02,  
11 948.025, 948.05 or 948.06 to submit to a test or a series of tests to detect the presence  
12 of HIV, as defined in s. 252.01 (1m), antigen or nonantigenic products of HIV, an  
13 antibody to HIV or a sexually transmitted disease, as defined in s. 252.11 (1), and to  
14 have the results of that test or series of tests disclosed as provided in s. 938.296 (4)  
15 (a) to (e).

16 (f) The right to request and receive notice of the time and place of any hearing  
17 that the victim may attend under s. 938.299 (1) (am).

18 (g) The right to make a statement to the court as provided in ss. 938.32 (1) (b)  
19 and 938.335 (3m).

20 **(1m)** The intake worker shall provide notice of the information specified in sub.  
21 (1) (a), (b) and (c), the information specified in sub. (1) (d) relating to a deferred  
22 prosecution agreement under s. 938.245 and the information specified in sub. (3) if  
23 the inquiry is terminated without a deferred prosecution agreement before the filing  
24 of a petition. The district attorney or corporation counsel shall provide notice of the  
25 information specified in sub. (1) (e), (f) and (g), the information specified in sub. (1)

1 (d) relating to a consent decree under s. 938.32 or a dispositional order under ss.  
2 938.34 to 938.345 and the information under sub. (3) if the proceeding is terminated  
3 without a consent decree or dispositional order after the filing of a petition.

4 (2) The notice under sub. (1) shall include an explanation of the restrictions on  
5 divulging information obtained under this chapter and the penalties for violations.

6 (3) If an inquiry or proceeding is closed, dismissed or otherwise does not result  
7 in a deferred prosecution agreement, consent decree or dispositional order, a  
8 reasonable attempt shall be made to inform each known victim of the juvenile's  
9 alleged act that the inquiry or proceeding has been terminated.

10 (4) If the victim is a child, the notice under this section shall be given to the  
11 child's parents, guardian or legal custodian.

12 (5) Chief judges and circuit judges shall establish by policy and rule procedures  
13 for the implementation of this section. The policies and rules shall specify when, how  
14 and by whom the notice under this section shall be provided to victims.

15 **938.35 Effect of judgment and disposition.** (1) The court shall enter a  
16 judgment setting forth the court's findings and disposition in the proceeding. A  
17 judgment in a proceeding on a petition under this subchapter is not a conviction of  
18 a crime, does not impose any civil disabilities ordinarily resulting from the conviction  
19 of a crime and does not operate to disqualify the juvenile in any civil service  
20 application or appointment. The disposition of a juvenile, and any record of evidence  
21 given in a hearing in court, is not admissible as evidence against the juvenile in any  
22 case or proceeding in any other court except for the following:

23 (a) In sentencing proceedings after conviction of a felony or misdemeanor and  
24 then only for the purpose of a presentence study and report.

1 (b) In a proceeding in any court assigned to exercise jurisdiction under this  
2 chapter and ch. 48.

3 (c) In a court of civil or criminal jurisdiction while it is exercising the  
4 jurisdiction of a family court and is considering the custody of juveniles.

5 (cm) In a court of civil or criminal jurisdiction for purposes of setting bail under  
6 ch. 969 or impeaching a witness under s. 906.09.

7 (d) The fact that a juvenile has been adjudged delinquent on the basis of  
8 unlawfully and intentionally killing a person is admissible for the purpose of s.  
9 852.01 (2m) (bg).

10 **(1m)** Disposition by the court assigned to exercise jurisdiction under this  
11 chapter and ch. 48 of any allegation under s. 938.12 or 938.13 (12) shall bar any  
12 future proceeding on the same matter in criminal court when the juvenile reaches  
13 the age of 17. This paragraph does not affect proceedings in criminal court which  
14 have been transferred under s. 938.18.

15 **(2)** Except as specifically provided in sub. (1), this section does not preclude the  
16 court from disclosing information to qualified persons if the court considers the  
17 disclosure to be in the best interests of the juvenile or of the administration of justice.

18 **938.355 Dispositional orders. (1) INTENT.** In any order under s. 938.34 or  
19 938.345, the court shall decide on a placement and treatment finding based on  
20 evidence submitted to the court. The disposition shall employ those means necessary  
21 to promote the objectives specified in s. 938.01. If the disposition places a juvenile  
22 who has been adjudicated delinquent outside the home under s. 938.34 (3) (c) or (d),  
23 the order shall include a finding that the juvenile's current residence will not  
24 safeguard the welfare of the juvenile or the community due to the serious nature of  
25 the act for which the juvenile was adjudicated delinquent. If the judge has

1 determined that any of the conditions specified in s. 938.34 (4m) (b) 1., 2. or 3. applies,  
2 that determination shall be prima facie evidence that a less restrictive alternative  
3 than placement in a secured correctional facility or a secured child caring institution  
4 is not appropriate. If information under s. 938.331 has been provided in a court  
5 report under s. 938.33 (1), the court shall consider that information when deciding  
6 on a placement and treatment finding.

7 **(2) CONTENT OF ORDER; COPY TO PARENT.** (a) In addition to the order, the court  
8 shall make written findings of fact and conclusions of law based on the evidence  
9 presented to the court to support the disposition ordered, including findings as to the  
10 juvenile's condition and need for special treatment or care if an examination or  
11 assessment was conducted under s. 938.295. A finding may not include a finding that  
12 a juvenile is in need of psychotropic medications.

13 (b) The court order shall be in writing and shall contain:

14 1. The specific services or continuum of services to be provided to the juvenile  
15 and family, the identity of the agencies which are to be primarily responsible for the  
16 provision of the services mandated by the court, the identity of the person or agency  
17 who will provide case management or coordination of services, if any, and, if custody  
18 is to be transferred to effect the treatment plan, the identity of the legal custodian.

19 2. If the juvenile is placed outside the home, the name of the place or facility,  
20 including transitional placements, where the juvenile shall be cared for or treated,  
21 except that if the placement is a foster home or treatment foster home and the name  
22 and address of the foster parent or treatment foster parent is not available at the time  
23 of the order, the name and address of the foster parent or treatment foster parent  
24 shall be furnished to the court and the parent within 21 days of the order. If, after  
25 a hearing on the issue with due notice to the parent or guardian, the court finds that

1 disclosure of the identity of the foster parent or treatment foster parent would result  
2 in imminent danger to the juvenile, the foster parent or the treatment foster parent,  
3 the court may order the name and address of the prospective foster parents or  
4 treatment foster parents withheld from the parent or guardian.

5 3. The date of the expiration of the court's order.

6 4. If the juvenile is placed outside the juvenile's home, a designation of the  
7 amount of support, if any, to be paid by the juvenile's parent, guardian or trustee,  
8 specifying that the support obligation begins on the date of the placement, or a  
9 referral to the county designee under s. 59.07 (97) for establishment of child support.

10 5. For a juvenile placed outside his or her home pursuant to an order under s.  
11 938.34 (3) or 938.345, a permanency plan under s. 938.38 if one has been prepared.

12 6. If the juvenile is placed outside the home, the court's finding as to whether  
13 a county department which provides social services or the agency primarily  
14 responsible for the provision of services under a court order has made reasonable  
15 efforts to prevent the removal of the juvenile from the home or, if applicable, that the  
16 agency primarily responsible for the provision of services under a court order has  
17 made reasonable efforts to make it possible for the juvenile to return to his or her  
18 home.

19 7. A statement of the conditions with which the juvenile is required to comply.

20 (c) If school attendance is a condition of an order under par. (b) 7., the order shall  
21 specify what constitutes a violation of the condition and shall direct the school board  
22 of the school district in which the juvenile is enrolled to notify the county department  
23 that is responsible for supervising the juvenile within 5 days after any violation of  
24 the condition by the juvenile.

1 (d) The court shall provide a copy of the dispositional order to the juvenile's  
2 parent, guardian or trustee.

3 **(2c) REASONABLE EFFORTS STANDARDS.** (a) When a court makes a finding under  
4 sub. (2) (b) 6. as to whether a county department which provides social services or  
5 the agency primarily responsible for providing services to the juvenile under a court  
6 order has made reasonable efforts to prevent the removal of the juvenile from his or  
7 her home, the court's consideration of reasonable efforts shall include, but not be  
8 limited to, whether:

9 1. A comprehensive assessment of the family's situation was completed,  
10 including a determination of the likelihood of protecting the juvenile's welfare  
11 effectively in the home.

12 2. Financial assistance, if applicable, was provided to the family.

13 3. Services were offered or provided to the family, if applicable, and whether  
14 any assistance was provided to the family to enable the family to utilize the services.

15 Examples of the types of services that may have been offered include:

16 a. In-home support services, such as homemakers and parent aides.

17 b. In-home intensive treatment services.

18 c. Community support services, such as day care, parenting skills training,  
19 housing assistance, employment training and emergency mental health services.

20 d. Specialized services for family members with special needs.

21 4. Monitoring of client progress and client participation in services was  
22 provided.

23 5. A consideration of alternative ways of addressing the family's needs was  
24 provided, if services did not exist or existing services were not available to the family.

1 (b) When a court makes a finding under sub. (2) (b) 6. as to whether the agency  
2 primarily responsible for providing services to the juvenile under a court order has  
3 made reasonable efforts to make it possible for the juvenile to return to his or her  
4 home, the court's consideration of reasonable efforts shall include, but not be limited  
5 to, the considerations listed under par. (a) 1. to 5. and whether visitation schedules  
6 between the juvenile and his or her parents were implemented, unless visitation was  
7 denied or limited by the court.

8 **(2e) PERMANENCY PLANS; FILING; AMENDED ORDERS; COPIES.** (a) If a permanency  
9 plan has not been prepared at the time the dispositional order is entered, or if the  
10 court orders a disposition that is not consistent with the permanency plan, the  
11 agency responsible for preparing the plan shall prepare a permanency plan that is  
12 consistent with the order or revise the permanency plan to conform to the order and  
13 shall file the plan with the court within the time specified in s. 938.38 (3). A  
14 permanency plan filed under this paragraph shall be made a part of the dispositional  
15 order.

16 (b) Each time a juvenile's placement is changed under s. 938.357 or a  
17 dispositional order is revised under s. 938.363 or extended under s. 938.365, the  
18 agency that prepared the permanency plan shall revise the plan to conform to the  
19 order and shall file a copy of the revised plan with the court. Each plan filed under  
20 this paragraph shall be made a part of the court order.

21 (c) Either the court or the agency that prepared the permanency plan shall  
22 furnish a copy of the original plan and each revised plan to the juvenile's parent or  
23 guardian, to the juvenile or the juvenile's counsel or guardian ad litem and to the  
24 person representing the interests of the public.

1           **(2m)** TRANSITIONAL PLACEMENTS. The court order may include the name of  
2 transitional placements, but may not designate a specific time when transitions are  
3 to take place. The procedures of ss. 938.357 and 938.363 shall govern when such  
4 transitions take place. The court, however, may place specific time limitations on  
5 interim arrangements made for the care of the juvenile pending the availability of  
6 the dispositional placement.

7           **(3)** PARENTAL VISITATION. If, after a hearing on the issue with due notice to the  
8 parent or guardian, the court finds that it would be in the best interest of the juvenile,  
9 the court may set reasonable rules of parental visitation.

10           **(3m)** ORDERS BASED ON EVIDENCE. Dispositional orders under s. 938.343 or  
11 938.344 shall be based upon the evidence except that this subsection does not require  
12 a dispositional hearing for the disposition of an uncontested citation.

13           **(4)** TERMINATION OF ORDERS. (a) Except as provided under par. (b) or s. 938.368,  
14 all orders under this section shall terminate at the end of one year unless the court  
15 specifies a shorter period of time. Except if s. 938.368 applies, extensions or revisions  
16 shall terminate at the end of one year unless the court specifies a shorter period of  
17 time. No extension under s. 938.365 of an original dispositional order may be granted  
18 for a juvenile who is subject to an order under s. 938.34 (4h), (4m) or (4n) if the  
19 juvenile is 17 years of age or older when the original dispositional order terminates.  
20 Any order made before the juvenile reaches the age of majority shall be effective for  
21 a time up to one year after its entry unless the court specifies a shorter period of time.

22           (b) An order under s. 938.34 (4h) or (4m) for which a juvenile has been  
23 adjudicated delinquent is subject to par. (a), except that the judge may make an order  
24 under s. 938.34 (4m) apply for up to 2 years or until the juvenile's 18th birthdate,  
25 whichever is earlier and the judge shall make an order under s. 938.34 (4h) apply for

1 5 years, if the juvenile is adjudicated delinquent for committing an act that would  
2 be punishable as a Class B felony if committed by an adult, or until the juvenile  
3 reaches 25 years of age, if the juvenile is adjudicated delinquent for committing an  
4 act that would be punishable as a Class A felony if committed by an adult.

5 **(4m) EXPUNGEMENT OF RECORD.** A juvenile who has been adjudged delinquent  
6 may, on attaining 17 years of age, petition the court to expunge the court's record of  
7 the juvenile's adjudication. The court may expunge the court's record of the juvenile's  
8 adjudication if the court determines that the juvenile has satisfactorily complied  
9 with the conditions of his or her dispositional order and that the juvenile will benefit  
10 and society will not be harmed by the expungement.

11 **(5) EFFECT OF COURT ORDER.** Any party, person or agency who provides services  
12 for the juvenile under this section shall be bound by the court order.

13 **(6) SANCTIONS FOR VIOLATION OF ORDER; DELINQUENCY OR CIVIL LAW OR ORDINANCE**  
14 **VIOLATION.** (a) If a juvenile who has been adjudged delinquent or to have violated a  
15 civil law or ordinance violates a condition specified in sub. (2) (b) 7., the court may  
16 impose on the juvenile any of the sanctions specified in par. (d) if, at the dispositional  
17 hearing under s. 938.335, the court explained the conditions to the juvenile and  
18 informed the juvenile of those possible sanctions or if before the violation the juvenile  
19 has acknowledged in writing that he or she has read, or has had read to him or her,  
20 those conditions and possible sanctions and that he or she understands those  
21 conditions and possible sanctions. The court may not order the sanction of placement  
22 in a place of nonsecure custody specified in par. (d) 1. unless the court finds that the  
23 agency primarily responsible for providing services for the juvenile has made  
24 reasonable efforts to prevent the removal of the juvenile from his or her home and

1 that continued placement of the juvenile in his or her home is contrary to the welfare  
2 of the juvenile.

3 (an) If a juvenile who has violated a municipal ordinance violates a condition  
4 of a dispositional order imposed by the municipal court, the municipal court may  
5 petition the court assigned to exercise jurisdiction under this chapter and ch. 48 to  
6 impose on the juvenile any of the sanctions specified in par. (d) 1. or 3. if, at the time  
7 of the judgment the municipal court explained the conditions to the juvenile and  
8 informed the juvenile of the possible sanctions under par. (d) 1. and 3. for a violation  
9 or if before the violation the juvenile has acknowledged in writing that he or she has  
10 read, or has had read to him or her, those conditions and possible sanctions and that  
11 he or she understands those conditions and possible sanctions.

12 (b) A motion for imposition of a sanction may be brought by the person or agency  
13 primarily responsible for the provision of dispositional services, the district attorney  
14 or corporation counsel or the court that entered the dispositional order. Notice of the  
15 motion shall be given to the juvenile, guardian ad litem, counsel, parent, guardian,  
16 legal custodian and all parties present at the original dispositional hearing.

17 (c) Before imposing any sanction, the court shall hold a hearing, at which the  
18 juvenile is entitled to be represented by legal counsel and to present evidence.

19 (d) The court may order any of the following sanctions as a consequence for any  
20 incident in which the juvenile has violated one or more conditions of his or her  
21 dispositional order:

22 1. Placement of the juvenile in a secure detention facility or juvenile portion  
23 of a county jail that meets the standards promulgated by the department of  
24 corrections by rule or in a place of nonsecure custody, for not more than 10 days and  
25 the provision of educational services consistent with his or her current course of

1 study during the period of placement. The juvenile shall be given credit against the  
2 period of detention or nonsecure custody imposed under this subdivision for all time  
3 spent in secure detention in connection with the course of conduct for which the  
4 detention or nonsecure custody was imposed.

5 2. Suspension of or limitation on the use of the juvenile's operating privilege,  
6 as defined under s. 340.01 (40), or of any approval issued under ch. 29 for a period  
7 of not more than 3 years. If the court suspends the juvenile's operating privileges or  
8 an approval issued under ch. 29, the court shall immediately take possession of the  
9 suspended license or approval and forward it to the department that issued it,  
10 together with the notice of suspension.

11 3. Detention in the juvenile's home or current residence for a period of not more  
12 than 30 days under rules of supervision specified in the order. An order under this  
13 subdivision may require the juvenile to be monitored by an electronic monitoring  
14 system.

15 4. Not more than 25 hours of uncompensated participation in a supervised  
16 work program or other community service work under s. 938.34 (5g).

17 **(6d)** SHORT-TERM DETENTION FOR VIOLATION OF ORDER. Notwithstanding ss.  
18 938.19 to 938.21, but subject to any general written policies adopted by the court  
19 under s. 938.06 (1) or (2) and to any policies adopted by the county board relating to  
20 the taking into custody and placement of a juvenile under this subsection, if a  
21 juvenile who has been adjudged delinquent violates a condition specified in sub. (2)  
22 (b) 7., the juvenile's caseworker may, without a hearing, take the juvenile into  
23 custody and place the juvenile in a secure detention facility or juvenile portion of a  
24 county jail that meets the standards promulgated by the department of corrections  
25 by rule or in a place of nonsecure custody designated by the caseworker for not more

1 than 72 hours while the alleged violation is being investigated, if at the dispositional  
2 hearing the court explained those conditions to the juvenile and informed the  
3 juvenile of the possibility of that placement or if before the violation the juvenile has  
4 acknowledged in writing that he or she has read, or has had read to him or her, those  
5 conditions and that possible placement and that he or she understands those  
6 conditions and that possible placement. Notwithstanding ss. 938.19 to 938.21, but  
7 subject to any general written policies adopted by the court under s. 938.06 (1) or (2)  
8 and to any policies adopted by the county board relating to the taking into custody  
9 and placement of a juvenile under this subsection, if a juvenile who has been found  
10 to be in need of protection or services under s. 938.13 violates a condition specified  
11 in sub. (2) (b) 7., the juvenile's caseworker may, without a hearing, take the juvenile  
12 into custody and place the juvenile in a place of nonsecure custody designated by the  
13 caseworker for not more than 72 hours while the alleged violation is being  
14 investigated, if at the dispositional hearing the court explained those conditions to  
15 the juvenile and informed the juvenile of the possibility of that placement or if before  
16 the violation the juvenile has acknowledged in writing that he or she has read, or has  
17 had read to him or her, those conditions and that possible placement and the he or  
18 she understands those conditions and that possible placement. If a juvenile is held  
19 in a secure detention facility, juvenile portion of a county jail or place of nonsecure  
20 custody for longer than 72 hours, the juvenile is entitled to a hearing under sub. (6)  
21 (c) or s. 938.21. The hearing shall be conducted in the manner provided in sub. (6)  
22 or s. 938.21, except that for a hearing under s. 938.21 the hearing shall be conducted  
23 within 72 hours, rather than 24 hours, after the time that the decision to hold the  
24 juvenile was made and a written statement of the reasons for continuing to hold the  
25 juvenile in custody may be filed rather than a petition under s. 938.25.

1           **(6g) CONTEMPT FOR CONTINUED VIOLATION OF ORDER.** (a) If a juvenile upon whom  
2 the court has imposed a sanction under sub. (6) (a) commits a 2nd or subsequent  
3 violation of a condition specified in sub. (2) (b) 7., the district attorney may file a  
4 petition under s. 938.12 charging the juvenile with contempt of court, as defined in  
5 s. 785.01 (1), and reciting the disposition under s. 938.34 sought to be imposed. The  
6 district attorney may bring the motion on his or her own initiative or on the request  
7 of the court that imposed the condition specified in sub. (2) (b) 7. or that imposed the  
8 sanction under sub. (6) (a). If the district attorney brings the motion on the request  
9 of the court that imposed the condition specified in sub. (2) (b) 7. or that imposed the  
10 sanction under sub. (6) (a), that court is disqualified from holding any hearing on the  
11 contempt petition.

12           (b) The court may find a juvenile in contempt of court, as defined in s. 785.01  
13 (1), and order a disposition under s. 938.34 only if the court makes all of the following  
14 findings:

15           1. That the juvenile has previously been sanctioned under sub. (6) (a) for  
16 violating a condition specified in sub. (2) (b) 7. and, subsequent to that sanction, has  
17 committed another violation of a condition specified in sub. (2) (b) 7.

18           2. That at the sanction hearing the court explained the conditions to the  
19 juvenile and informed the juvenile of a possible finding of contempt for a violation  
20 and the possible consequences of that contempt.

21           3. That the violation is egregious.

22           4. That the court has considered less restrictive alternatives and found them  
23 to be ineffective.

24           **(6m) SANCTIONS FOR VIOLATION OF ORDER: HABITUAL TRUANCY.** (a) If a juvenile  
25 who has been found in need of protection or services based on habitual truancy from

1 school violates a condition specified under sub. (2) (b) 7., the court may order as a  
2 sanction any combination of the operating privilege suspension specified in this  
3 paragraph and the dispositions specified in s. 938.342 (1) (b) to (f) and (1m),  
4 regardless of whether the disposition was imposed in the order violated by the  
5 juvenile, if at the dispositional hearing under s. 938.335 the court explained those  
6 conditions to the juvenile and informed the juvenile of the possible sanctions under  
7 this paragraph for a violation or if before the violation the juvenile has acknowledged  
8 in writing that he or she has read, or has had read to him or her, those conditions and  
9 possible sanctions and that he or she understands those conditions and possible  
10 sanctions. The court may order as a sanction suspension of the juvenile's operating  
11 privilege, as defined under s. 340.01 (40), for not more than one year. If the juvenile  
12 does not hold a valid operator's license under ch. 343, other than an instruction  
13 permit under s. 343.07 or a restricted license under s. 343.08, on the date of the order  
14 issued under this paragraph, the court may order the suspension to begin on the date  
15 that the operator's license would otherwise be reinstated or issued after the juvenile  
16 applies and qualifies for issuance or 2 years after the date of the order issued under  
17 this paragraph, whichever occurs first. If the court suspends an operating privilege  
18 under this paragraph, the court shall immediately take possession of the suspended  
19 license and forward it to the department of transportation with a notice stating the  
20 reason for and the duration of the suspension.

21 (b) A motion for the imposition of a sanction under par. (a) may be brought by  
22 the person or agency primarily responsible for providing dispositional services to the  
23 juvenile, the administrator of the school district in which the juvenile is enrolled or  
24 resides, the district attorney, the corporation counsel or the court that entered the  
25 dispositional order. If the court initiates the motion, that court is disqualified from

1 holding a hearing on the motion. Notice of the motion shall be given to the juvenile,  
2 guardian ad litem, counsel, parent, guardian, legal custodian and all parties present  
3 at the original dispositional hearing.

4 (c) Before imposing a sanction under par. (a), the court shall hold a hearing at  
5 which the juvenile is entitled to be represented by legal counsel and to present  
6 evidence. The hearing shall be held within 15 days after the filing of a motion under  
7 par. (b).

8 **(7) ORDERS APPLICABLE TO PARENTS, GUARDIANS, LEGAL CUSTODIANS AND OTHER**  
9 **ADULTS.** In addition to any dispositional order entered under s. 938.34 or 938.345, the  
10 court may enter an order applicable to a juvenile's parent, guardian or legal  
11 custodian or to another adult, as provided under s. 938.45.

12 **938.356 Duty of court to warn. (1)** Whenever the court orders a juvenile  
13 to be placed outside his or her home because the juvenile has been adjudged to be in  
14 need of protection or services under s. 938.345, 938.357, 938.363 or 938.365, the court  
15 shall orally inform the parent or parents who appear in court of any grounds for  
16 termination of parental rights under s. 48.415 which may be applicable and of the  
17 conditions necessary for the juvenile to be returned to the home.

18 **(2)** In addition to the notice required under sub. (1), any written order which  
19 places a juvenile outside the home under sub. (1) shall notify the parent or parents  
20 of the information specified under sub. (1).

21 **938.357 Change in placement. (1)** The person or agency primarily  
22 responsible for implementing the dispositional order may request a change in the  
23 placement of the juvenile, whether or not the change requested is authorized in the  
24 dispositional order and shall cause written notice to be sent to the juvenile or the  
25 juvenile's counsel or guardian ad litem, parent, foster parent, guardian and legal

1       custodian. The notice shall contain the name and address of the new placement, the  
2       reasons for the change in placement, a statement describing why the new placement  
3       is preferable to the present placement and a statement of how the new placement  
4       satisfies objectives of the treatment plan ordered by the court. Any person receiving  
5       the notice under this subsection or notice of the specific foster or treatment foster  
6       placement under s. 938.355 (2) (b) 2. may obtain a hearing on the matter by filing an  
7       objection with the court within 10 days after receipt of the notice. Placements shall  
8       not be changed until 10 days after such notice is sent to the court unless the parent,  
9       guardian or legal custodian and the juvenile, if 12 or more years of age, sign written  
10      waivers of objection, except that placement changes which were authorized in the  
11      dispositional order may be made immediately if notice is given as required in this  
12      subsection. In addition, a hearing is not required for placement changes authorized  
13      in the dispositional order except where an objection filed by a person who received  
14      notice alleges that new information is available which affects the advisability of the  
15      court's dispositional order. If a hearing is held under this subsection and the change  
16      in placement would remove a juvenile from a foster home, the foster parent may  
17      submit a written statement prior to the hearing.

18           **(2)** If emergency conditions necessitate an immediate change in the placement  
19      of a juvenile placed outside the home, the person or agency primarily responsible for  
20      implementing the dispositional order may remove the juvenile to a new placement,  
21      whether or not authorized by the existing dispositional order, without the prior  
22      notice provided in sub. (1). The notice shall, however, be sent within 48 hours after  
23      the emergency change in placement. Any party receiving notice may demand a  
24      hearing under sub. (1). In emergency situations, the juvenile may be placed in a

1 licensed public or private shelter care facility as a transitional placement for not  
2 more than 20 days, as well as in any placement authorized under s. 938.34 (3).

3 **(2m)** The juvenile, parent, guardian, legal custodian or any person or agency  
4 primarily bound by the dispositional order, other than the person or agency  
5 responsible for implementing the order, may request a change in placement under  
6 this subsection. The request shall contain the name and address of the place of the  
7 new placement requested and shall state what new information is available which  
8 affects the advisability of the current placement. This request shall be submitted to  
9 the court. In addition, the court may propose a change in placement on its own  
10 motion. The court shall hold a hearing on the matter prior to ordering any change  
11 in placement under this subsection if the request states that new information is  
12 available which affects the advisability of the current placement, unless written  
13 waivers of objection to the proposed change in placement are signed by all parties  
14 entitled to receive notice under sub. (1) and the court approves. If a hearing is  
15 scheduled, the court shall notify the juvenile, parent, foster parent, guardian, legal  
16 custodian and all parties who are bound by the dispositional order at least 3 days  
17 prior to the hearing. A copy of the request or proposal for the change in placement  
18 shall be attached to the notice. If all the parties consent, the court may proceed  
19 immediately with the hearing. If a hearing is held under this subsection and the  
20 change in placement would remove a juvenile from a foster home, the foster parent  
21 may submit a written statement prior to the hearing.

22 **(3)** Subject to sub. (4) (b) and (5) (e), if the proposed change in placement would  
23 involve placing a juvenile in a secured correctional facility or in a secured child caring  
24 institution, notice shall be given as provided in sub. (1). A hearing shall be held,  
25 unless waived by the juvenile, parent, guardian and legal custodian, before the judge

1 makes a decision on the request. The juvenile shall be entitled to counsel at the  
2 hearing, and any party opposing or favoring the proposed new placement may  
3 present relevant evidence and cross-examine witnesses. The proposed new  
4 placement may be approved only if the judge finds, on the record, that the conditions  
5 set forth in s. 938.34 (4m) have been met.

6 (4) (a) When the juvenile is placed with the department, the department may,  
7 after an examination under s. 938.50, place the juvenile in a secured correctional  
8 facility or a secured child caring institution or on aftercare supervision, either  
9 immediately or after a period of placement in a secured correctional facility or a  
10 secured child caring institution. The department shall send written notice of the  
11 change to the parent, guardian, legal custodian, county department designated  
12 under s. 938.34 (4n), if any, and committing court. A juvenile who is placed in a  
13 secured child caring institution remains under the supervision of the department,  
14 remains subject to the rules and discipline of that department and is considered to  
15 be in custody, as defined in s. 946.42 (1) (a).

16 (b) If a juvenile who is placed in a secured child caring institution violates a  
17 condition of his or her placement in the secured child caring institution, the child  
18 welfare agency operating the secured child caring institution shall notify the  
19 department, and the department, without a hearing under sub. (1), may return the  
20 juvenile to a secured correctional facility or place the juvenile in a secure detention  
21 facility for not more than 30 days as a sanction for that violation. The department  
22 shall send written notice of the change to the parent, guardian, legal custodian and  
23 committing court. If a juvenile is returned to a secured correctional facility or placed  
24 in a secure detention facility under this paragraph, the child welfare agency  
25 operating the secured child caring institution in which the juvenile was placed shall

1 reimburse the department or county for the cost of the juvenile's care while placed  
2 in the secured correctional facility or secure detention facility under this paragraph.

3 (c) The child welfare agency that is operating a secured child caring institution  
4 in which a juvenile has been placed under par. (a) may place the juvenile in a less  
5 restrictive placement, and may replace in the secured child caring institution that  
6 juvenile, without a hearing under sub. (1). The child welfare agency shall establish  
7 a rate for each type of placement in the manner provided in s. 46.037.

8 **(4g)** (a) Not later than 120 days after the date on which the juvenile is placed  
9 in a secured correctional facility or a secured child caring institution, or within 30  
10 days after the date on which the department requests the aftercare plan, whichever  
11 is earlier, the aftercare provider designated under s. 938.34 (4n) shall prepare an  
12 aftercare plan for the juvenile. If the aftercare provider designated under s. 938.34  
13 (4n) is a county department, that county department shall submit the aftercare plan  
14 to the department within the time limits specified in this paragraph, unless the  
15 department waives those time limits under par. (b).

16 (b) The department may waive the time period within which an aftercare plan  
17 must be prepared and submitted under par. (a) if the department anticipates that the  
18 juvenile will remain in the secured correctional facility or secured child caring  
19 institution for a period exceeding 8 months or if the juvenile is subject to s. 48.366  
20 or 938.183 (2). If the department waives that time period, the aftercare provider  
21 designated under s. 938.34 (4n) shall prepare the aftercare plan within 30 days after  
22 the date on which the department requests the aftercare plan.

23 (c) An aftercare plan prepared under par. (a) or (b) shall include all of the  
24 following:

- 25 1. The minimum number of supervisory contacts per week.

1           2. The conditions, if any, under which the juvenile's aftercare status may be  
2           revoked.

3           3. Services or programming to be provided to the juvenile while on aftercare.

4           4. The estimated length of time that aftercare supervision and services shall  
5           be provided to the juvenile.

6           (d) A juvenile may be released from a secured correctional facility or a secured  
7           child caring institution whether or not an aftercare plan has been prepared under  
8           this subsection.

9           **(4m)** The department shall try to release a juvenile to aftercare supervision  
10          under sub. (4) within 30 days after the date the department determines the juvenile  
11          is eligible for the release.

12          **(5)** (a) The department or a county department, whichever has been designated  
13          as a juvenile's aftercare provider under s. 938.34 (4n), may revoke the aftercare  
14          status of that juvenile. Revocation of aftercare supervision shall not require prior  
15          notice under sub. (1).

16          (b) A juvenile on aftercare status may be taken into custody only as provided  
17          in ss. 938.19 to 938.21.

18          (c) The juvenile shall be entitled to representation by counsel at all stages of  
19          the revocation proceeding.

20          (d) A hearing on the revocation shall be conducted by the division of hearings  
21          and appeals in the department of administration within 30 days after the juvenile  
22          is taken into custody for an alleged violation of the conditions of the juvenile's  
23          aftercare supervision. This time limit may be waived only upon the agreement of the  
24          aftercare provider, the juvenile and the juvenile's counsel.

1           (e) If the hearing examiner finds that the juvenile has violated a condition of  
2           aftercare supervision, the hearing examiner shall determine whether confinement  
3           in a secured correctional facility or a secured child caring institution is necessary to  
4           protect the public, to provide for the juvenile's rehabilitation or to not depreciate the  
5           seriousness of the violation.

6           (f) Review of a revocation decision shall be by certiorari to the court by whose  
7           order the juvenile was placed in a secured correctional facility or a secured child  
8           caring institution.

9           (g) The department shall promulgate rules setting standards to be used by a  
10          hearing examiner to determine whether to revoke a juvenile's aftercare status. The  
11          standards shall specify that the burden is on the department or county department  
12          seeking revocation to show by a preponderance of the evidence that the juvenile  
13          violated a condition of aftercare supervision.

14          **(5m)** If a proposed change in placement changes a juvenile's placement from  
15          a placement in the juvenile's home to a placement outside the juvenile's home, the  
16          court shall order the juvenile's parent to provide a statement of income, assets, debts  
17          and living expenses to the court or the person or agency primarily responsible for  
18          implementing the dispositional order by a date specified by the court. The clerk of  
19          court shall provide, without charge, to any parent ordered to provide a statement of  
20          income, assets, debts and living expenses a document setting forth the percentage  
21          standard established by the department of health and social services under s. 46.25  
22          (9) and listing the factors that a court may consider under s. 46.10 (14) (c). If the  
23          juvenile is placed outside the juvenile's home, the court shall determine the liability  
24          of the parent in the manner provided in s. 46.10 (14).

1           **(6)** No change in placement may extend the expiration date of the original  
2 order.

3           **938.36 Payment for services. (1)** (a) If legal custody is transferred from the  
4 parent or guardian or the court otherwise designates an alternative placement for  
5 the juvenile by a disposition made under s. 938.183 (2), 938.34 or 938.345 or by a  
6 change in placement under s. 938.357, the duty of the parent or guardian to provide  
7 support shall continue even though the legal custodian or the placement designee  
8 may provide the support. A copy of the order transferring custody or designating  
9 alternative placement for the juvenile shall be submitted to the agency or person  
10 receiving custody or placement and the agency or person may apply to the court for  
11 an order to compel the parent or guardian to provide the support. Support payments  
12 for residential services, when purchased or otherwise funded or provided by the  
13 department, or a county department under s. 46.215, 46.22, 46.23, 51.42 or 51.437,  
14 shall be determined under s. 46.10 (14).

15           (b) In determining the amount of support under par. (a), the court may consider  
16 all relevant financial information or other information relevant to the parent's  
17 earning capacity, including information reported to the department of health and  
18 social services, or the county child and spousal support agency, under s. 46.25 (2m).  
19 If the court has insufficient information with which to determine the amount of  
20 support, the court shall order the juvenile's parent to furnish a statement of income,  
21 assets, debts and living expenses, if the parent has not already done so, to the court  
22 within 10 days after the court's order transferring custody or designating an  
23 alternative placement is entered or at such other time as ordered by the court.

24           **(2)** If a juvenile whose legal custody has not been taken from a parent or  
25 guardian is given educational and social services, or medical, psychological or

1 psychiatric treatment by order of the court, the cost thereof, if ordered by the court,  
2 shall be a charge upon the county. This section does not prevent recovery of  
3 reasonable contribution toward the costs from the parent or guardian of the juvenile  
4 as the court may order based on the ability of the parent or guardian to pay. This  
5 subsection is subject to s. 46.03 (18).

6 **(3)** In determining county liability, this section does not apply to services  
7 specified in ch. 115.

8 **938.361 Payment for alcohol and other drug abuse services.** (1) In this  
9 section:

10 (a) "Alcohol and other drug abuse services" means all of the following:

11 1. Any alcohol or other drug abuse examination or assessment ordered under  
12 s. 938.295 (1), 938.34 (14s) (b) 1., 938.343 (10) (a) or 938.344 (2g) (a) 1.

13 2. Any special treatment or care that relates to alcohol or other drug abuse  
14 services ordered under s. 938.34 (6) (a) or (am).

15 3. Any alcohol or other drug abuse treatment or education ordered by a court  
16 under s. 938.32 (1g) or 938.34 (6) (a) or (am), (6r) or (14s) (b) 1. or 2.

17 (b) "Municipality" means a city, village or town.

18 **(2)** (a) 1. If a juvenile's parent is unable to provide or refuses to provide  
19 court-ordered alcohol and other drug abuse services for the juvenile through his or  
20 her health insurance or other 3rd-party payments, notwithstanding s. 938.36 (3) the  
21 court assigned to exercise jurisdiction under this chapter and ch. 48 or municipal  
22 court may order the parent to pay for the alcohol and drug abuse services. If the  
23 parent consents to provide alcohol and other drug abuse services for a juvenile  
24 through his or her health insurance or other 3rd-party payments but the health  
25 insurance provider or other 3rd-party payer refuses to provide the alcohol and other

1 drug abuse services the court assigned to exercise jurisdiction under this chapter and  
2 ch. 48 or municipal court may order the health insurance provider or 3rd-party payer  
3 to pay for the alcohol and other drug abuse services in accordance with the terms of  
4 the parent's health insurance policy or other 3rd-party payment plan.

5 2. This paragraph applies to payment for alcohol and other drug abuse services  
6 in any county, regardless of whether the county is a pilot county under s. 938.547.

7 (am) 1. If a court assigned to exercise jurisdiction under this chapter and ch.  
8 48 in a county that has a pilot program under s. 938.547 finds that payment is not  
9 attainable under par. (a), the court may order payment in accordance with par. (b).

10 2. If a court assigned to exercise jurisdiction under this chapter and ch. 48 in  
11 a county that does not have a pilot program under s. 938.547 finds that payment is  
12 not attainable under par. (a), the court may order payment in accordance with s.  
13 938.34 (6) (ar) or 938.36.

14 3. If a municipal court finds that payment is not attainable under par. (a), the  
15 municipal court may order the municipality over which the municipal court has  
16 jurisdiction to pay for any alcohol and other drug abuse services ordered by the  
17 municipal court.

18 (b) 1. In counties that have a pilot program under s. 938.547, in addition to  
19 using the alternative provided for under par. (a), the court assigned to exercise  
20 jurisdiction under this chapter and ch. 48 may order a county department of human  
21 services established under s. 46.23 or a county department established under s. 51.42  
22 or 51.437 in the juvenile's county of legal residence to pay for the alcohol and other  
23 drug abuse services whether or not custody has been taken from the parent.

24 2. If a judge orders a county department established under s. 51.42 or 51.437  
25 to provide alcohol and other drug abuse services under this paragraph, the provision

1 of the alcohol and other drug abuse services shall be subject to conditions specified  
2 in ch. 51.

3 (c) Payment for alcohol and other drug abuse services by a county department  
4 or municipality under this section does not prohibit the county department or  
5 municipality from contracting with another county department, municipality, school  
6 district or approved treatment facility for the provision of alcohol and other drug  
7 abuse services. Payment by the county or municipality under this section does not  
8 prevent recovery of reasonable contribution toward the costs of the court-ordered  
9 alcohol and other drug abuse services from the parent which is based upon the ability  
10 of the parent to pay. This subsection is subject to s. 46.03 (18).

11 **938.362 Payment for certain special treatment or care services. (1)** In  
12 this section, "special treatment or care" has the meaning given in s. 938.02 (17m),  
13 except that it does not include alcohol and other drug abuse services.

14 **(2)** This section applies to the payment of court-ordered special treatment or  
15 care under s. 938.34 (6) (a) or (am), whether or not custody has been taken from the  
16 parent.

17 **(3)** If a juvenile's parent is unable to provide or refuses to provide court-ordered  
18 special treatment or care for the juvenile through his or her health insurance or other  
19 3rd-party payments, notwithstanding s. 938.36 (3), the court may order the parent  
20 to pay for the court-ordered special treatment or care. If the parent consents to  
21 provide court-ordered special treatment or care for a juvenile through his or her  
22 health insurance or other 3rd-party payments but the health insurance provider or  
23 other 3rd-party payer refuses to provide the court-ordered special treatment or care,  
24 the court may order the health insurance provider or 3rd-party payer to pay for the

1 court-ordered special treatment or care in accordance with the terms of the parent's  
2 health insurance policy or other 3rd-party payment plan.

3 (4) (a) If the court finds that payment is not attainable under sub. (3), the court  
4 may order the county department under s. 51.42 or 51.437 of the juvenile's county  
5 of legal residence to pay the cost of any court-ordered special treatment or care that  
6 is provided by or under contract with that county department.

7 (b) Payment for special treatment or care by a county department under par.  
8 (a) does not prohibit the county department from contracting with another county  
9 department or approved treatment facility for the provision of special treatment or  
10 care.

11 (c) A county department that pays for court-ordered special treatment or care  
12 under par. (a) may recover from the parent, based on the parent's ability to pay, a  
13 reasonable contribution toward the costs of court-ordered special treatment or care.  
14 This paragraph is subject to s. 46.03 (18).

15 **938.363 Revision of dispositional orders.** (1) A juvenile, the juvenile's  
16 parent, guardian or legal custodian, any person or agency bound by a dispositional  
17 order or the district attorney or corporation counsel in the county in which the  
18 dispositional order was entered may request a revision in the order that does not  
19 involve a change in placement, including a revision with respect to the amount of  
20 child support to be paid by a parent, or the court may on its own motion propose such  
21 a revision. The request or court proposal shall set forth in detail the nature of the  
22 proposed revision and what new information is available that affects the advisability  
23 of the court's disposition. The request or court proposal shall be submitted to the  
24 court. The court shall hold a hearing on the matter if the request or court proposal  
25 indicates that new information is available which affects the advisability of the

1 court's dispositional order and prior to any revision of the dispositional order, unless  
2 written waivers of objections to the revision are signed by all parties entitled to  
3 receive notice and the court approves. If a hearing is held, the court shall notify the  
4 parent, juvenile, guardian and legal custodian, all parties bound by the dispositional  
5 order and the district attorney or corporation counsel in the county in which the  
6 dispositional order was entered at least 3 days prior to the hearing. A copy of the  
7 request or proposal shall be attached to the notice. If the proposed revision is for a  
8 change in the amount of child support to be paid by a parent, the court shall order  
9 the juvenile's parent to provide a statement of income, assets, debts and living  
10 expenses to the court and the person or agency primarily responsible for  
11 implementing the dispositional order by a date specified by the court. The clerk of  
12 court shall provide, without charge, to any parent ordered to provide a statement of  
13 income, assets, debts and living expenses a document setting forth the percentage  
14 standard established by the department of health and social services under s. 46.25  
15 (9) and listing the factors that a court may consider under s. 46.10 (14) (c). If all  
16 parties consent, the court may proceed immediately with the hearing. No revision  
17 may extend the effective period of the original order, or revise an original order under  
18 s. 938.34 (3) (f) or (6) (am) to impose more than 30 days of detention, nonsecure  
19 custody or inpatient treatment on a child.

20 **(2)** If the court revises a dispositional order under sub. (1) with respect to the  
21 amount of child support to be paid by a parent for the care and maintenance of the  
22 parent's minor juvenile who has been placed by a court order under this chapter in  
23 a residential, nonmedical facility, the court shall determine the liability of the parent  
24 in the manner provided in s. 46.10 (14).

1           **938.364 Dismissal of certain dispositional orders.** A juvenile, the  
2 juvenile's parent, guardian or legal custodian or the district attorney or corporation  
3 counsel in the county in which the dispositional order was entered may request a  
4 judge to dismiss an order made under s. 938.342 (2) if the juvenile shows  
5 documentary proof that he or she is enrolled in a school program or a high school  
6 equivalency program, or the court may on its own motion propose such a dismissal.

7           **938.365 Extension of orders. (1)** In this section, "2 or more years" means  
8 a period of time that begins with the first placement of the juvenile outside of his or  
9 her home pursuant to an order under this section or s. 938.345, 938.357 or 938.363  
10 and includes any period of time in which the juvenile returned home, unless the  
11 periods of time at home account for the majority of the time since the first placement.

12           **(1m)** The parent, juvenile, guardian, legal custodian, any person or agency  
13 bound by the dispositional order, the district attorney or corporation counsel in the  
14 county in which the dispositional order was entered or the court on its own motion,  
15 may request an extension of an order under s. 938.355. The request shall be  
16 submitted to the court which entered the order. No order under s. 938.355 that  
17 placed a child in detention, nonsecure custody or inpatient treatment under s. 938.34  
18 (3) (f) or (6) (am) may be extended. No other order under s. 938.355 may be extended  
19 except as provided in this section.

20           **(2)** No order may be extended without a hearing. The court shall notify the  
21 juvenile or the juvenile's guardian ad litem or counsel, the juvenile's parent,  
22 guardian, legal custodian, all of the parties present at the original hearing and the  
23 district attorney or corporation counsel in the county in which the dispositional order  
24 was entered of the time and place of the hearing.

1           **(2g)** (a) At the hearing the person or agency primarily responsible for providing  
2 services to the juvenile shall file with the court a written report stating to what  
3 extent the dispositional order has been meeting the objectives of the plan for the  
4 juvenile's rehabilitation or care and treatment. The juvenile offender review  
5 program may file a written report regarding any juvenile examined by the program.

6           (b) If the juvenile is placed outside of his or her home, the report shall include  
7 all of the following:

8           1. A copy of the report of the review panel under s. 938.38 (5), if any, and a  
9 response to the report from the agency primarily responsible for providing services  
10 to the juvenile.

11           2. An evaluation of the juvenile's adjustment to the placement and of any  
12 progress the juvenile has made, suggestions for amendment of the permanency plan,  
13 a description of efforts to return the juvenile to his or her home, including efforts of  
14 the parents to remedy factors which contributed to the juvenile's placement and, if  
15 continued placement outside of the juvenile's home is recommended, an explanation  
16 of why returning the juvenile to his or her home is not feasible.

17           3. If the juvenile has been placed outside of his or her home for 2 or more years,  
18 a statement of whether or not a recommendation has been made to terminate the  
19 parental rights of the parents of the juvenile. If a recommendation for a termination  
20 of parental rights has been made, the statement shall indicate the date on which the  
21 recommendation was made, any previous progress made to accomplish the  
22 termination of parental rights, any barriers to the termination of parental rights,  
23 specific steps to overcome the barriers and when the steps will be completed, reasons  
24 why adoption would be in the best interest of the juvenile and whether or not the  
25 juvenile should be registered with the adoption information exchange. If a

1 recommendation for termination of parental rights has not been made, the  
2 statement shall include an explanation of the reasons why a recommendation for  
3 termination of parental rights has not been made. If the lack of appropriate adoptive  
4 resources is the primary reason for not recommending a termination of parental  
5 rights, the agency shall recommend that the juvenile be registered with the adoption  
6 information exchange or report the reason why registering the juvenile is contrary  
7 to the best interest of the juvenile.

8 (c) In cases where the juvenile has not been placed outside the home, the report  
9 shall contain a description of efforts that have been made by all parties concerned  
10 toward meeting the objectives of treatment, care or rehabilitation, an explanation of  
11 why these efforts have not yet succeeded in meeting the objective, and anticipated  
12 future planning for the juvenile.

13 **(2m)** (a) Any party may present evidence relevant to the issue of extension.  
14 The court shall make findings of fact and conclusions of law based on the evidence,  
15 including a finding as to whether reasonable efforts were made by the agency  
16 primarily responsible for providing services to the juvenile to make it possible for the  
17 juvenile to return to his or her home. An order shall be issued under s. 938.355.

18 (b) If a juvenile has been placed outside the home under s. 938.345 and an  
19 extension is ordered under this subsection, the court shall state in the record the  
20 reason for the extension.

21 **(3)** The appearance of any juvenile may be waived by consent of the juvenile,  
22 counsel or guardian ad litem.

23 **(4)** The court shall determine which dispositions are to be considered for  
24 extensions.

1           **(5)** Except as provided in s. 938.368, all orders shall be for a specified length  
2 of time not to exceed one year.

3           **(6)** If a request to extend a dispositional order is made prior to the termination  
4 of the order, but the court is unable to conduct a hearing on the request prior to the  
5 termination date, the court may extend the order for a period of not more than 30  
6 days, not including any period of delay resulting from any of the circumstances  
7 specified in s. 938.315 (1). The court shall grant appropriate relief as provided in s.  
8 938.315 (3) with respect to any request to extend a dispositional order on which a  
9 hearing is not held within the time limit specified in this subsection.

10           **(7)** Nothing in this section may be construed to allow any changes in placement  
11 or revocation of aftercare supervision. Revocation and other changes in placement  
12 may take place only under s. 938.357.

13           **938.368 Continuation of dispositional orders.** If a petition for termination  
14 of parental rights is filed under s. 48.41 or 48.415 or an appeal from a judgment  
15 terminating or denying termination of parental rights is filed during the year in  
16 which a dispositional order under s. 938.355 or an extension order under s. 938.365  
17 is in effect, the dispositional or extension order shall remain in effect until all  
18 proceedings related to the filing of the petition or an appeal are concluded.

19           **938.37 Costs. (1)** A court assigned to exercise jurisdiction under this chapter  
20 and ch. 48 may not assess costs or assessments against a juvenile under 14 years of  
21 age but may assess costs against a juvenile 14 years of age or older.

22           **(3)** Notwithstanding sub. (1), courts of civil and criminal jurisdiction exercising  
23 jurisdiction under s. 938.17 may assess the same costs, penalty assessments and jail  
24 assessments against juveniles as they may assess against adults, except that witness  
25 fees may not be charged to the juvenile.

1           **938.371 Access to certain information by substitute care provider.** At  
2 the time of placement of a juvenile in a foster home, group home or child caring  
3 institution under s. 938.183 (2), 938.34, 938.345 or 938.357, or, if the information  
4 specified in this section is not available at that time, within 30 days after the date  
5 of the placement, the agency that prepared the juvenile's permanency plan shall  
6 provide the foster parent or operator of the group home or child caring institution  
7 with any information contained in the court report submitted under s. 938.33 or  
8 permanency plan submitted under s. 938.38, relating to any of the following:

9           **(1)** Results of a test or a series of tests of the juvenile to determine the presence

2 under s. 938.34 as a result of those previous violations.

3 (c) No information from the juvenile's court records, other than information  
4 disclosed under par. (a), (b) or (bm), may be disclosed to the school board of the school  
5 district in which the juvenile is enrolled or the school board's designee except by order  
6 of the court. Any information provided under this subsection to the school board of  
7 the school district in which the juvenile is enrolled or the school board's designee  
8 shall be disclosed by the school board or designee to employees of the school district  
9 who work directly with the juvenile or who have been determined by the school board  
10 or designee to have legitimate educational or safety interests in the information. A  
11 school district employe to whom information is disclosed under this paragraph shall  
12 not further disclose the information. A school board shall not use any information  
13 provided under this subsection as the sole basis for expelling or suspending a  
14 juvenile. A school board member or an employe of a school district may not be held  
15 personally liable for any damages caused by the nondisclosure of any information  
16 specified in this paragraph unless the member or employe acted with actual malice  
17 in failing to disclose the information. A school district may not be held liable for any  
18 damages caused by the nondisclosure of any information specified in this paragraph  
19 unless the school district or its agent acted with gross negligence or with reckless,  
20 wanton or intentional misconduct in failing to disclose the information.

21 (8) Notwithstanding sub. (2), if a juvenile is adjudged delinquent for an act  
22 that would be a felony if committed by an adult, the court clerk shall notify the  
23 department of justice of that fact. No other information from the juvenile's court  
24 records may be disclosed to the department of justice except by order of the court.

1 The department of justice may disclose any information provided under this  
2 subsection only as part of a criminal history record search under s. 175.35 (2g) (c).

3 SUBCHAPTER IX

4 JURISDICTION OVER

5 PERSONS 17 OR OLDER

6 **938.44 Jurisdiction over persons 17 or older.** The court has jurisdiction  
7 over persons 17 years of age or over as provided under ss. 938.355 (4) and 938.45 and  
8 as otherwise specifically provided in this chapter.

9 **938.45 Orders applicable to adults.** (1) (a) If in the hearing of a case of  
10 a juvenile alleged to be delinquent under s. 938.12 or in need of protection or services  
11 under s. 938.13 it appears that any person 17 years of age or over has been guilty of  
12 contributing to, encouraging, or tending to cause by any act or omission, such  
13 condition of the juvenile, the court may make orders with respect to the conduct of  
14 such person in his or her relationship to the juvenile, including orders determining  
15 the ability of the person to provide for the maintenance or care of the juvenile and  
16 directing when, how and where funds for the maintenance or care shall be paid.

17 (b) An act or failure to act contributes to a condition of a juvenile as described  
18 in s. 938.12 or 938.13, although the juvenile is not actually adjudicated to come  
19 within the provisions of s. 938.12 or 938.13, if the natural and probable consequences  
20 of that act or failure to act would be to cause the juvenile to come within the  
21 provisions of s. 938.12 or 938.13.

22 **(1m)** (a) In a proceeding in which a juvenile has been adjudicated delinquent  
23 or has been found to be in need of protection or services under s. 938.13, the court may  
24 order the juvenile's parent, guardian or legal custodian to comply with any conditions  
25 determined by the court to be necessary for the juvenile's welfare. An order under

1 this paragraph may include an order to participate in mental health treatment,  
2 anger management, individual or family counseling or parent training and  
3 education and to make a reasonable contribution, based on ability to pay, toward the  
4 cost of those services.

5 (b) A court may not order inpatient treatment under par. (a) for a juvenile's  
6 parent, guardian or legal custodian. All inpatient treatment commitments or  
7 admissions must be conducted in accordance with ch. 51.

8 **(2)** No order under sub. (1) (a) or (1m) (a) may be entered until the person who  
9 is the subject of the contemplated order is given an opportunity to be heard on the  
10 contemplated order. The court shall cause notice of the time, place and purpose of  
11 the hearing to be served on the person personally at least 10 days before the date of  
12 hearing. The procedure in these cases shall, as far as practicable, be the same as in  
13 other cases in the court. At the hearing the person may be represented by counsel  
14 and may produce and cross-examine witnesses. Any person who fails to comply with  
15 any order issued by a court under sub. (1) (a) or (1m) (a) may be proceeded against  
16 for contempt of court. If the person's conduct involves a crime, the person may be  
17 proceeded against under the criminal law.

18 **(3)** If it appears at a court hearing that any person 17 or older has violated s.  
19 948.40, the court shall refer the record to the district attorney for criminal  
20 proceedings as may be warranted in the district attorney's judgment. This  
21 subsection does not prevent prosecution of violations of s. 948.40 without the prior  
22 reference by the court to the district attorney, as in other criminal cases.

## 23 SUBCHAPTER X

## 24 REHEARING AND APPEAL

1           **(4)** Provide appropriate care and training for juveniles under its supervision  
2 under s. 938.183, 938.34 (4h), (4m) or (4n) or 938.357 (4); including serving those

5 contracting for their care by licensed child welfare agencies or replacing them in  
6 juvenile correctional institutions or secured child caring institutions in accordance  
7 with rules promulgated under ch. 227, except that the department may not purchase  
8 the educational component of private day treatment programs for juveniles in its  
9 custody unless the department, the school board as defined in s. 115.001 (7) and the  
10 secretary of education all determine that an appropriate public education program

4 for such surgery and if reasonable effort, compatible with the nature and time  
5 limitation of the emergency, has been made to secure the consent of the juvenile's  
6 parent or guardian.

7           **(13)** Promulgate rules for the payment of an allowance to juveniles in its

13 attending a course of vocational or technical training designed to fit them for gainful  
14 employment, and who when reaching that age were under the supervision of the  
15 department under s. 938.183, 938.34 (4h), (4m) or (4n) or 938.357 (4) as a result of  
16 a judicial decision.

17           **(16)** Establish and enforce standards for services provided under s. 938.183,  
18 938.34 or 938.345.

19           **938.49 Notification by court of placement with department;**  
20 **information for department.** (1) When the court places a juvenile in a secured  
21 correctional facility or secured child caring institution under the supervision of the  
22 department, the court shall immediately notify the department of that action. The  
23 court shall, in accordance with procedures established by the department, provide  
24 transportation for the juvenile to a receiving center designated by the department  
25 or deliver the juvenile to personnel of the department.

1           (2) When the court places a juvenile in a secured correctional facility or a  
2 secured child caring institution under the supervision of the department, the court  
3 and all other public agencies shall also immediately transfer to the department a  
4 copy of the report submitted to the court under s. 938.33 or, if the report was  
5 presented orally, a transcript of the report and all other pertinent data in their  
6 possession and shall immediately notify the juvenile's last school district in writing  
7 of its obligation under s. 118.125 (4).

8           **938.50 Examination of juveniles under supervision of department. (1)**

9 The department shall examine every juvenile who is placed under its supervision to  
10 determine the type of placement best suited to the juvenile and to the protection of  
11 the public. This examination shall include an investigation of the personal and  
12 family history of the juvenile and his or her environment, any physical or mental  
13 examinations considered necessary to determine the type of placement that is  
14 necessary for the juvenile and the evaluation under s. 938.533 (2) to determine  
15 whether the juvenile is eligible for corrective sanctions supervision or serious  
16 juvenile offender supervision. A juvenile who is examined under this subsection  
17 shall be screened to determine whether the juvenile is in need of special treatment  
18 or care because of alcohol or other drug abuse, mental illness or severe emotional  
19 disturbance.

20           (2) In making this examination the department may use any facilities, public  
21 or private, that offer aid to it in the determination of the correct placement for the  
22 juvenile.

23           **938.505 Juveniles placed under correctional supervision. (1)** When a  
24 juvenile is placed under the supervision of the department under s. 938.183, 938.34  
25 (4h), (4m) or (4n) or 938.357 (4) or (5) (e) or under the supervision of a county

1 department under s. 938.34 (4n), the department or county department having  
2 supervision over the juvenile shall have the right and duty to protect, train,  
3 discipline, treat and confine the juvenile and to provide food, shelter, legal services,  
4 education and ordinary medical and dental care for the juvenile, subject to the rights,  
5 duties and responsibilities of the guardian of the juvenile and subject to any residual  
6 parental rights and responsibilities and the provisions of any court order.

7 (2) (a) If a juvenile 14 years of age or over who is under the supervision of the  
8 department or a county department as described in sub. (1) and who is not residing  
9 in his or her home wishes to be administered psychotropic medication but a parent  
10 with legal custody or the guardian refuses to consent to the administration of  
11 psychotropic medication or cannot be found, or if there is no parent with legal  
12 custody, the department or county department acting on the juvenile's behalf may  
13 petition the court assigned to exercise jurisdiction under this chapter and ch. 48 in  
14 the county in which the juvenile is located for permission to administer psychotropic  
15 medication to the juvenile. A copy of the petition and a notice of hearing shall be  
16 served upon the parent or guardian at his or her last-known address. If, after  
17 hearing, the court determines all of the following, the court shall grant permission  
18 for the department or county department to administer psychotropic medication to  
19 the juvenile without the parent's or guardian's consent:

20 1. That the parent's or guardian's consent is unreasonably withheld or that the  
21 parent or guardian cannot be found or that there is no parent with legal custody,  
22 except that the court may not determine that a parent's or guardian's consent is  
23 unreasonably withheld solely because the parent or guardian relies on treatment by  
24 spiritual means through prayer for healing in accordance with his or her religious  
25 tradition.

1           2. That the juvenile is 14 years of age or over and is competent to consent to the  
2 administration of psychotropic medication and that the juvenile voluntarily  
3 consents to the administration of psychotropic medication.

4           3. Based on the recommendation of a physician, that the juvenile is in need of  
5 psychotropic medication, that psychotropic medication is appropriate for the  
6 juvenile's needs and that psychotropic medication is the least restrictive treatment  
7 consistent with the juvenile's needs.

8           (b) The court may, at the request of the department or county department,  
9 temporarily approve the administration of psychotropic medication, for not more  
10 than 10 days after the date of the request, pending the hearing on the petition, which  
11 shall be held within those 10 days.

12           **938.51 Notification of release or escape of juvenile from correctional**  
13 **custody. (1)** At least 15 days prior to the date of release of a juvenile from a secured  
14 correctional facility or a secured child caring institution and at least 15 days prior  
15 to the release of a juvenile from the supervision of the department or a county  
16 department, the department or county department having supervision over the  
17 juvenile shall do all of the following:

18           (a) Notify all of the following local agencies in the community in which the  
19 juvenile will reside of the juvenile's return to the community:

- 20           1. The law enforcement agencies.
- 21           2. The school district.
- 22           3. The county departments under ss. 46.215, 46.22, 46.23, 51.42 and 51.437.

23           (b) Notify any known victim of an act for which the juvenile has been found  
24 delinquent of the juvenile's release, if all of the following apply:

- 25           2. The victim can be found.

1           3. The victim has sent in a request card under sub. (2).

2           (c) Notify, if the victim died as a result of the juvenile's delinquent act and if the  
3 criteria under par. (b) are met, an adult member of the victim's family or, if the victim  
4 is younger than 18 years old and if the criteria under par. (b) are met, the victim's  
5 parent or legal guardian.

6           **(1m)** The department or county department having supervision over a juvenile  
7 shall determine the local agencies that it will notify under sub. (1) (a) based on the  
8 residence of the juvenile's parents or on the juvenile's intended residence specified  
9 in the juvenile's aftercare supervision plan or, if those methods do not indicate the  
10 community in which the juvenile will reside following release from a secured  
11 correctional facility or from the supervision of the department or county department,  
12 the community in which the juvenile states that he or she intends to reside.

13           **(1r)** The notification under sub. (1) shall include only the juvenile's name, the  
14 date of the juvenile's release and the type of placement to which the juvenile is  
15 released.

16           **(2)** The department shall design and prepare cards for victims specified in sub.  
17 (1) (b) and (c) to send to the department or county department having supervision  
18 over the juvenile. The cards shall have space for these persons to provide their names  
19 and addresses and any other information that the department determines is  
20 necessary. The department shall provide the cards, without charge, to district  
21 attorneys. District attorneys shall provide the cards, without charge, to victims  
22 specified in sub. (1) (b) and (c). These persons may send completed cards to the  
23 department or county department having supervision over the juvenile.

1           (3) Timely release of a juvenile shall not be prejudiced by the fact that the  
2 department or county department having supervision over the juvenile did not notify  
3 the victims or the local agencies under sub. (1) within the 15 days.

4           (4) If a juvenile escapes in violation of s. 946.42 (3), as soon as possible after  
5 the department or county department having supervision over the juvenile discovers  
6 that escape, that department or county department shall make a reasonable effort  
7 to notify by telephone any known victim of the act for which the juvenile was found  
8 delinquent, if the criteria under sub. (1) (b) are met; an adult member of the victim's  
9 family, if the victim died as a result of the juvenile's delinquent act and if the criteria  
10 under sub. (1) (b) are met; or the victim's parent or guardian, if the victim is younger  
11 than 18 years old and if the criteria under sub. (1) (b) are met.

12           **938.52 Facilities for care of juveniles in care of department.**

13           (1) FACILITIES MAINTAINED OR USED FOR JUVENILES. The department may maintain or  
14 use the following facilities for juveniles in its care:

15           (a) Receiving homes to be used for the temporary care of juveniles.

16           (b) Foster homes or treatment foster homes.

17           (c) Group homes.

18           (d) Institutions, facilities and services, including without limitation forestry or  
19 conservation camps for the training and treatment of juveniles 10 years of age or  
20 older who have been adjudged delinquent.

21           (f) Other facilities deemed by the department to be appropriate for the juvenile,  
22 except that no state funds may be used for the maintenance of a juvenile in the home  
23 of a parent or relative eligible for aid under s. 49.19 if such funds would reduce federal  
24 funds to this state.

1           **(2) USE OF OTHER FACILITIES.** (a) In addition to the facilities and services  
2 described in sub. (1), the department may use other facilities and services under its  
3 jurisdiction. The department may also contract for and pay for the use of other public  
4 facilities or private facilities for the care and treatment of juveniles in its care; but  
5 placement of juveniles in private or public facilities not under its jurisdiction does  
6 not terminate the supervision under s. 938.183, 938.34 (4h), (4m) or (4n) or 938.357  
7 (4) of the department. Placements in institutions for the mentally ill or  
8 developmentally disabled shall be made in accordance with ss. 48.14 (5), 48.63 and  
9 938.34 (6) (am) and ch. 51.

10           (b) Public facilities are required to accept and care for persons placed with them  
11 by the department in the same manner as they would be required to do had the legal  
12 custody of these persons been transferred by a court of competent jurisdiction.  
13 Nothing in this subsection shall be construed to require any public facility to serve  
14 the department inconsistently with its functions or with the laws and regulations  
15 governing their activities; or to give the department authority to use any private  
16 facility without its consent.

17           (c) The department shall have the right to inspect all facilities it is using and  
18 to examine and consult with persons under its supervision under s. 938.183, 938.34  
19 (4h), (4m) or (4n) or 938.357 (4) who have been placed in that facility.

20           **(4) COEDUCATIONAL PROGRAMS AND INSTITUTIONS.** The department may institute  
21 and maintain coeducational programs and institutions under this chapter.

22           **938.53 Duration of control of department over delinquents.** Except as  
23 provided under ss. 48.366 and 938.183, all juveniles adjudged delinquent who have  
24 been placed under the supervision of the department under s. 938.183, 938.34 (4m),  
25 (4h), or (4n) or 938.357 (4) shall be discharged as soon as the department determines

1 that there is a reasonable probability that it is no longer necessary either for the  
2 rehabilitation and treatment of the juvenile or for the protection of the public that  
3 the department retain supervision.

4 **938.532 Juvenile boot camp program. (1) PROGRAM.** The department  
5 shall provide a juvenile boot camp program for juveniles who have been placed under  
6 the supervision of the department under s. 938.183, 938.34 (4h) or (4m) or 938.357  
7 (4).

8 **(2) PROGRAM ELIGIBILITY.** The department may place in the juvenile boot camp  
9 program any juvenile who has been placed under the supervision of the department  
10 under s. 938.183, 938.34 (4h) or (4m) or 938.357 (4).

11 **(3) AFTERCARE SUPERVISION.** Notwithstanding s. 938.34 (4n), a juvenile who has  
12 completed the juvenile boot camp program and who is released from a secured  
13 correctional facility shall be placed under aftercare supervision administered by the  
14 department.

15 **938.533 Corrective sanctions. (2) CORRECTIVE SANCTIONS PROGRAM.** From  
16 the appropriation under s. 20.410 (3) (hr), the department shall provide a corrective  
17 sanctions program to serve an average daily population of 105 juveniles, or an  
18 average daily population of more that 105 juveniles if the appropriation under s.  
19 20.410 (3) (hr) is supplemented under s. 13.101 or 16.515 and the positions for the  
20 program are increased under s. 13.101 or 16.505 (2), in not less than 3 counties,  
21 including Milwaukee County. The juvenile offender review program in the  
22 department shall evaluate and select for participation in the program juveniles who  
23 have been placed under the supervision of the department under s. 938.183, 938.34  
24 (4h) or (4m) or 938.357 (4). The department shall place a program participant in the  
25 community, provide intensive surveillance of that participant and provide an

1 average of \$5,000 per year per slot to purchase community-based treatment services  
2 for each participant. The department shall make the intensive surveillance required  
3 under this subsection available 24 hours a day, 7 days a week, and may purchase or  
4 provide electronic monitoring for the intensive surveillance of program participants.  
5 The department shall provide a report center in Milwaukee County to provide  
6 on-site programming after school and in the evening for juveniles from Milwaukee  
7 County who are placed in the corrective sanctions program. A contact worker  
8 providing services under the program shall have a case load of approximately 10  
9 juveniles and, during the initial phase of placement in the community under the  
10 program of a juvenile who is assigned to that contact worker, shall have not less than  
11 one face-to-face contact per day with that juvenile. Case management services  
12 under the program shall be provided by a corrective sanctions agent who shall have  
13 a case load of approximately 15 juveniles. The department shall promulgate rules  
14 to implement the program.

15 **(3) INSTITUTIONAL STATUS.** (a) A participant in the corrective sanctions program  
16 remains under the supervision of the department, remains subject to the rules and  
17 discipline of that department and is considered to be in custody, as defined in s.  
18 946.42 (1) (a). Notwithstanding ss. 938.19 to 938.21, if a juvenile violates a condition  
19 of that juvenile's participation in the corrective sanctions program the department  
20 may, without a hearing, take the juvenile into custody and place the juvenile in a  
21 secured detention facility or return the juvenile to placement in a Type 1 secured  
22 correctional facility or a secured child caring institution.

23 (b) The department shall operate the corrective sanctions program as a Type  
24 2 secured correctional facility. The secretary may allocate and reallocate existing  
25 and future facilities as part of the Type 2 secured correctional facility. The Type 2

1 secured correctional facility is subject to s. 46.03 (1). Construction or establishment  
2 of a Type 2 secured correctional facility shall be in compliance with all state laws  
3 except s. 32.035 and ch. 91. In addition to the exemptions under s. 13.48 (13),  
4 construction or establishment of a Type 2 secured correctional facility is not subject  
5 to the ordinances or regulations relating to zoning, including zoning under ch. 91, of  
6 the county and city, village or town in which the construction or establishment takes  
7 place and is exempt from the investigations permitted under s. 46.22 (1) (c) 1. b.

8 **(3m) ESCAPE.** If a juvenile runs away from the juvenile’s placement in the  
9 community while participating in the corrective sanctions program, that juvenile is  
10 considered to have escaped in violation of s. 946.42 (3) (c).

11 **938.534 Intensive supervision program.** (1) A county department may  
12 provide an intensive supervision program for juveniles who have been adjudicated  
13 delinquent and ordered to participate in an intensive supervision program under s.  
14 938.34 (2r). A county department that provides an intensive supervision program  
15 shall purchase or provide intensive surveillance and community-based treatment  
16 services for participants in that program and may purchase or provide electronic  
17 monitoring for the intensive surveillance of program participants. A caseworker  
18 providing services under an intensive supervision program may have a case load of  
19 no more than 10 juveniles and shall have not less than one face-to-face contact per  
20 day with each juvenile who is assigned to that caseworker. Notwithstanding ss.  
21 938.19 to 938.21, but subject to any general written policies adopted by the court  
22 under s. 938.06 (1) or (2) and to any policies adopted by the county board relating to  
23 the taking into custody and placement of a juvenile under this subsection, if a  
24 juvenile violates a condition of the juvenile’s participation in the program, the  
25 juvenile’s caseworker may, without a hearing, take the juvenile into custody and

1 place the juvenile in a secure detention facility for not more than 72 hours while the  
2 alleged violation is being investigated, if at the dispositional hearing the court  
3 explained those conditions to the juvenile and informed the juvenile of the possibility  
4 of that placement or if before the violation the juvenile has acknowledged in writing  
5 that he or she has read, or has had read to him or her, those conditions and that  
6 possible placement and that he or she understands those conditions and that possible  
7 placement. Notwithstanding ss. 938.19 to 938.21, but subject to any general written  
8 policies adopted by the court under s. 938.06 (1) or (2) and to any policies adopted by  
9 the county board relating to the taking into custody and placement of a juvenile  
10 under this subsection, the juvenile's caseworker may also, without a hearing, take  
11 the juvenile into custody and place the juvenile in a place of nonsecure custody for  
12 not more than 30 days as crisis intervention, if the juvenile is in need of crises  
13 intervention and, if at the dispositional hearing the court informed the juvenile of the  
14 possibility of that placement or if before the violation the juvenile has acknowledged  
15 in writing that he or she has read, or has had read to him or her, those conditions and  
16 that possible placement and that he or she understands those conditions and that  
17 possible placement. If the juvenile is held in a secure detention facility for longer  
18 than 72 hours, the juvenile is entitled to a hearing under s. 938.21. The hearing shall  
19 be conducted in the manner provided in s. 938.21, except that the hearing shall be  
20 conducted within 72 hours, rather than 24 hours, after the end of the day that the  
21 decision to hold the juvenile was made and a written statement of the reasons for  
22 continuing to hold the juvenile in custody may be filed rather than a petition under  
23 s. 938.25.

24 **(2)** The department shall promulgate rules specifying the requirements for an  
25 intensive supervision program under this section. The rules shall include rules that

1 govern the use of placement in a secure detention facility for not more than 72 hours  
2 while a violation of a condition of a juvenile's participation in the program is being  
3 investigated and the use of placement in a place of nonsecure custody for not more  
4 than 30 days as crisis intervention.

5 **938.535 Early release and intensive supervision program; limits.** The  
6 department may establish a program for the early release and intensive supervision  
7 of juveniles who have been placed in a secured correctional facility or a secured child  
8 caring institution under s. 938.183 or 938.34 (4m). The program may not include any  
9 juveniles who have been placed in a secured correctional facility or a secured child  
10 caring institution as a result of a delinquent act involving the commission of a violent  
11 crime as defined in s. 969.035, but not including the crime specified in s. 948.02 (1).

12 **938.538 Serious juvenile offender program.**

13 **(2) PROGRAM ADMINISTRATION AND DESIGN.** The department shall administer a  
14 serious juvenile offender program for juveniles who have been adjudicated  
15 delinquent and ordered to participate in the program under s. 938.34 (4h). The  
16 department shall design the program to provide all of the following:

17 (a) Supervision, care and rehabilitation that is more restrictive than ordinary  
18 supervision in the community.

19 (b) Component phases that are intensive and highly structured.

20 (c) A series of component phases for each participant that is based on public  
21 safety considerations and the participant's need for supervision, care and  
22 rehabilitation.

23 **(3) COMPONENT PHASES.** (a) The department shall provide each participant with  
24 one or more of the following sanctions:

1           1. Subject to subd. 1m., placement in a Type 1 secured correctional facility, a

7 is 17 years of age or over, a Type 1 prison, as defined in s. 301.01 (5), until the  
8 participant reaches 25 years of age, unless the participant is released sooner, subject  
9 to a mandatory minimum period of confinement of not less than one year.

10          1p. Alternate care, including placement in a foster home, treatment foster  
11 home, group home, child caring institution or secured child caring institution.

12          2. Intensive or other field supervision, including corrective sanctions  
13 supervision under s. 938.533, aftercare supervision or, if the participant is 17 years  
14 of age or over, intensive sanctions supervision under s. 301.048.

15          3. Electronic monitoring.

16          4. Alcohol or other drug abuse outpatient treatment and services.

21          9. Other programs as prescribed by the department.

22          (b) The department may provide the sanctions under par. (a) in any order, may  
23 provide more than one sanction at a time and may return to a sanction that was used  
24 previously for a participant. Notwithstanding ss. 938.357, 938.363 and 938.533 (3),  
25 a participant is not entitled to a hearing regarding the department's exercise of

1 authority under this subsection unless the department provides for a hearing by  
2 rule.

3 (4) INSTITUTIONAL STATUS. (a) A participant in the serious juvenile offender  
4 program is under the supervision and control of the department, is subject to the  
5 rules and discipline of the department and is considered to be in custody, as defined  
6 in s. 946.42 (1) (a). Notwithstanding ss. 938.19 to 938.21, if a participant violates a  
7 condition of his or her participation in the program under sub. (3) (a) 2. to 9. while  
8 placed in a Type 2 secured correctional facility the department may, without a  
9 hearing, take the participant into custody and return him or her to placement in a  
10 Type 1 secured correctional facility, a secured child caring institution or, if the  
11 participant is 17 years of age or over, a Type 1 prison, as defined in s. 301.01 (5). Any  
12 intentional failure of a participant to remain within the extended limits of his or her  
13 placement while participating in the serious juvenile offender program or to return  
14 within the time prescribed by the administrator of the division of intensive sanctions  
15 in the department is considered an escape under s. 946.42 (3) (c).

16 (b) The department shall operate the component phases of the program  
17 specified in sub. (3) (a) 2. to 9. as a Type 2 secured correctional facility. The secretary  
18 of corrections may allocate and reallocate existing and future facilities as part of the  
19 Type 2 secured correctional facility. The Type 2 secured correctional facility is subject  
20 to s. 301.02. Construction or establishment of a Type 2 secured correctional facility  
21 shall be in compliance with all state laws except s. 32.035 and ch. 91. In addition to  
22 the exemptions under s. 13.48 (13), construction or establishment of a Type 2 secured  
23 correctional facility is not subject to the ordinances or regulations relating to zoning,  
24 including zoning under ch. 91, of the county and city, village or town in which the

1 construction or establishment takes place and is exempt from inspections required  
2 under s. 301.36.

3 **(5) TRANSFERS AND DISCHARGE.** (a) The parole commission may grant a  
4 participant parole under s. 304.06 at any time after the participant has completed  
5 2 years of participation in the serious juvenile offender program. Parole supervision  
6 of the participant shall be provided by the department.

7 (b) The department may discharge a participant from participation in the  
8 serious juvenile offender program and from departmental supervision and control at  
9 any time after the participant has completed 3 years of participation in the serious  
10 juvenile offender program.

11 (c) Sections 938.357 and 938.363 do not apply to changes of placement and  
12 revisions of orders for a juvenile who is a participant in the serious juvenile offender  
13 program.

14 **(6) PURCHASE OF SERVICES.** The department of corrections may contract with the  
15 department of health and social services, a county department or any public or  
16 private agency for the purchase of goods, care and services for participants in the  
17 serious juvenile offender program. The department of corrections shall reimburse  
18 a person from whom it purchases goods, care or services under this subsection from  
19 the appropriation under s. 20.410 (3) (cg) or, if the person for whom the goods, care  
20 or services are purchased is placed in a Type 1 prison, as defined s. 301.01 (5), or is  
21 under intensive sanctions supervision under s. 301.048, from the appropriate  
22 appropriation under s. 20.410 (1).

23 **(6m) MINORITY HIRING.** (a) In this subsection:

24 1. "American Indian" means a person who is enrolled as a member of a federally  
25 recognized American Indian tribe or band or who possesses documentation of at least

1 one-fourth American Indian ancestry or documentation of tribal recognition as an  
2 American Indian.

3 2. "Black" means a person whose ancestors originated in any of the black racial  
4 groups of Africa.

9 (b) In the selection of classified service employes for a secured correctional  
10 facility authorized under 1993 Wisconsin Act 377, section 9108 (1) (a), the appointing  
11 authority shall make every effort to use the expanded certification program under  
12 s. 230.25 (1n) or rules of the administrator of the division of merit recruitment and  
13 selection in the department of employment relations to ensure that the percentage  
14 of employes who are minority group members approximates the percentage of the  
15 children placed at that secured correctional facility who are minority group  
16 members. The administrator of the division of merit recruitment and selection in the  
17 department of employment relations shall provide guidelines for the administration  
18 of this selection procedure.

19 **(7) RULES.** The department shall promulgate rules to implement this section.

20 **938.54 Records.** The department shall keep a complete record on each  
21 juvenile under its supervision under s. 938.183, 938.34 (4h), (4m) or (4n) or 938.357  
22 (4). This record shall include the information received from the court, the date of  
23 reception, all available data on the personal and family history of the juvenile, the  
24 results of all tests and examinations given the juvenile, and a complete history of all  
25 placements of the juvenile while under the supervision of the department.

1           **938.547 Juvenile alcohol and other drug abuse pilot program.**

2           **(1) LEGISLATIVE FINDINGS AND PURPOSE.** The legislature finds that the use and abuse  
3 of alcohol and other drugs by juveniles is a state responsibility of statewide  
4 dimension. The legislature recognizes that there is a lack of adequate procedures to  
5 screen, assess and treat juveniles for alcohol and other drug abuse. To reduce the  
6 incidence of alcohol and other drug abuse by juveniles, the legislature deems it  
7 necessary to experiment with solutions to the problems of the use and abuse of  
8 alcohol and other drugs by juveniles by establishing a juvenile alcohol and other drug  
9 abuse pilot program in a limited number of counties. The purpose of the program is  
10 to develop intake and court procedures that screen, assess and give new dispositional  
11 alternatives for juveniles with needs and problems related to the use of alcohol  
12 beverages or controlled substances who come within the jurisdiction of a court  
13 assigned to exercise jurisdiction under this chapter and ch. 48 in the pilot counties  
14 selected by the department.

15           **(2) DEPARTMENT RESPONSIBILITIES.** Within the availability of funding under s.  
16 20.435 (7) (mb) that is available for the pilot program, the department of health and  
17 social services shall select counties to participate in the pilot program. Unless a  
18 county department of human services has been established under s. 46.23 in the  
19 county that is seeking to implement a pilot program, the application submitted to the  
20 department of health and social services shall be a joint application by the county  
21 department that provides social services and the county department established  
22 under s. 51.42 or 51.437. The department of health and social services shall select  
23 counties in accordance with the request-for-proposal procedures established by that  
24 department. The department of health and social services shall give a preference to  
25 county applications that include a plan for case management.

1           **(3) MULTIDISCIPLINARY SCREEN.** The multidisciplinary screen developed for the  
2 pilot program shall be used by an intake worker to determine whether or not a  
3 juvenile is in need of an alcohol or other drug abuse assessment. The screen shall  
4 also include indicators that screen juveniles for:

- 5           (a) Family dysfunction.
- 6           (b) School or truancy problems.
- 7           (c) Mental health problems.
- 8           (d) Delinquent behavior patterns.

9           **(4) ASSESSMENT CRITERIA.** The uniform alcohol and other drug abuse  
10 assessment criteria that the department developed shall be used in the pilot program  
11 under ss. 938.245 (2) (a) 3., 938.295 (1), 938.32 (1g), 938.343 (10) and 938.344 (2g).  
12 An approved treatment facility that assesses a person under ss. 938.245 (2) (a) 3.,  
13 938.295 (1), 938.32 (1g), 938.343 (10) and 938.344 (2g) may not also provide the  
14 person with treatment unless the department permits the approved treatment  
15 facility to do both in accordance with the criteria established by rule by the  
16 department.

17           **938.548 Multidisciplinary screen and assessment criteria.** The  
18 department of health and social services shall make the multidisciplinary screen  
19 developed under s. 938.547 (3) and the assessment criteria developed under s.  
20 938.547 (4) available to all counties.

21           **938.549 Juvenile classification system.** (1) The department shall make  
22 available to all counties a juvenile classification system that includes at least all of  
23 the following:

- 24           (a) A risk assessment instrument for determining the probability that a  
25 juvenile who has committed an offense will commit another offense.

1 (b) A needs assessment instrument for determining the service needs of a  
2 juvenile who has committed an offense.

3 (c) A services and placement guide for integrating the risk and needs of a  
4 juvenile who has committed an offense with other factors to determine an  
5 appropriate placement and level of services for the juvenile.

6 **(2)** A county may use the juvenile classification system to do any of the  
7 following:

8 (a) At the time of an intake inquiry, determine whether to close a case, enter  
9 into a deferred prosecution agreement or refer the case to the district attorney.

10 (b) At the time of disposition, recommend a placement and a plan of  
11 rehabilitation, treatment and care for the juvenile.

12 (c) After disposition, determine the level or intensity of supervisory contacts  
13 required for a juvenile under county supervision.

14 **(3)** Subject to the availability of resources, the department may provide  
15 training and technical assistance in the use of the juvenile classification system to  
16 any county that requests that training and technical assistance.

17 SUBCHAPTER XII

18 COUNTY JUVENILE

19 WELFARE SERVICES

20 **938.57 Powers and duties of county departments providing juvenile**  
21 **welfare services.** (1) Each county department shall administer and expend such  
22 amounts as may be necessary out of any moneys which may be appropriated for  
23 juvenile welfare purposes by the county board of supervisors or donated by  
24 individuals or private organizations. A county department may do any of the  
25 following:

1           (a) Investigate the conditions surrounding delinquent juveniles and juveniles  
2 in need of protection or services within the county and take every reasonable action  
3 within its power to secure for them the full benefit of all laws enacted for their benefit.  
4 Unless provided by another agency, the county department shall offer social services  
5 to the caretaker of any juvenile who is referred to it under the conditions specified  
6 in this paragraph. This duty shall be discharged in cooperation with the court and

10 under s. 938.355 and provide special treatment and care if ordered by the court.  
11 Except as provided in s. 938.505 (2), a court may not order a county department to  
12 administer psychotropic medications to juveniles who receive special treatment or  
13 care under this paragraph.

14           (c) Provide appropriate protection and services for juveniles in its care,  
15 including providing services for juveniles and their families in their own homes,  
16 placing the juveniles in licensed foster homes, licensed treatment foster homes or  
17 licensed group homes in this state or another state within a reasonable proximity to  
18 the agency with legal custody or contracting for services for them by licensed child  
19 welfare agencies or replacing them in juvenile correctional institutions or secured  
20 child caring institutions in accordance with rules promulgated under ch. 227, except  
21 that the county department may not purchase the educational component of private  
22 day treatment programs unless the county department, the school board as defined  
23 in s. 115.001 (7) and the secretary of education all determine that an appropriate  
24 public education program is not available. Disputes between the county department  
25 and the school district shall be resolved by the secretary of education.

1 (cm) Provide appropriate services for juveniles who are referred to the county  
2 department by a municipal court, except that if the funding, staffing or other  
3 resources of the county department for juvenile welfare services are insufficient to  
4 meet the needs of all juveniles who are eligible to receive services from the county  
5 department, the county department shall give first priority to juveniles who are  
6 referred to the county department by the court assigned to exercise jurisdiction  
7 under this chapter and ch. 48.

8 (d) Provide for the moral and religious training of juveniles in its care according

23 program leading to a high school diploma.

25 birthday.

1           4. Is living in a foster home, treatment foster home, group home or child caring  
2 institution.

3           (b) The funding provided for the maintenance of a juvenile under par. (a) shall  
4 be in an amount equal to that to which the juvenile would receive under s. 46.495 (1)  
5 (d) if the juvenile were 16 years of age.

6           **(4)** A county department may provide aftercare supervision under s. 48.34 (4n)  
7 for juveniles who are released from secured correctional facilities or secured child  
8 caring institutions operated by the department. If a county department intends to  
9 change its policy regarding whether the county department or the department shall  
10 provide aftercare supervision for juveniles released from secured correctional  
11 facilities or secured child caring institutions operated by the department, the county  
12 executive or county administrator, or, if the county has no county executive or county  
13 administrator, the chairperson of the county board of supervisors, or, for multicounty  
14 departments, the chairpersons of the county boards of supervisors jointly, shall  
15 submit a letter to the department stating that intent before July 1 of the year  
16 preceding the year in which the policy change will take effect.

17           **938.59 Examination and records.** (1) The county department shall  
18 investigate the personal and family history and environment of any juvenile  
19 transferred to its legal custody or placed under its supervision under s. 938.34 (4n)  
20 and make any physical or mental examinations of the juvenile considered necessary  
21 to determine the type of care necessary for the juvenile. The county department shall  
22 screen a juvenile who is examined under this subsection to determine whether the  
23 juvenile is in need of special treatment or care because of alcohol or other drug abuse,  
24 mental illness or severe emotional disturbance. The county department shall keep  
25 a complete record of the information received from the court, the date of reception,

1 all available data on the personal and family history of the juvenile, the results of all  
2 tests and examinations given the juvenile and a complete history of all placements  
3 of the juvenile while in the legal custody or under the supervision of the county  
4 department.

5 (2) At the department's request, the county department shall report to the  
6 department regarding juveniles in the legal custody or under the supervision of the

8 **938.595 Duration of control of county departments over delinquents.**

9 Except as provided in s. 48.366, a juvenile who has been adjudged delinquent and  
10 placed under the supervision of a county department under s. 938.34 (4n) shall be  
11 discharged as soon as the county department determines that there is a reasonable  
12 probability that it is no longer necessary either for the rehabilitation and treatment  
13 of the juvenile or for the protection of the public that the county department retain  
14 supervision.

15 SUBCHAPTER XVII

16 GENERAL PROVISIONS ON RECORDS

17 **938.78 Confidentiality of records.** (1) In this section, unless otherwise  
18 qualified, "agency" means the department, a county department or a licensed child  
19 welfare agency.

20 (2) (a) No agency may make available for inspection or disclose the contents of  
21 any record kept or information received about an individual in its care or legal  
22 custody, except as provided under sub. (3) or s. 938.371, 938.38 (5) (b) or (d) or 938.51  
23 or by order of the court.

24 (ag) Paragraph (a) does not prohibit an agency from making available for  
25 inspection or disclosing the contents of a record, upon the request of the parent,

1 guardian or legal custodian of the juvenile who is the subject of the record or upon  
2 the request of the juvenile, if 14 years of age or over, to the parent, guardian, legal  
3 custodian or juvenile.

4 (am) Paragraph (a) does not prohibit an agency from making available for  
5 inspection or disclosing the contents of a record, upon the written permission of the  
6 parent, guardian or legal custodian of the juvenile who is the subject of the record  
7 or upon the written permission of the juvenile, if 14 years of age or over, to the person  
8 named in the permission if the parent, guardian, legal custodian or juvenile  
9 specifically identifies the record in the written permission.

10 (b) 1. Paragraph (a) does not apply to the confidential exchange of information  
11 between an agency, another social welfare agency, a law enforcement agency, the  
12 victim-witness coordinator or a public school district regarding an individual in the  
13 care or legal custody of the agency.

14 2. On petition of an agency to review pupil records, as defined in s. 118.125 (1)  
15 (d), other than pupil records that may be disclosed without court order under s.  
16 118.125 (2) or (2m), for the purpose of providing treatment or care for an individual  
17 in the care or legal custody of the agency, the court may order the school board of the  
18 school district in which an individual is enrolled to disclose to the agency the pupil  
19 records of the individual as necessary for the agency to provide that treatment or  
20 care. The agency may use the pupil records only for the purpose of providing  
21 treatment or care and may make the pupil records available only to employees of the  
22 agency who are providing treatment or care for the individual.

23 (d) Paragraph (a) does not prohibit the department of health and social services  
24 or a county department from disclosing information about an individual formerly in  
25 the legal custody or under the supervision of that department under s. 48.34 (4m),

1 1993 stats., or formerly under the supervision of that department or county  
2 department under s. 48.34 (4n), 1993 stats., or s. 938.34 (4n) to the department of  
3 corrections, if the individual is at the time of disclosure any of the following:

5 2. Under sentence to the Wisconsin state prisons under s. 973.15.

6 3. Subject to an order under s. 48.366 or 938.183 and placed in a state prison  
7 under s. 48.366 (8) or 938.183.

8 4. On probation to the department of corrections under s. 973.09.

9 5. On parole under s. 302.11 or ch. 304.

10 (e) Paragraph (a) does not prohibit the department from disclosing information  
11 about an individual adjudged delinquent under s. 938.31 for a sexually violent  
12 offense, as defined in s. 980.01 (6), to the department of justice, or a district attorney  
13 or a judge acting under ch. 980 or to an attorney who represents a person subject to  
14 a petition under ch. 980. The court in which the petition under s. 980.02 is filed may  
15 issue any protective orders that it determines are appropriate concerning  
16 information disclosed under this paragraph.

17 (f) If an agency discloses information in its records about a juvenile under par.  
18 (b) 1., (d) or (e), the agency shall immediately notify the juvenile who is the subject  
19 of the record and the juvenile's parent, guardian or legal custodian of that disclosure  
20 and shall immediately provide to the juvenile and the parent, guardian or legal  
21 custodian the information disclosed, unless the agency determines that provision of  
22 that information to the parent, guardian or legal custodian would result in imminent  
23 danger to the juvenile.

24 **(3)** If a juvenile adjudged delinquent on the basis of a violation of s. 941.10,  
25 941.11, 941.20, 941.21, 941.23, 941.235, 941.237, 941.24, 941.26, 941.28, 941.295,
